"Y-yeah! She's an old classmate of mine that I just happened to run across here of all places. Talk about a coincidence, eh? Or are you the type to believe in fate, causality, or whatnot?"

14

16

No, no. I'm not part-timing.

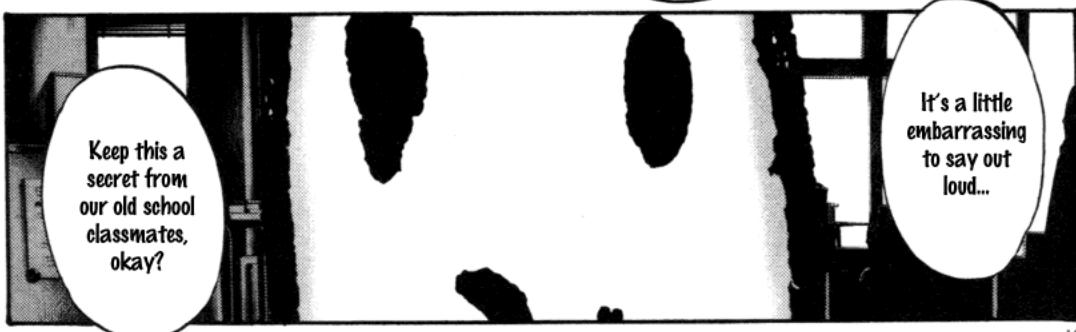

Umm...

Umm, well...

Do you want to go get lunch together next time? I'm usually here for driving classes during the weekend.

Keep this a secret from our old school classmates, okay?

It's a little embarrassing to say out loud...

The Story Until Now:

At the brink of utter despair,
Onodera Punpun has an
otherworldly epiphany and
is born anew as Fujikawa
Takashi, a cheerful and
outgoing university student.

Aiko is...
talking right
before my eyes...

At the moment, Onodera Punpun/Fujikawa Takashi thought thus.

"Well... I'm just your average university student. I'm thinking it might be nice to become a teacher so I'm currently majoring in education and prepping for the teacher's license exam. I say prepping, but to be honest I'm just wasting time by going out drinking and playing indoor soccer with my friend, haha!"

9

"No, no! It's nothing like that. That girl was just a stranger I was making friendly conversation with."

"She's...
A younger
coworker at
my part-time
job."

"Uhh... There wasn't really anything of that sort. The part-time job's at a rental store so we were just talking about music and movies we liked and it just uh... sort of took off from there."

11

"But we've hit sort of a rough spot after a year and a half since we've started going out. She's a little depressed right now so it's been tough trying to cheer her up... It's not all bad though. I mean, I don't mind taking care of others and my sex drive is pretty low for a guy so I'm cool with not getting any these days, haha."

"So... what about you? Considering you're a stylish model and all... Finding a boyfriend isn't too big of a problem, am I right?

12

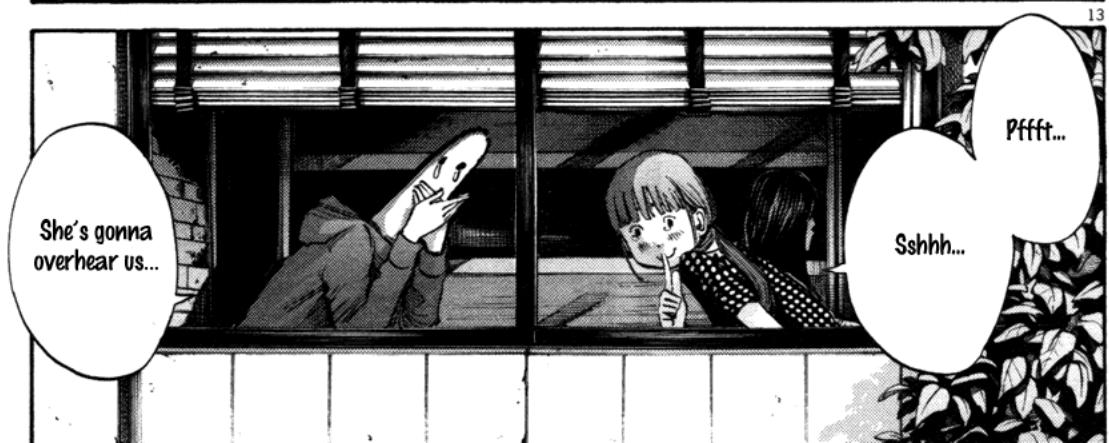

"Really?
What about
Yaguchi?"

“...Oh. That’s too bad. I thought
you two were a nice couple.”

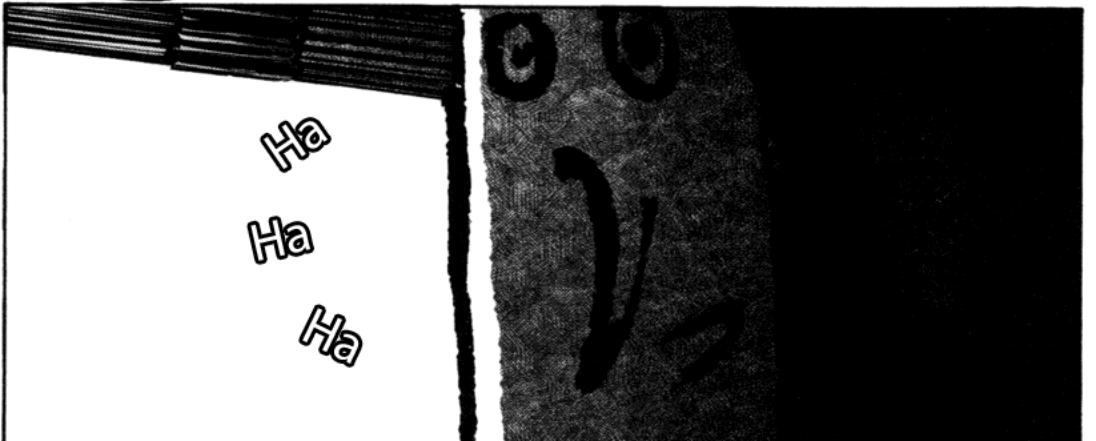

Aiko effortlessly changed her expressions,
and at times, burst out a laugh...

Hmm...

14

Laughing and talking just like
any other normal girl...

15

No... Just like any other stupid, vapid girl.

This girl isn't... the Aiko I know.

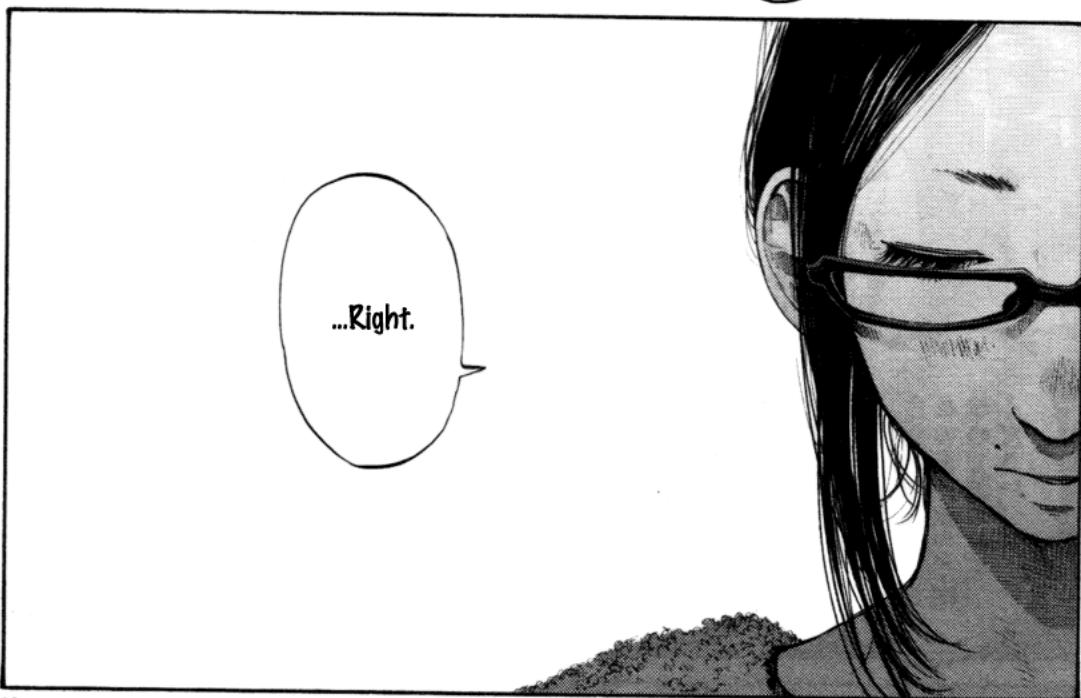

16

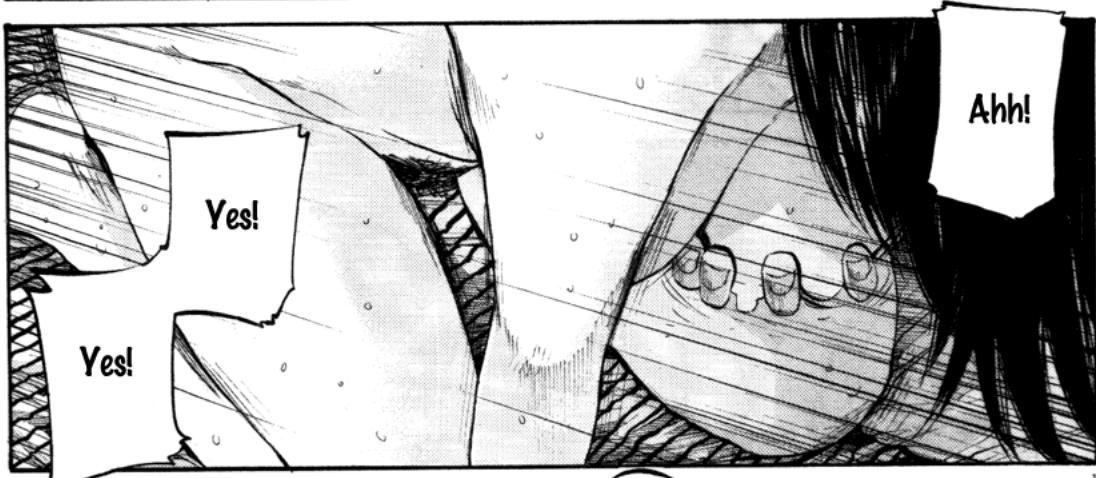

17

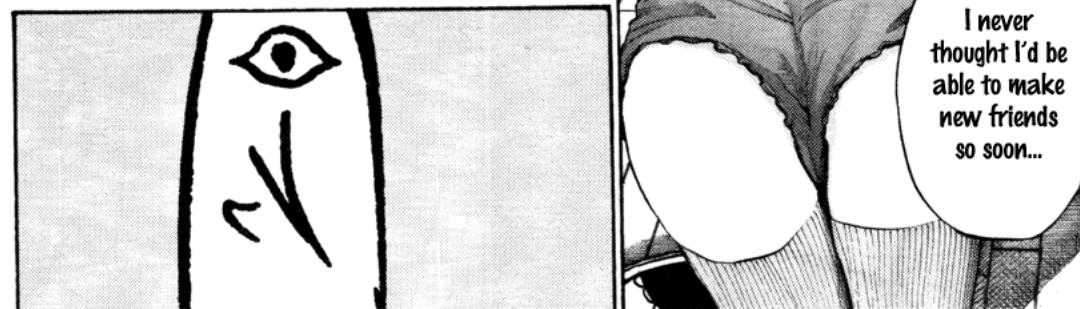

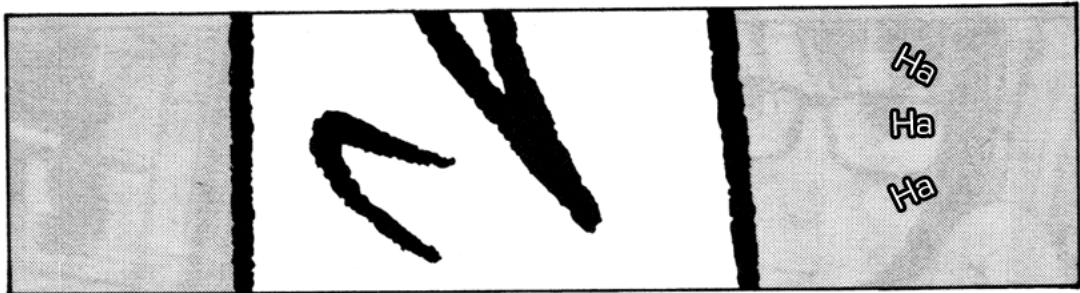

"Why not? C'mon, can't I take just a peak?
Pretty please?"

3

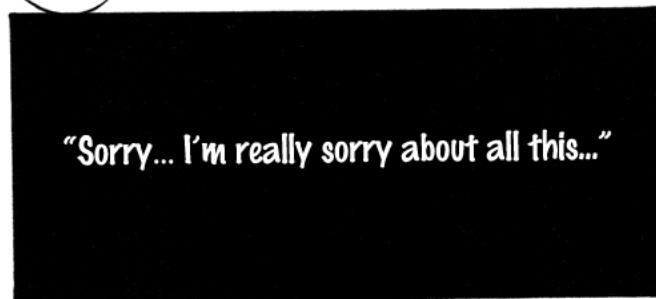

"No, it's just...
there was a
tarantula on
the wall..."

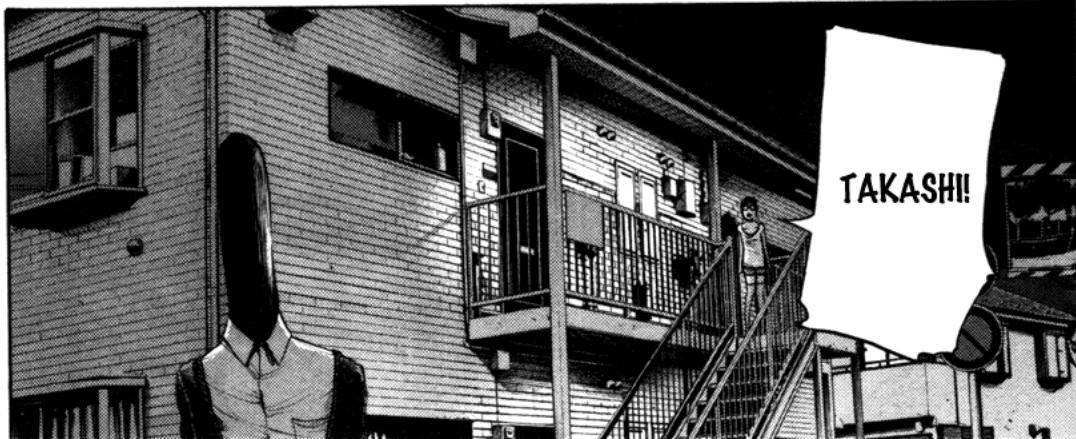

"W-whoa, your
wall's real
smooth and
slippery...
Aha... ha..."

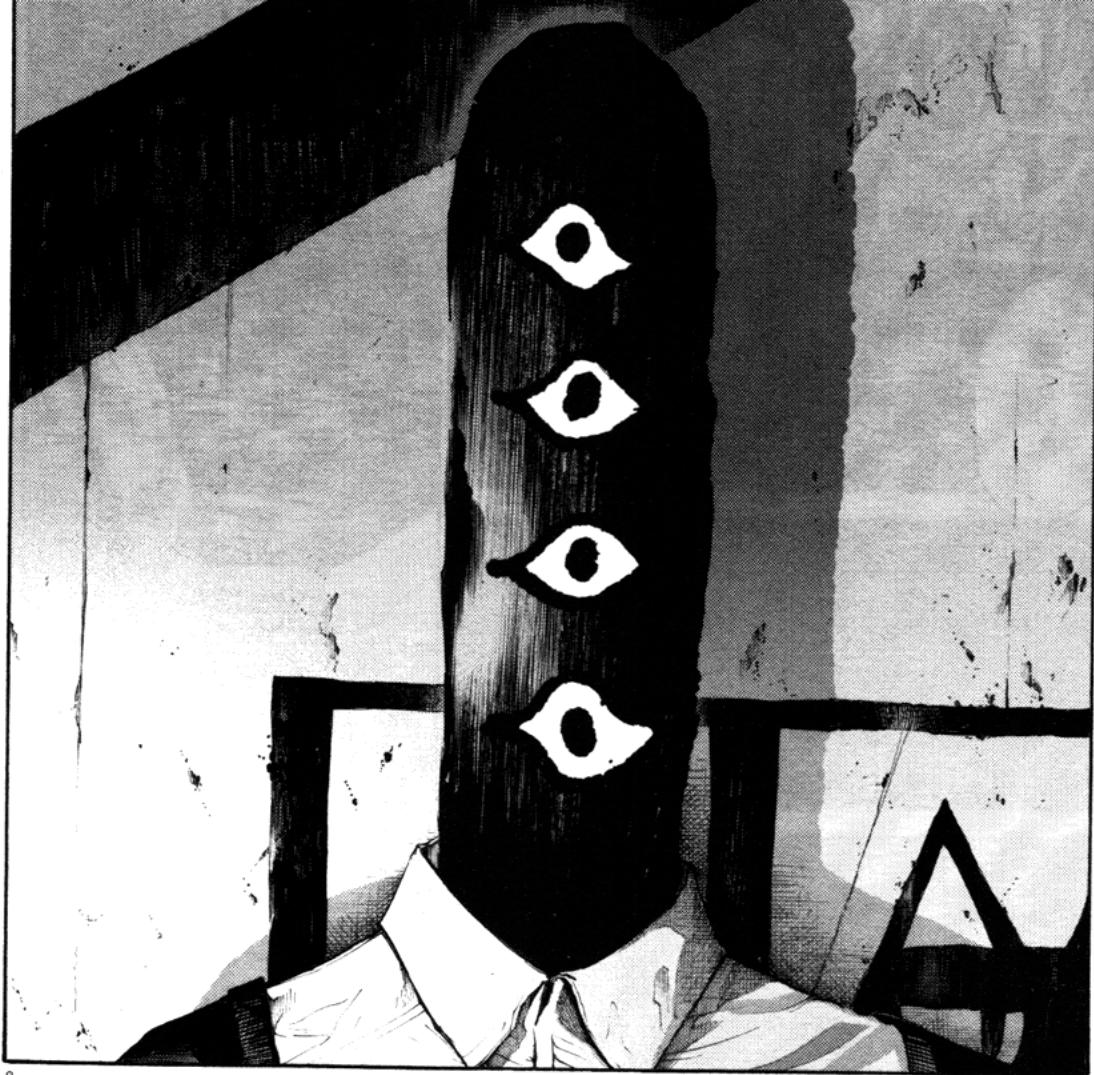

You're
going
home?

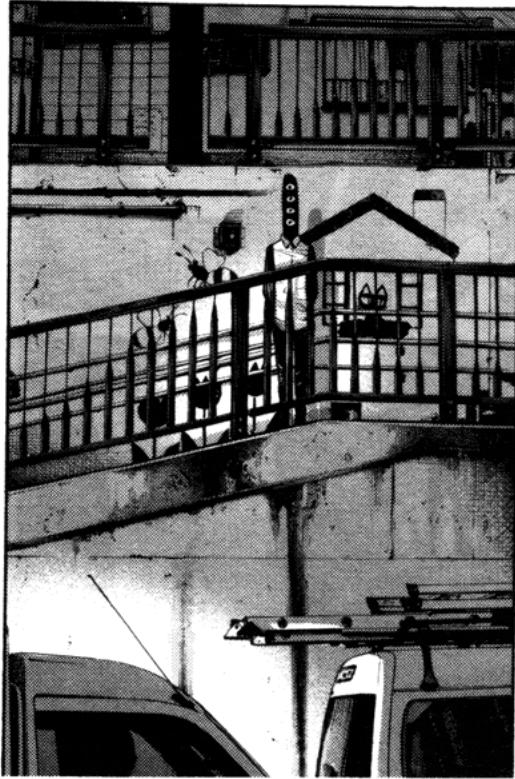

Are we still
going to the
movies
tomorrow
or...?

7

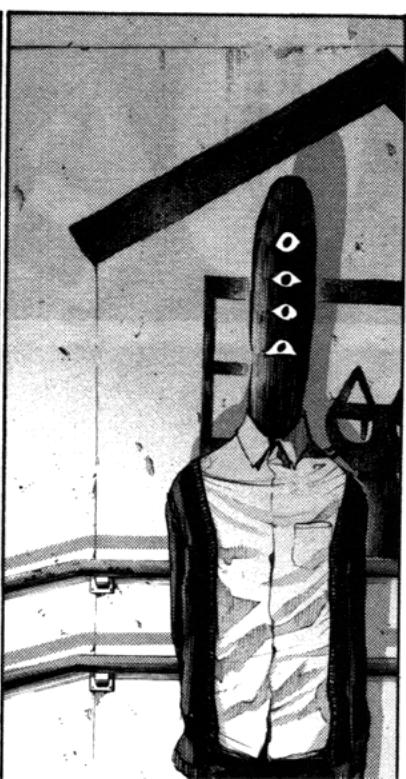

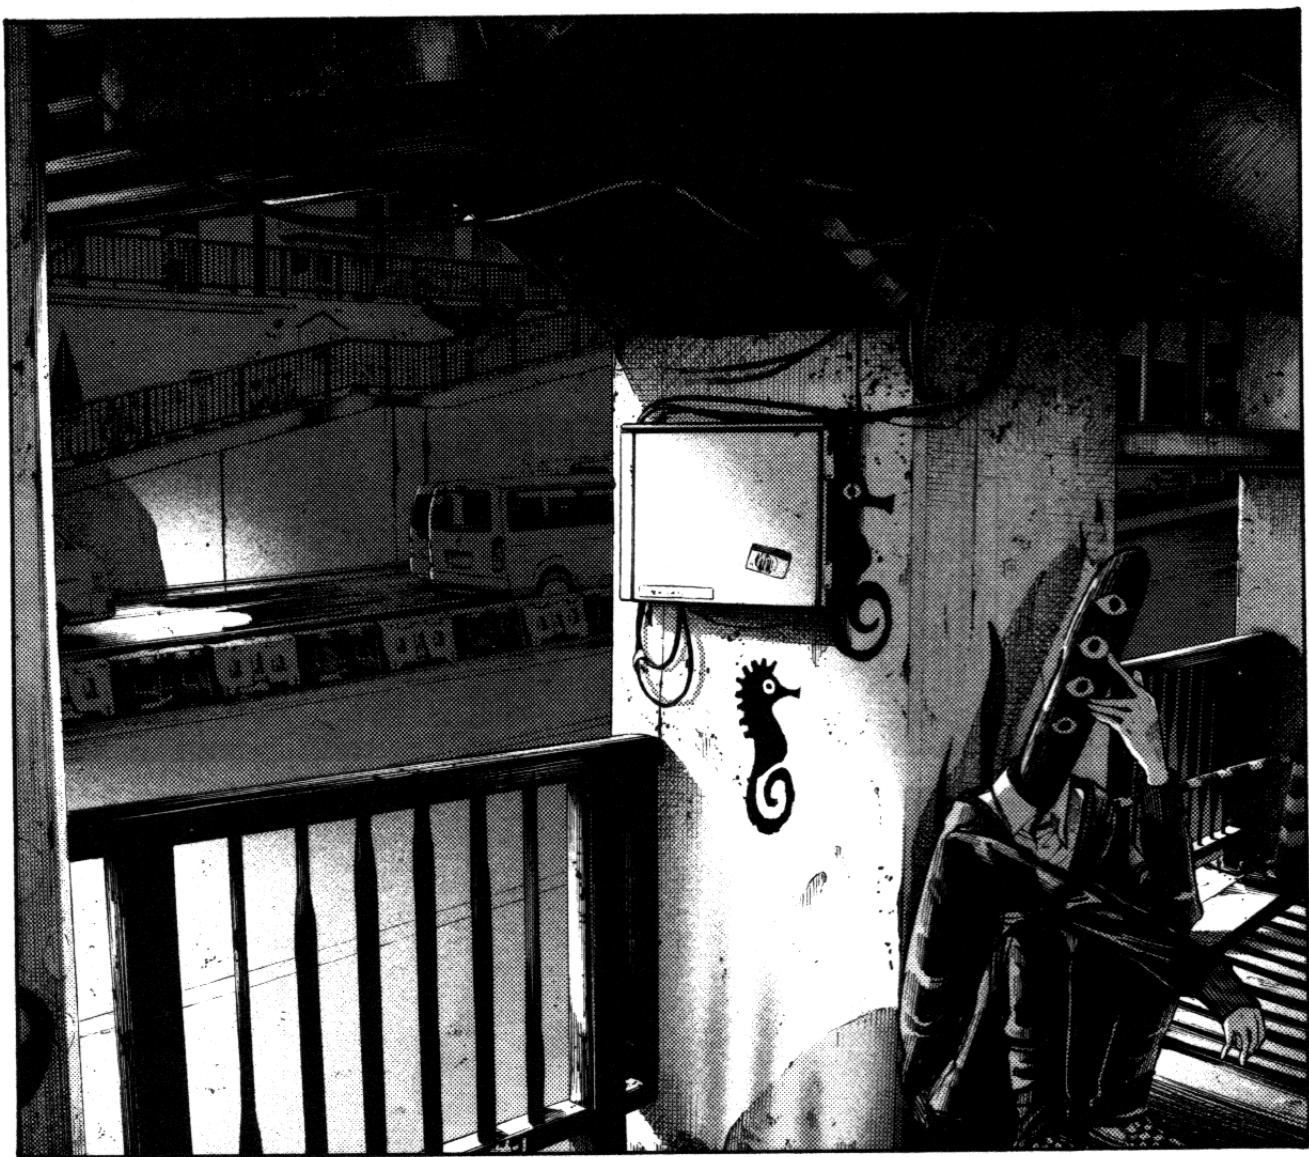

8

This is
wrong...

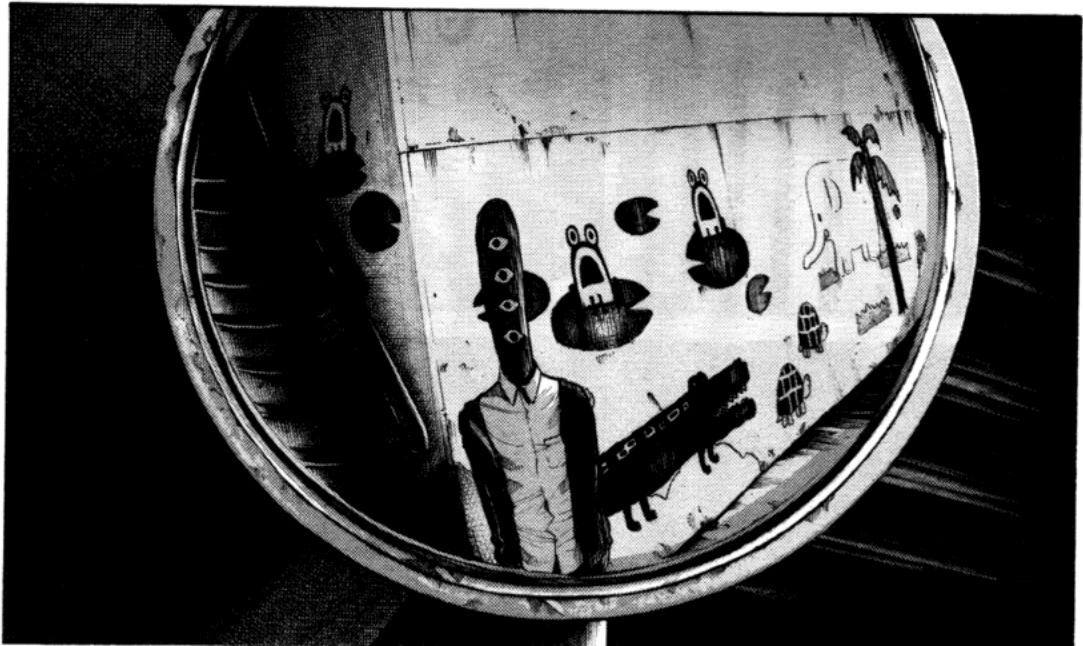

This isn't how it's
supposed to be...

...Punpun then asked himself.

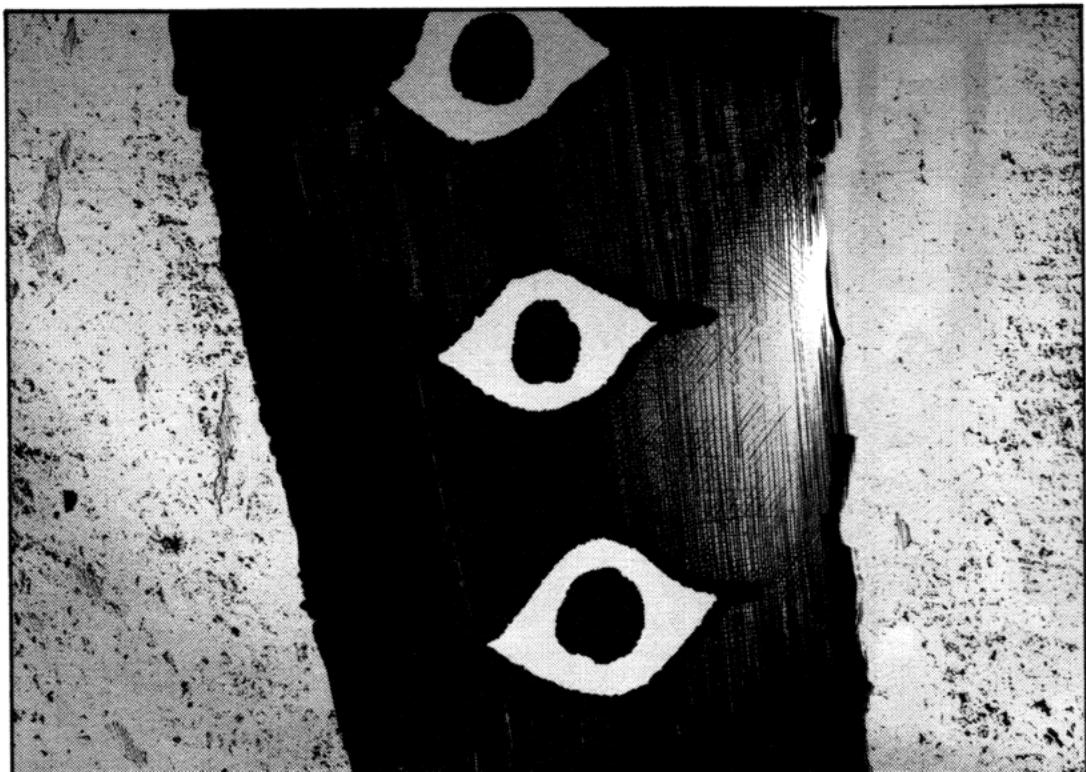

"Is that..."

"What my face always looked like...?"

The you of right
now is all there
is to you.

Taking her words seriously that day led him to become the mess he was today.

Meanwhile, Aiko went on to follow her dreams without a care in the world, forgetting that she ever spoke such things.

Back when he was a kid, Aiko once told him, "In the near future, oil's going to run out and the environment will be so polluted that humans will go extinct."

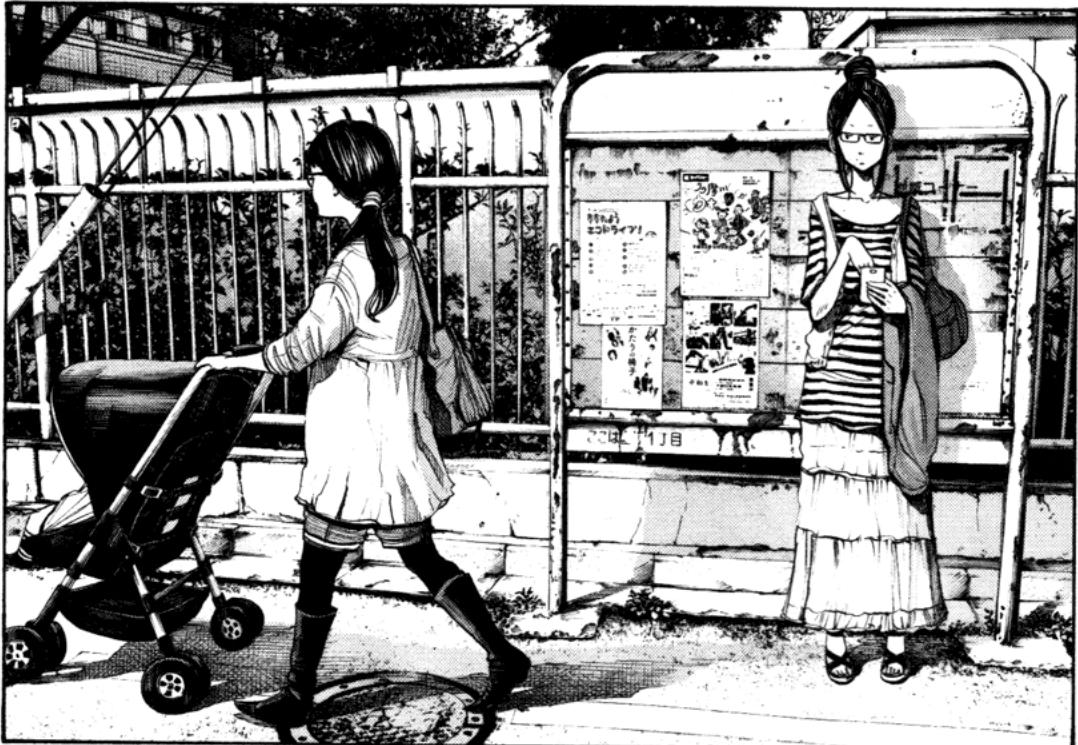

Right,
Punpun...?

You
wouldn't
tell a lie...

... You're the one who lied.

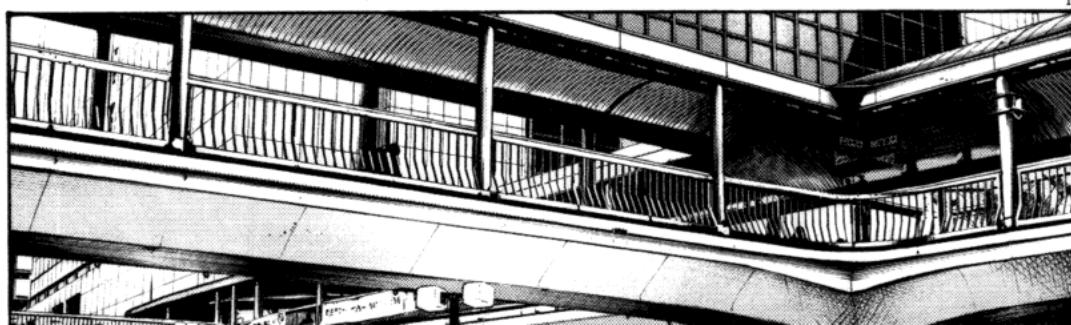

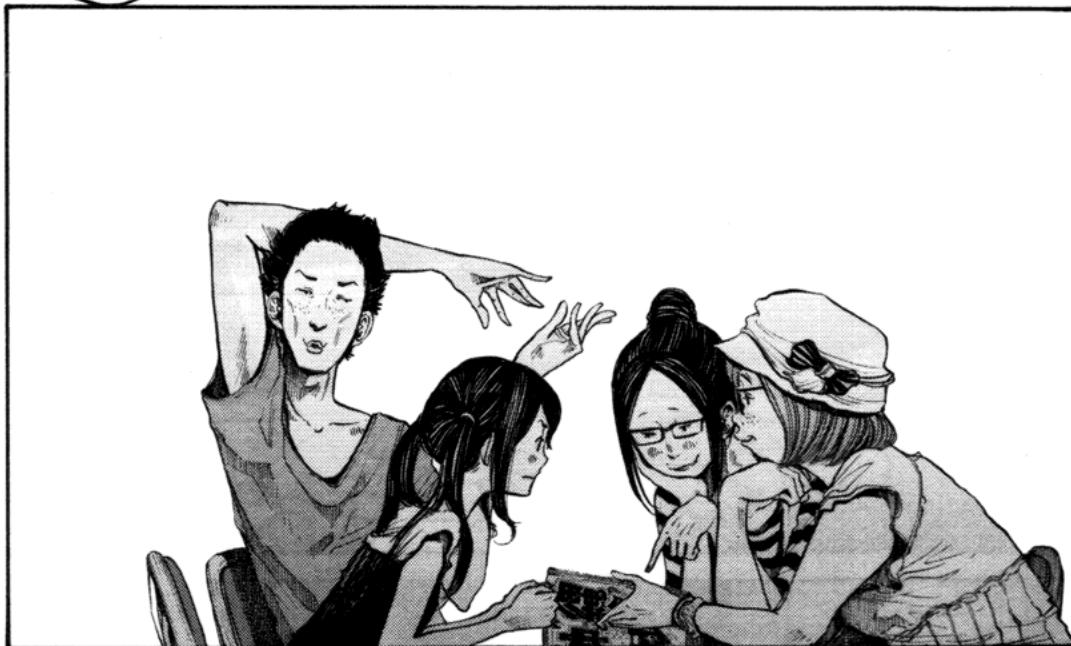

14

...Just tryin' to quit smoking. Those damn things are getting way too expensive!

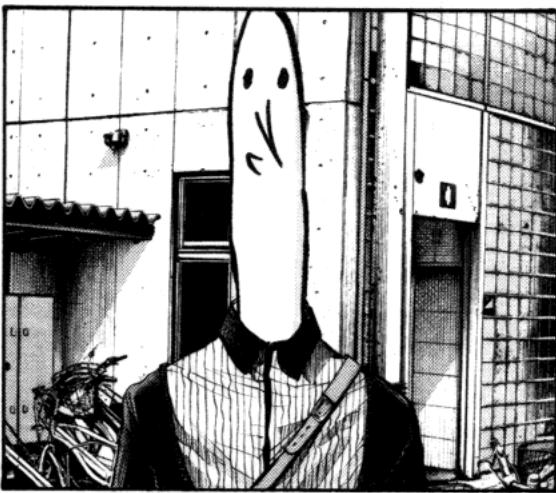

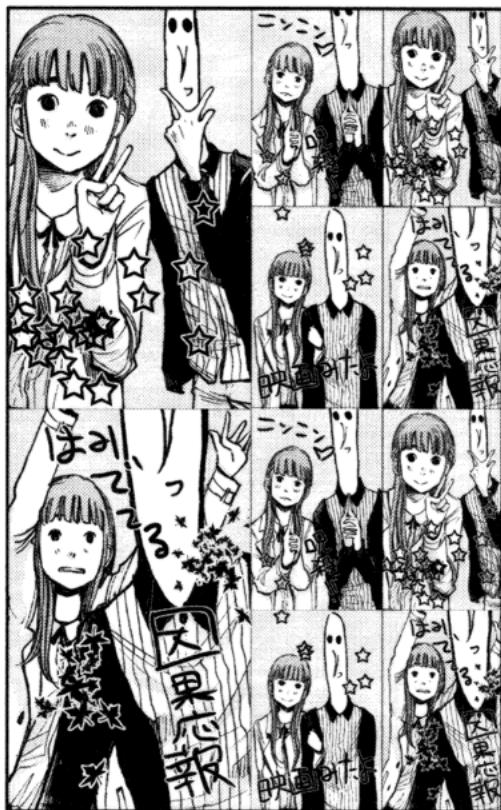

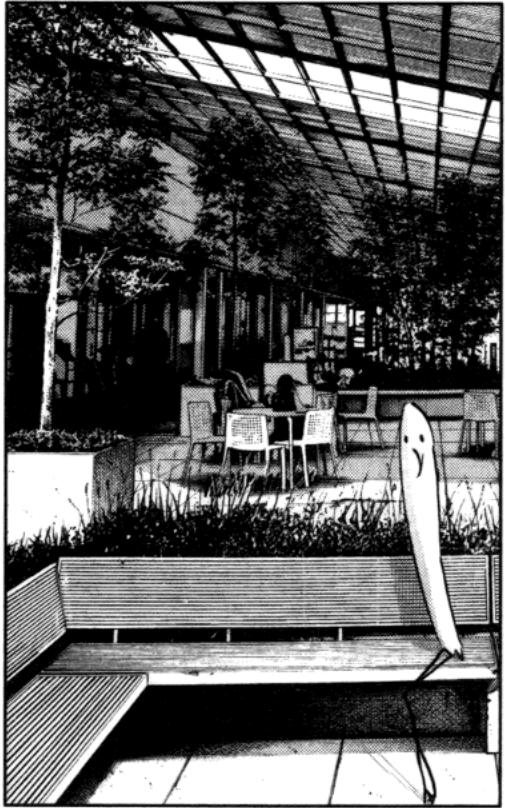

"Oh thanks. And don't worry being late. I was actually busy studying in a café until just a little while ago."

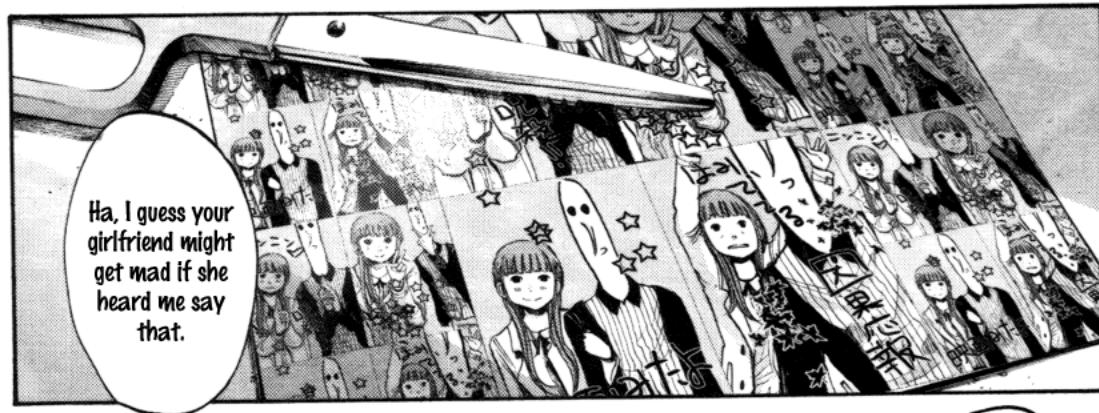

"...No, not really but let's just start walking around first."

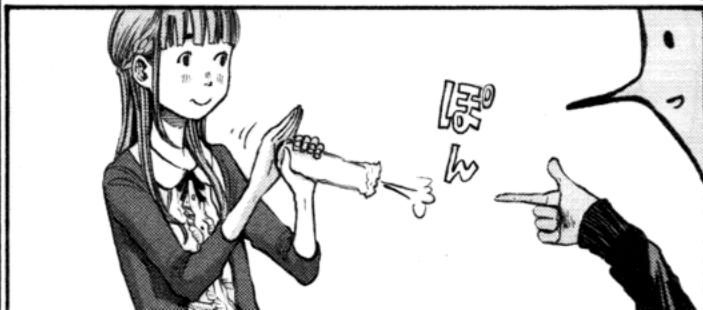

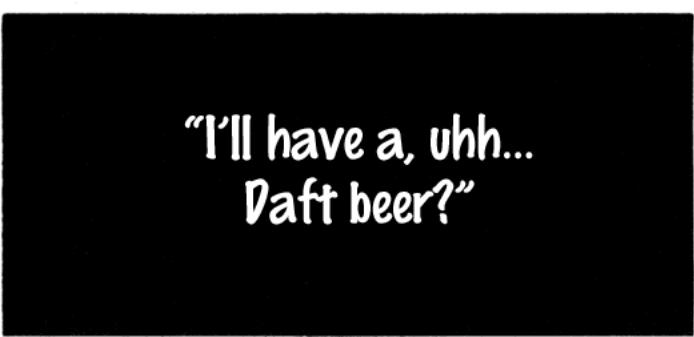

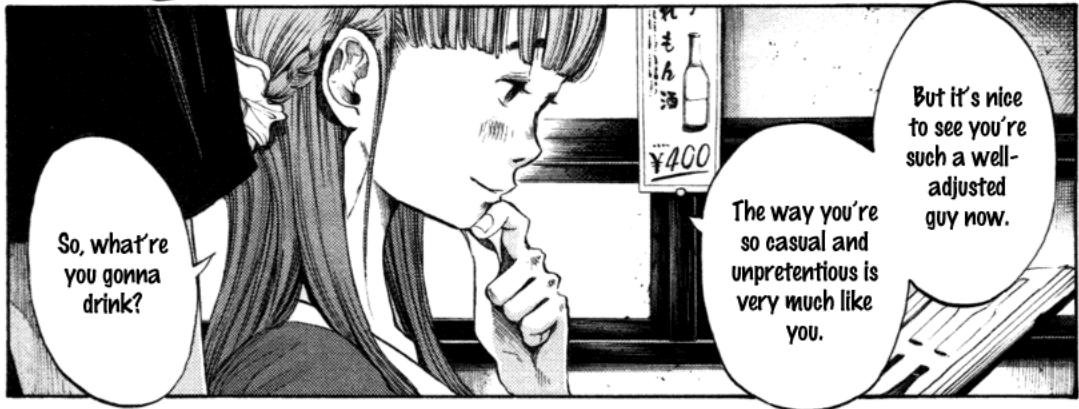

Punpun was completely at ease, having immersed himself in Takashi's soul for the last couple of days.

He couldn't care less about popular movies or trendy cafes, but that didn't stop his mouth from moving on its own to blurt out some other fashionable topic of conversation.

And what's with
this raging erection
down my pants
that's refusing to
go away...?

...What is this
I'm feeling? It's
almost like
I'm some actor
delivering empty
lines for a stupid
tv show.

5

Just what is it that I even want to do...?

And who the hell are you supposed to be...?

6

And yet the
two of us never
ran into each
other until
now. I wonder
why...

Strange,
isn't it?

This town
looks so
small from
up here,

Or maybe
not.

Then again,
maybe I am
a little...

Mnn...

I wonder
if I'm
drunk...?

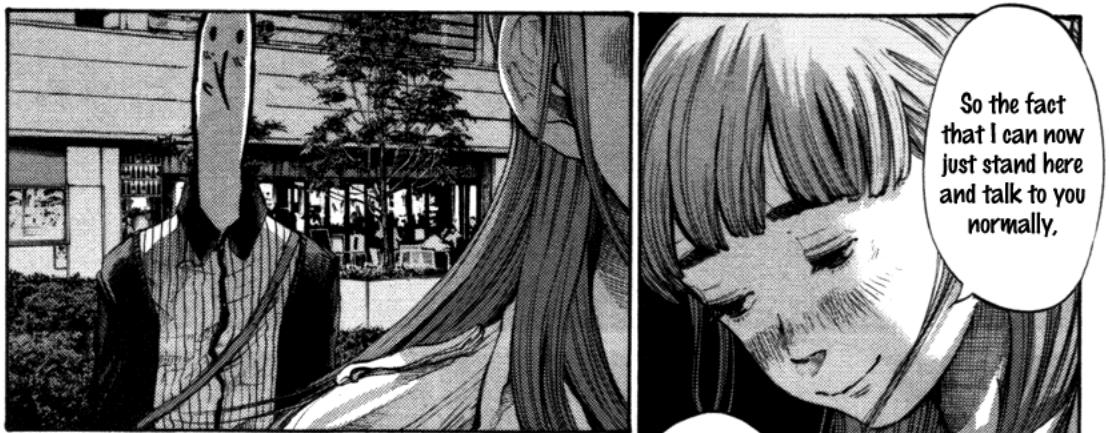

I mean, I've got
a boyfriend
and a job...

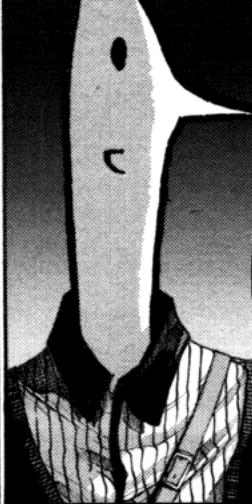

I really can't
waste time like
this a whole lot
anymore...

I don't want
you to get the
wrong idea or
anything but,

Oh,
umm...

"Same here. I was worried that you might've gone insane by now and be living some terrible life."

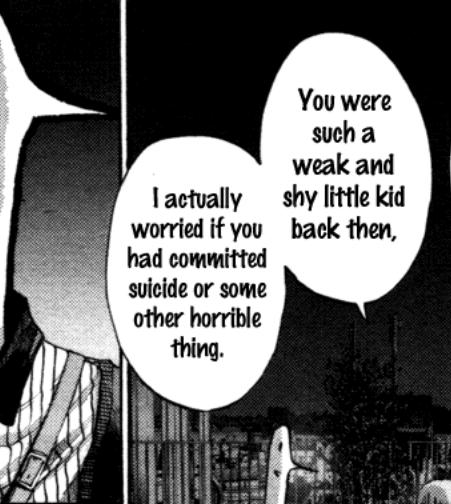

I actually worried if you had committed suicide or some other horrible thing.

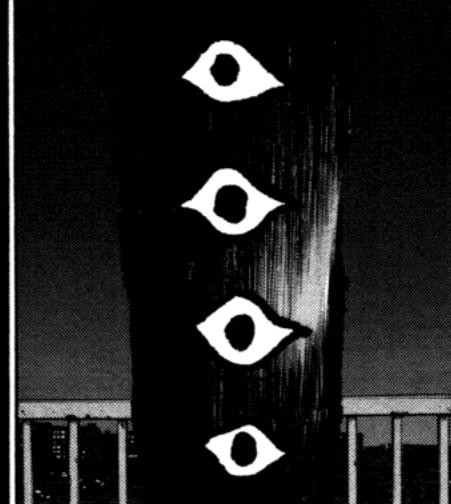

Though to be honest,

9

How is any of this funny at all?

The fuck are you laughing about?

Stop playing games with me,
Tanaka Aiko...

10

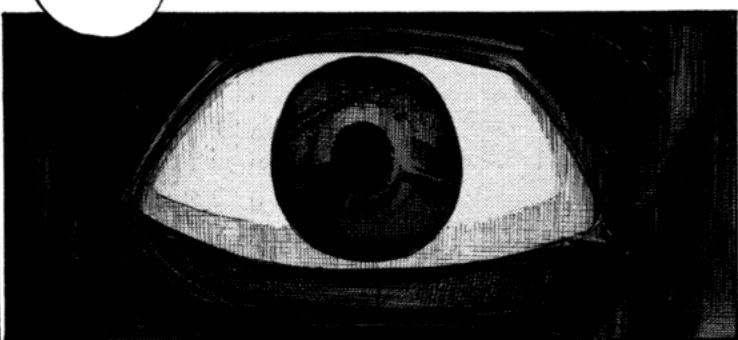

“...Can
we hold
hands?”

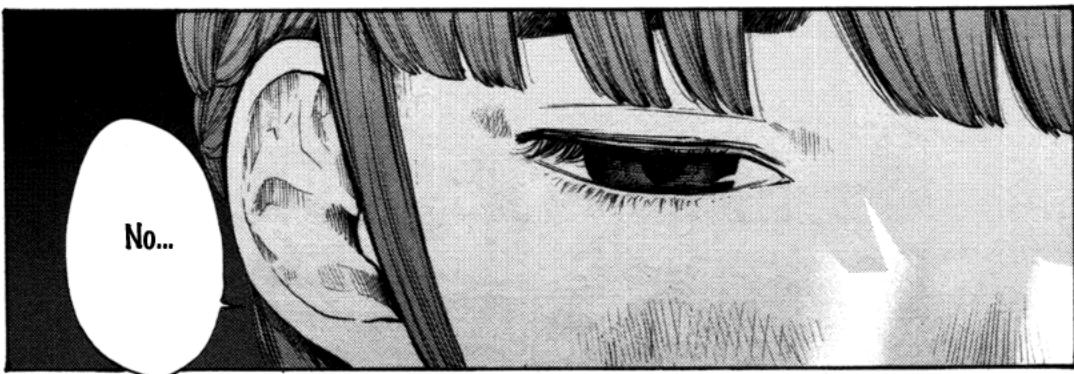

"...I wonder
why myself."

"Can we
just...
Stay like
this for a
little
longer?"

No...

Doing
this...

We
shouldn't
be...

Punpun...

Where're
we
walking
to?

"Should we rest at a
karaoke place then?"

14

"How about a
manga cafe?"

"Then... Should we
just get on the
train together
and..."

"Let's... Go to a hotel."

15

Aiko... I have no idea what your intentions are with me but...

I'm extremely saddened.

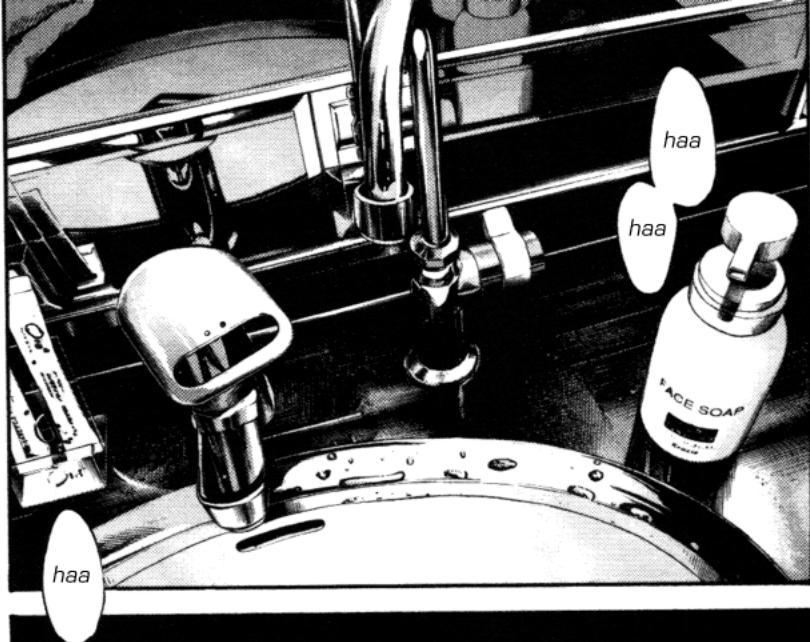

17

To think that after all this time, you've become just another slut that casually sleeps around with some guy you haven't even met since middle school...

I know I'm being unfairly self-entitled but...

I want to make your
life miserable.

Aiko...

I won't forgive you for selfishly going off to a better world alone after leaving me behind cursed.

Wait...

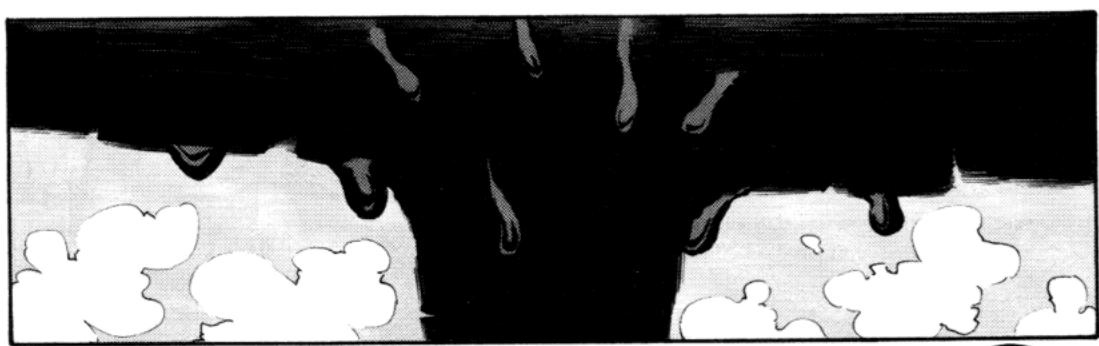

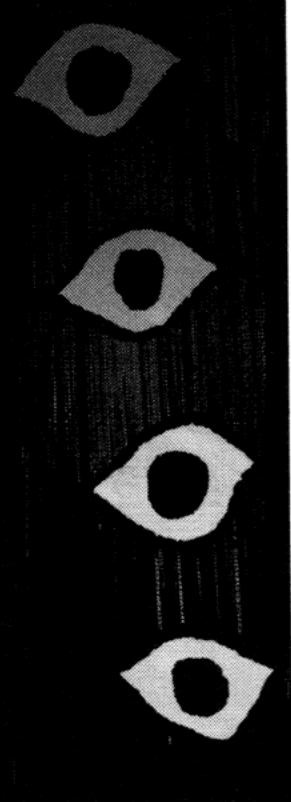

No... The one who's selfish here is me but whatever. I don't care if you come to loathe me too.

2

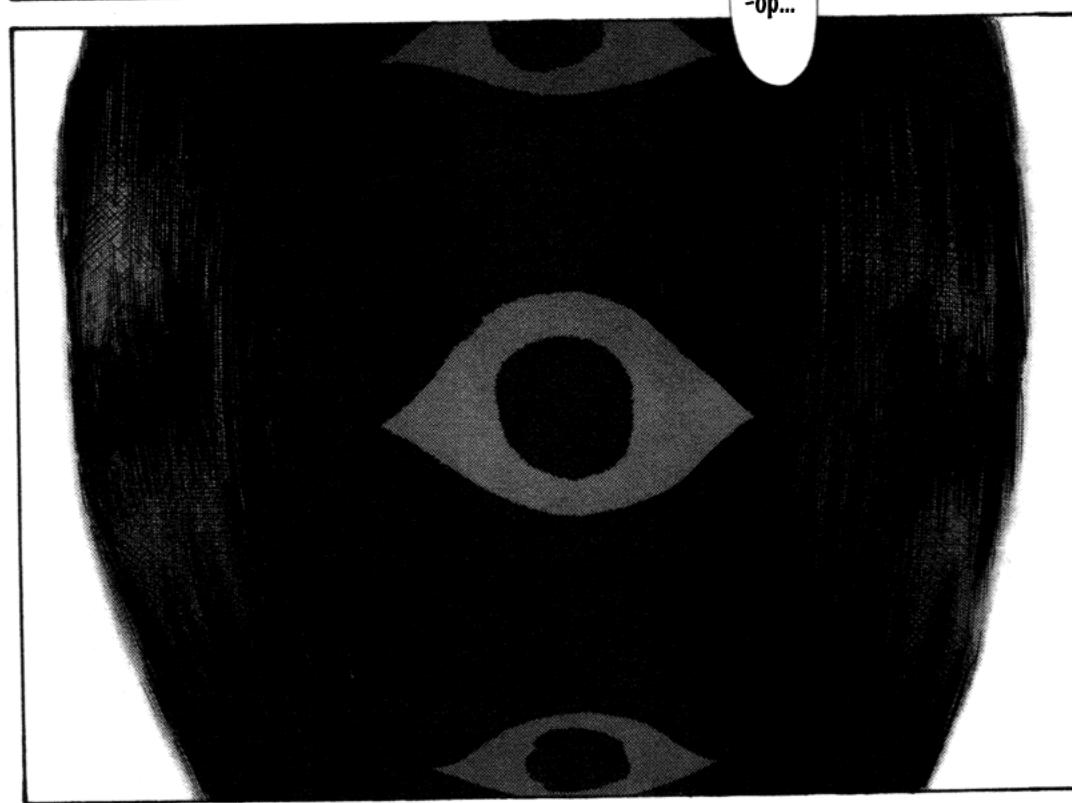

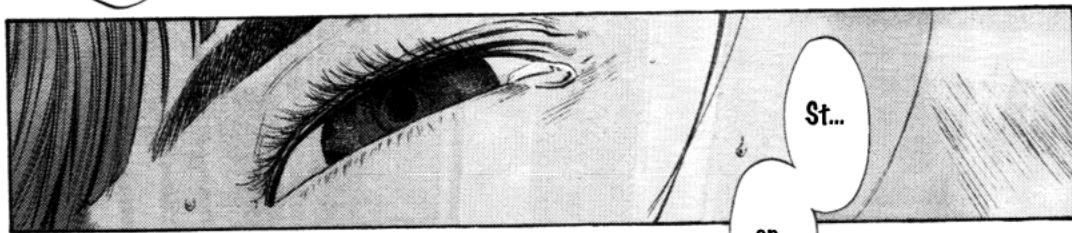

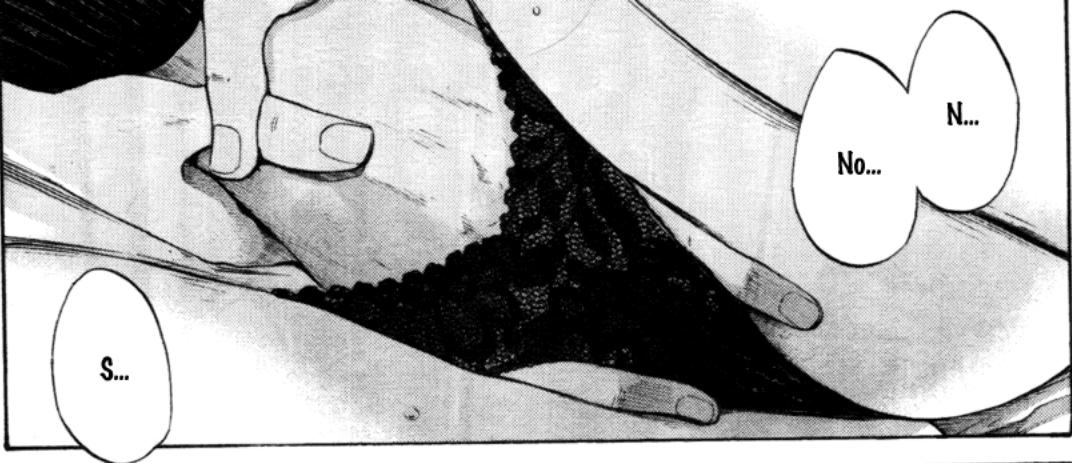

3

Answer me...

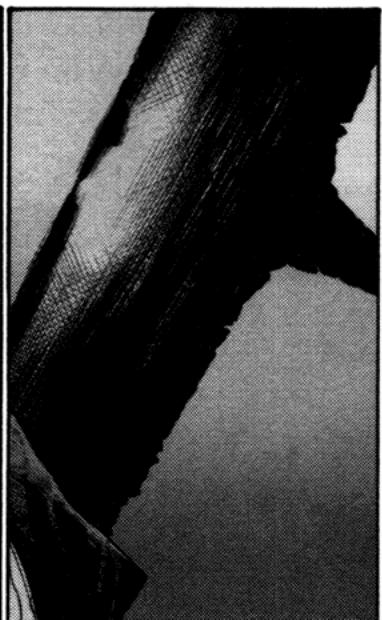

Hey...

5

6

8

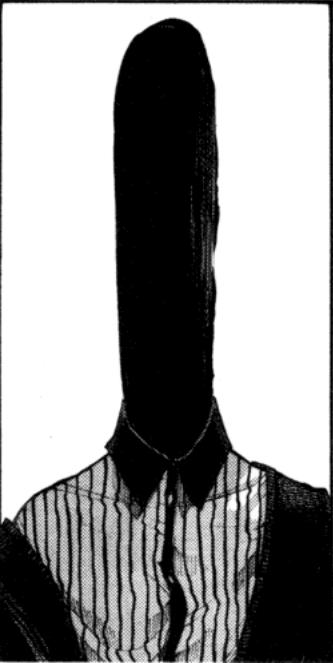

If this is how
things are...

...then it'd
have been
better if we
never met
again to
begin with.

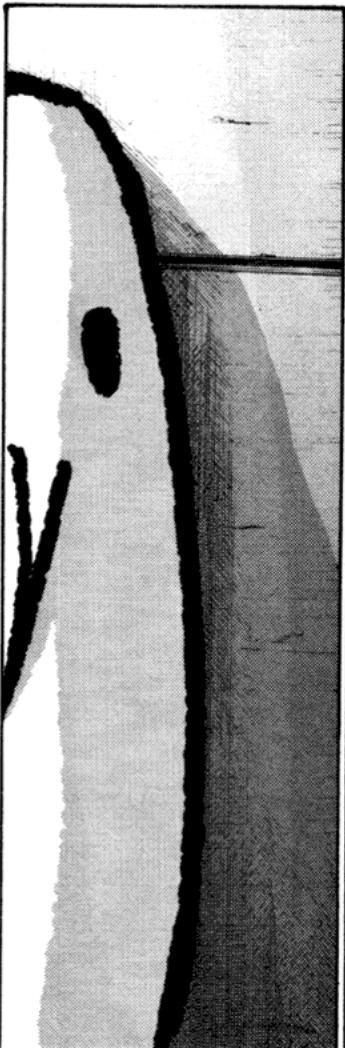

10

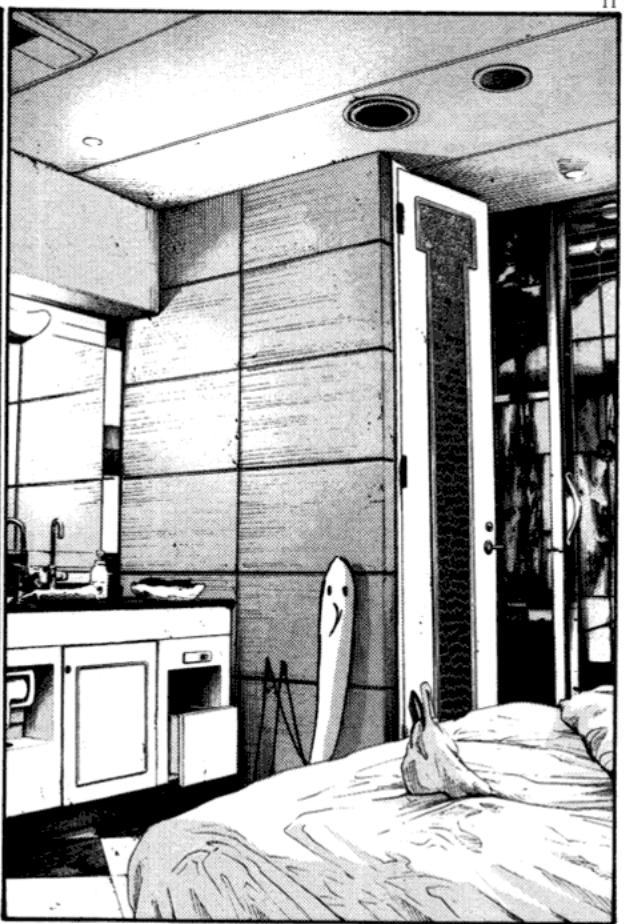

Punpun
realized

11

He had
been
defeated
...by
every-
thing.

He was
tired...

Of every-
thing.

14

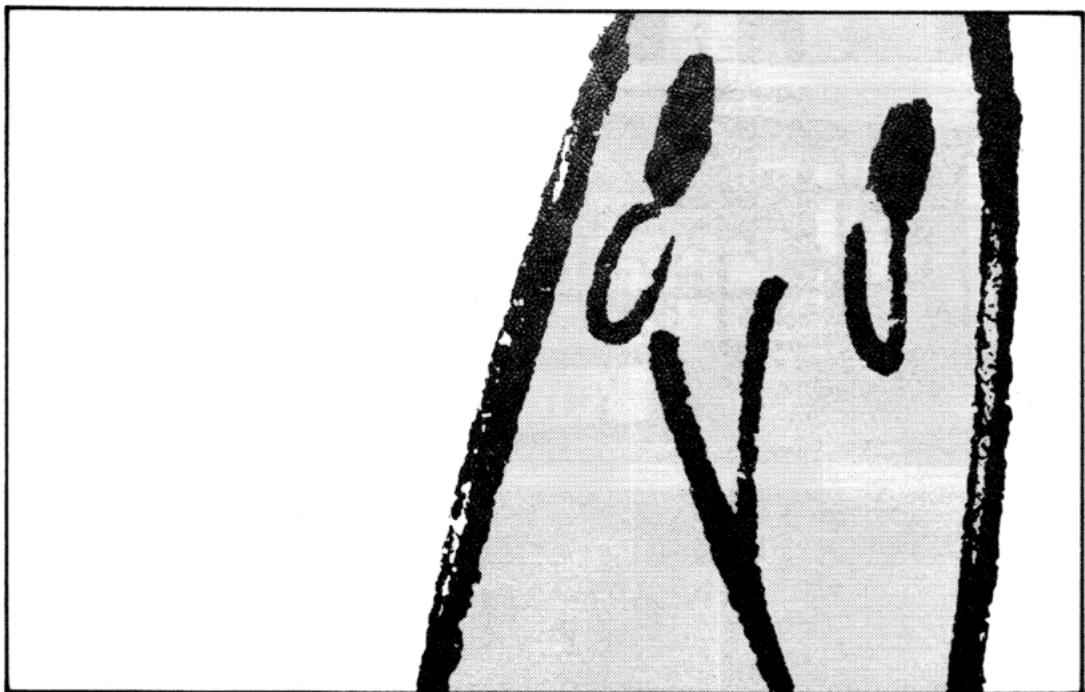

The nihilism expelled itself along the prostate gland's
galactic railroad, through the urethra, accompanied
by the blood-stained semen, and out into the gutters.

May's daybreak joined with the cool, biting winds,
to foretell summer was almost here.

Punpun no longer needed to walk around.

Summer would still come even if he stayed completely still.

15

Summer will be fun to look forward to....

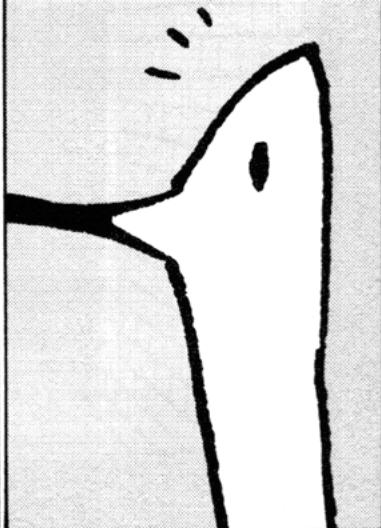

16

...Unfortunately, the same couldn't be said for the still-hospitalized manager who originally recommended Punpun to get his driver's license.

Just endure it until you earn back the 300,000 yen you used for the driving classes.

Yes, Punpun is holding up just fine again today.

Fuck off, fuck off,
retard, dumbass,
diediedie-

Maybe once I get my license, I'll move to some other town
far, far away where nobody knows who I am.

I'll take only the minimum amount of luggage and settle
down in a town with the loveliest scenery.

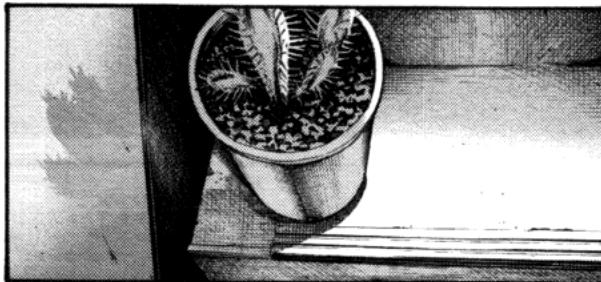

17

I won't needlessly rush myself or worry about the future once
I'm there. It'd be nice if I could one day find someone to love there.

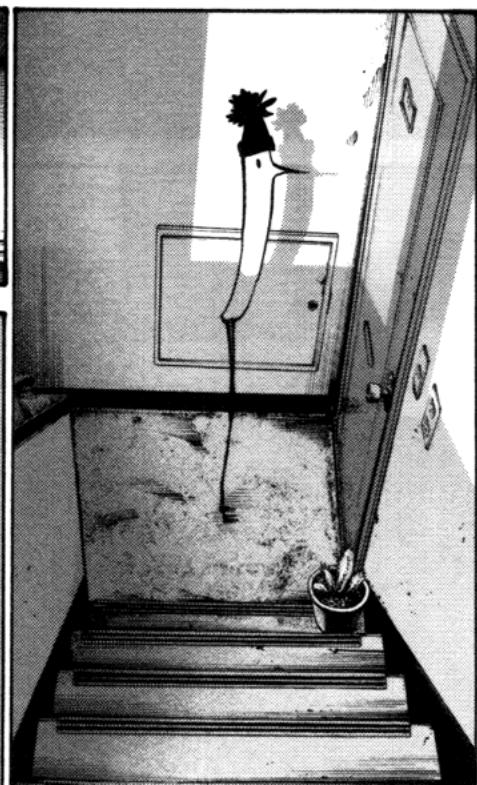

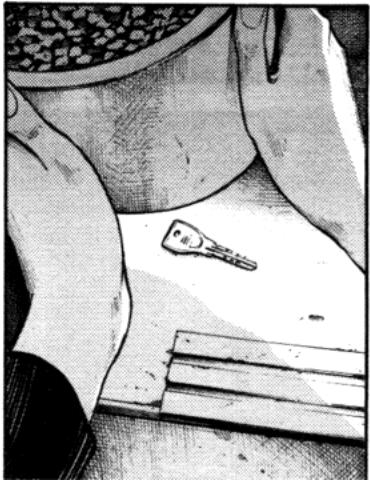

Such were the thoughts running across Punpun's mind.

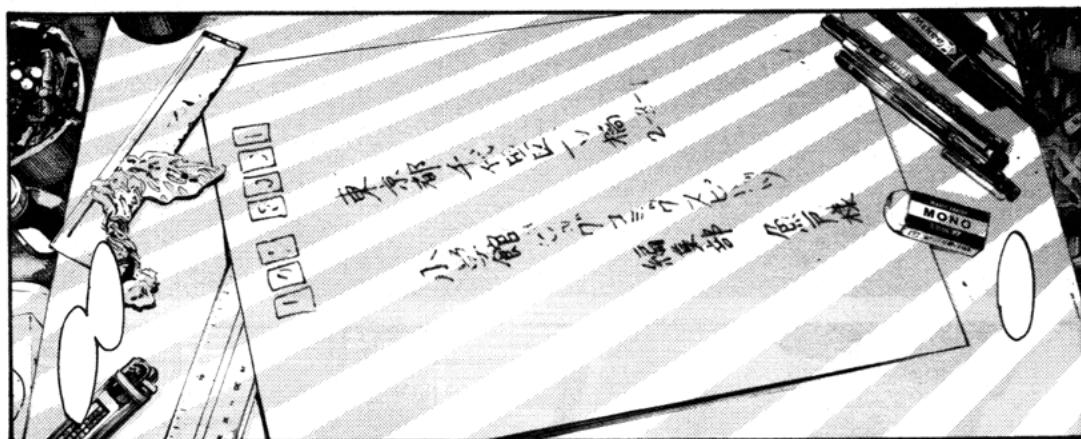

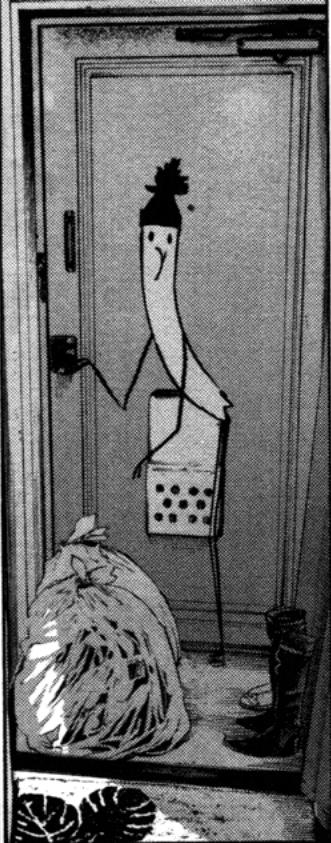

...After calming down, he realized he
was standing in front of Sachi's house.

18

The finished manuscript lied
casually on the table.

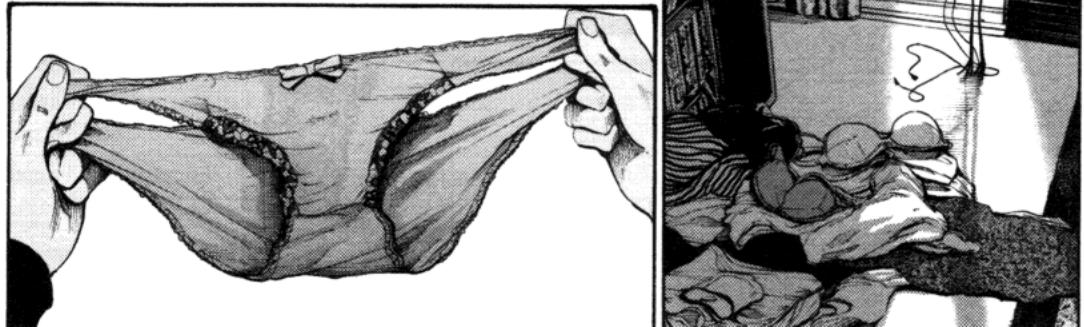

Even without his help,
the story managed to
adequately display
Sachi's talents.

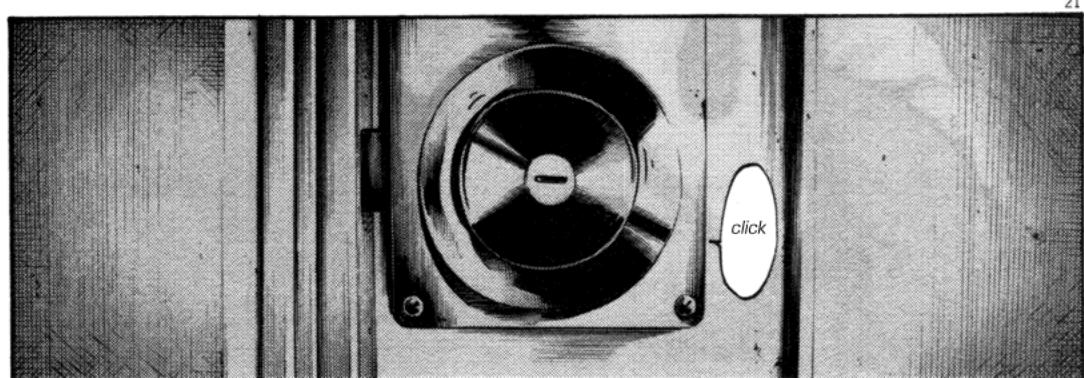

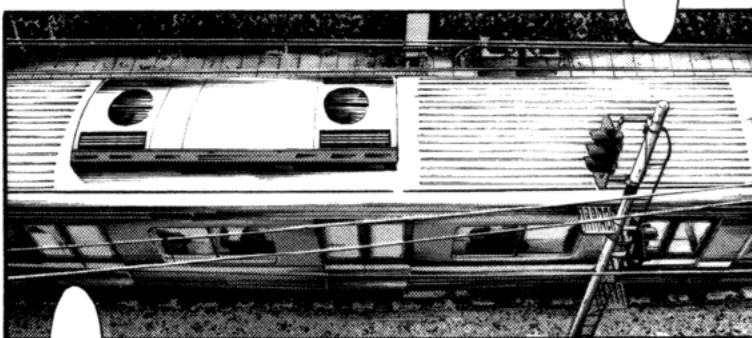

"This is good enough,"
Punpun thought.

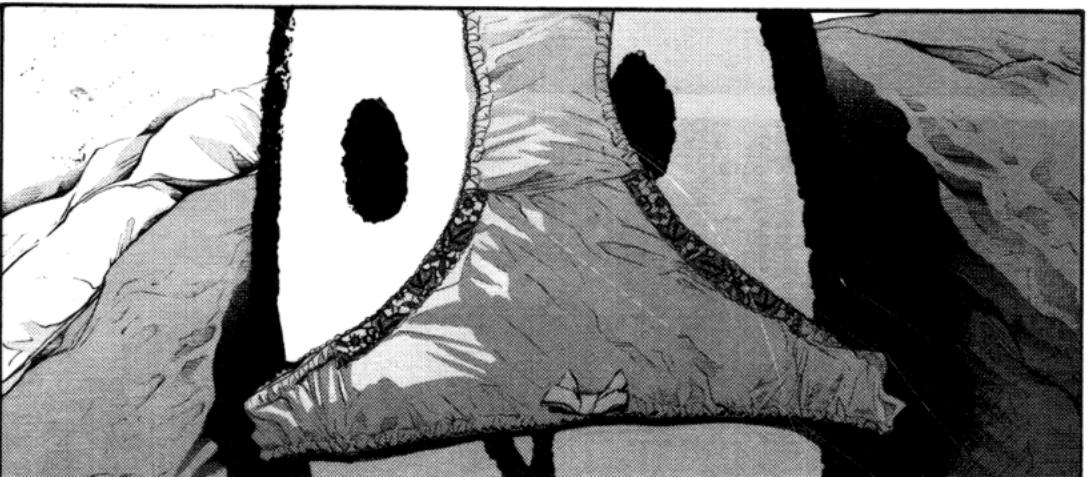

20

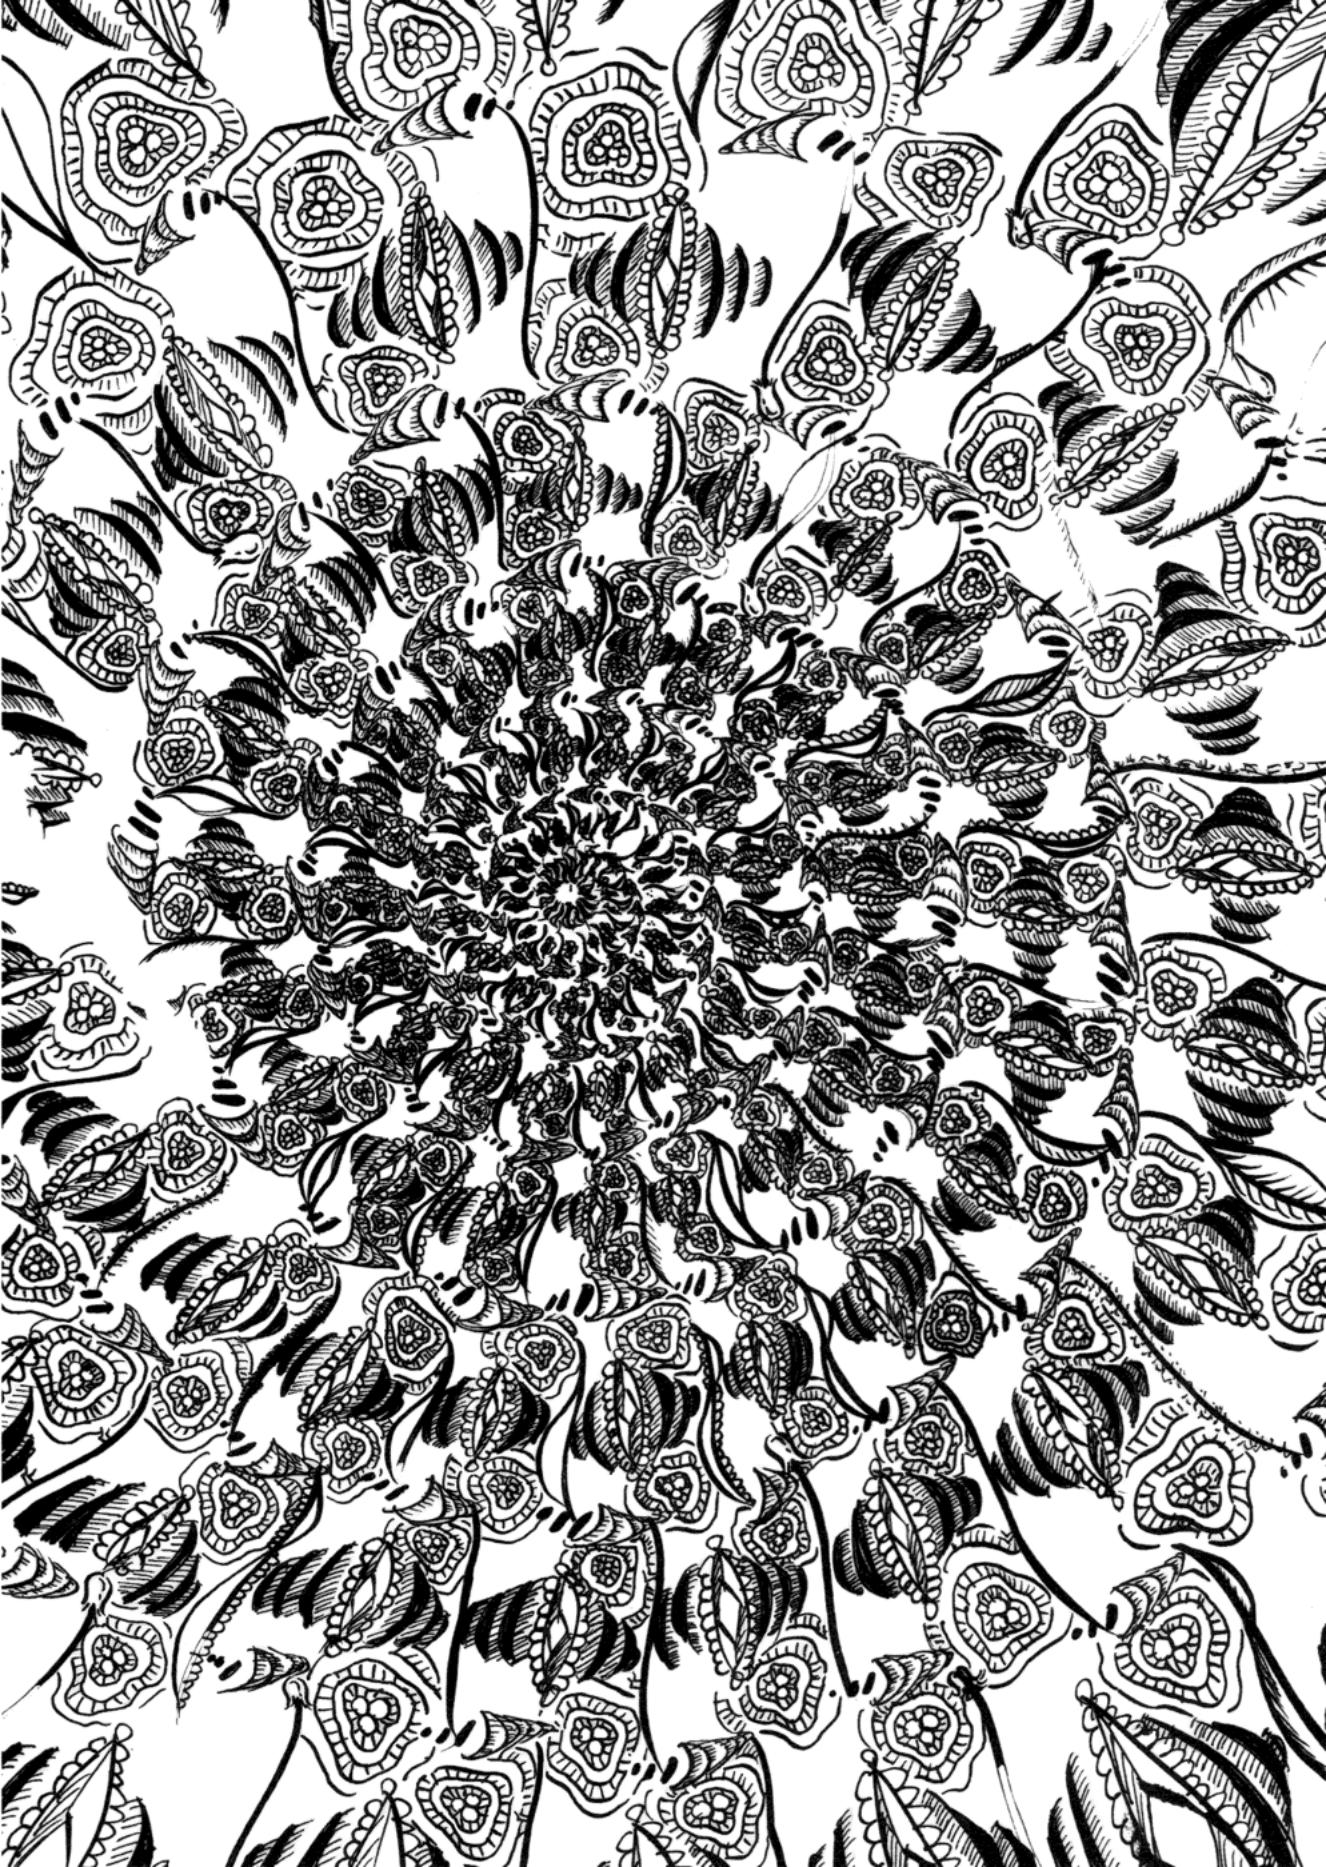

22

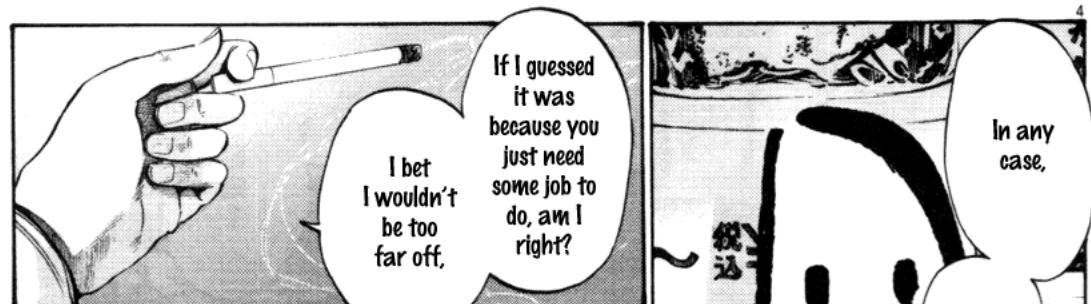

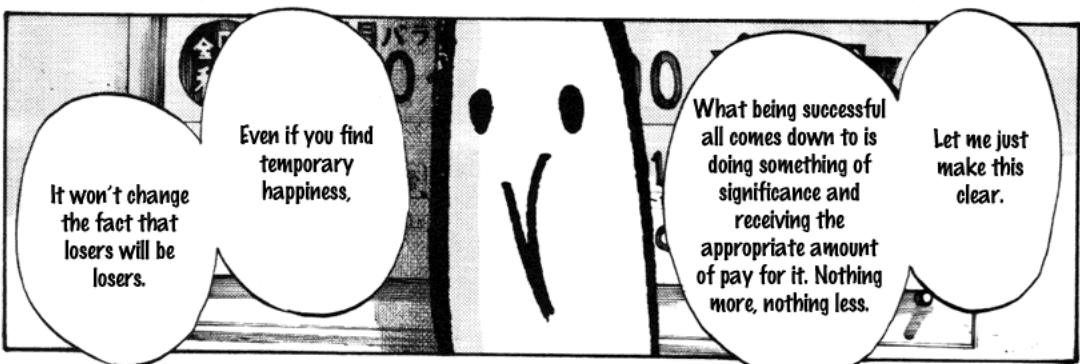

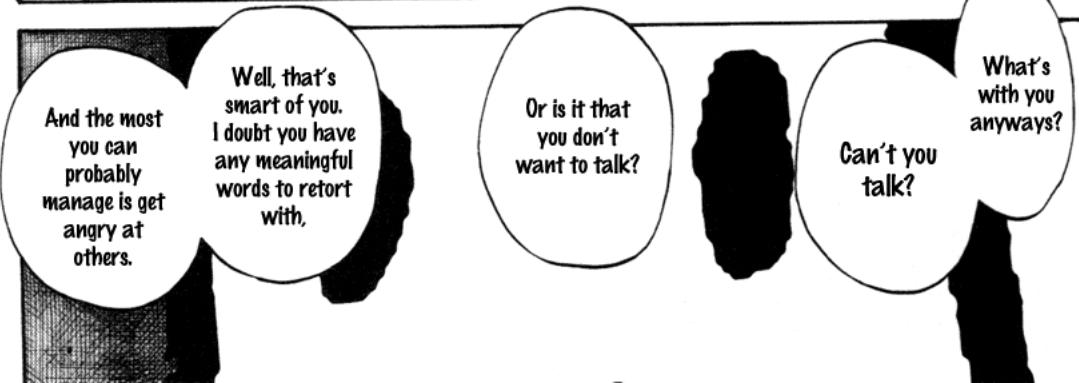

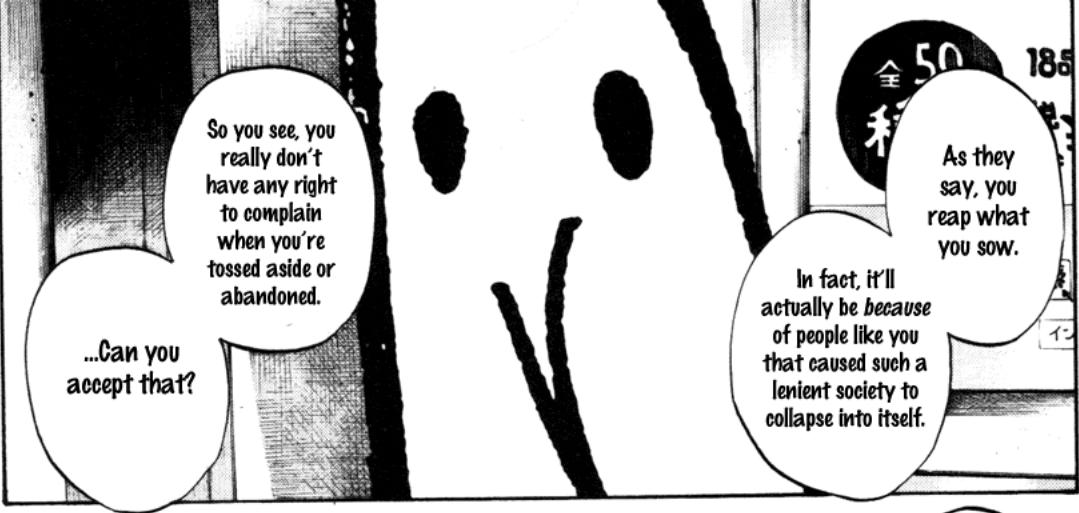

"I'm
already
perfectly
aware of
all that."

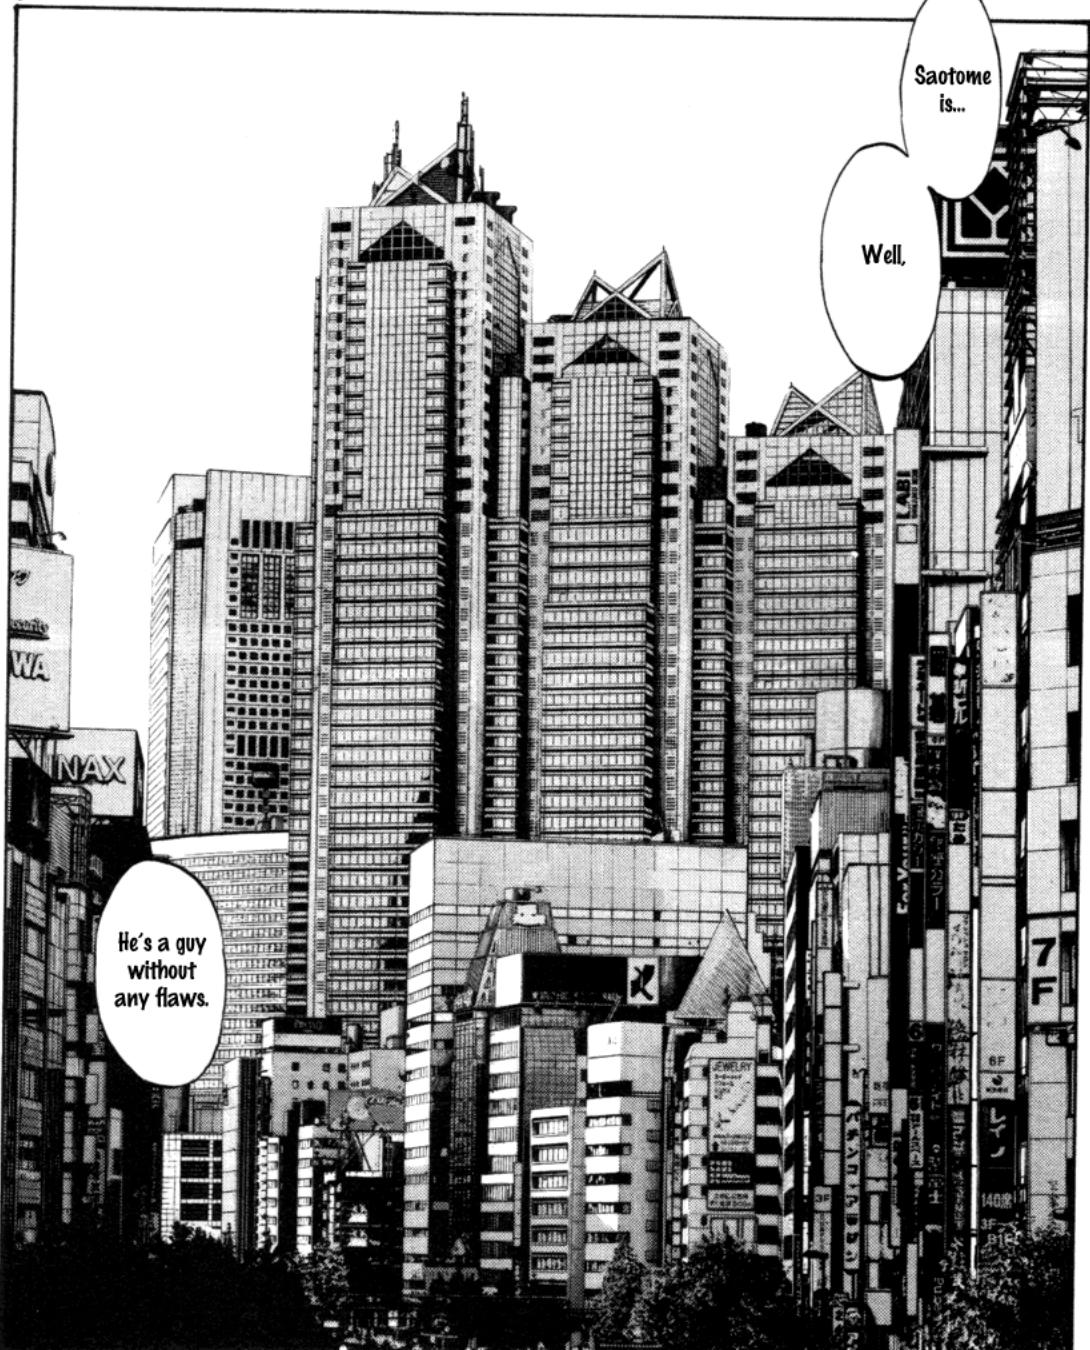

"The only thing I can really
say in response..."

8

"Is that you and I are people who
can never get along. That's all."

9

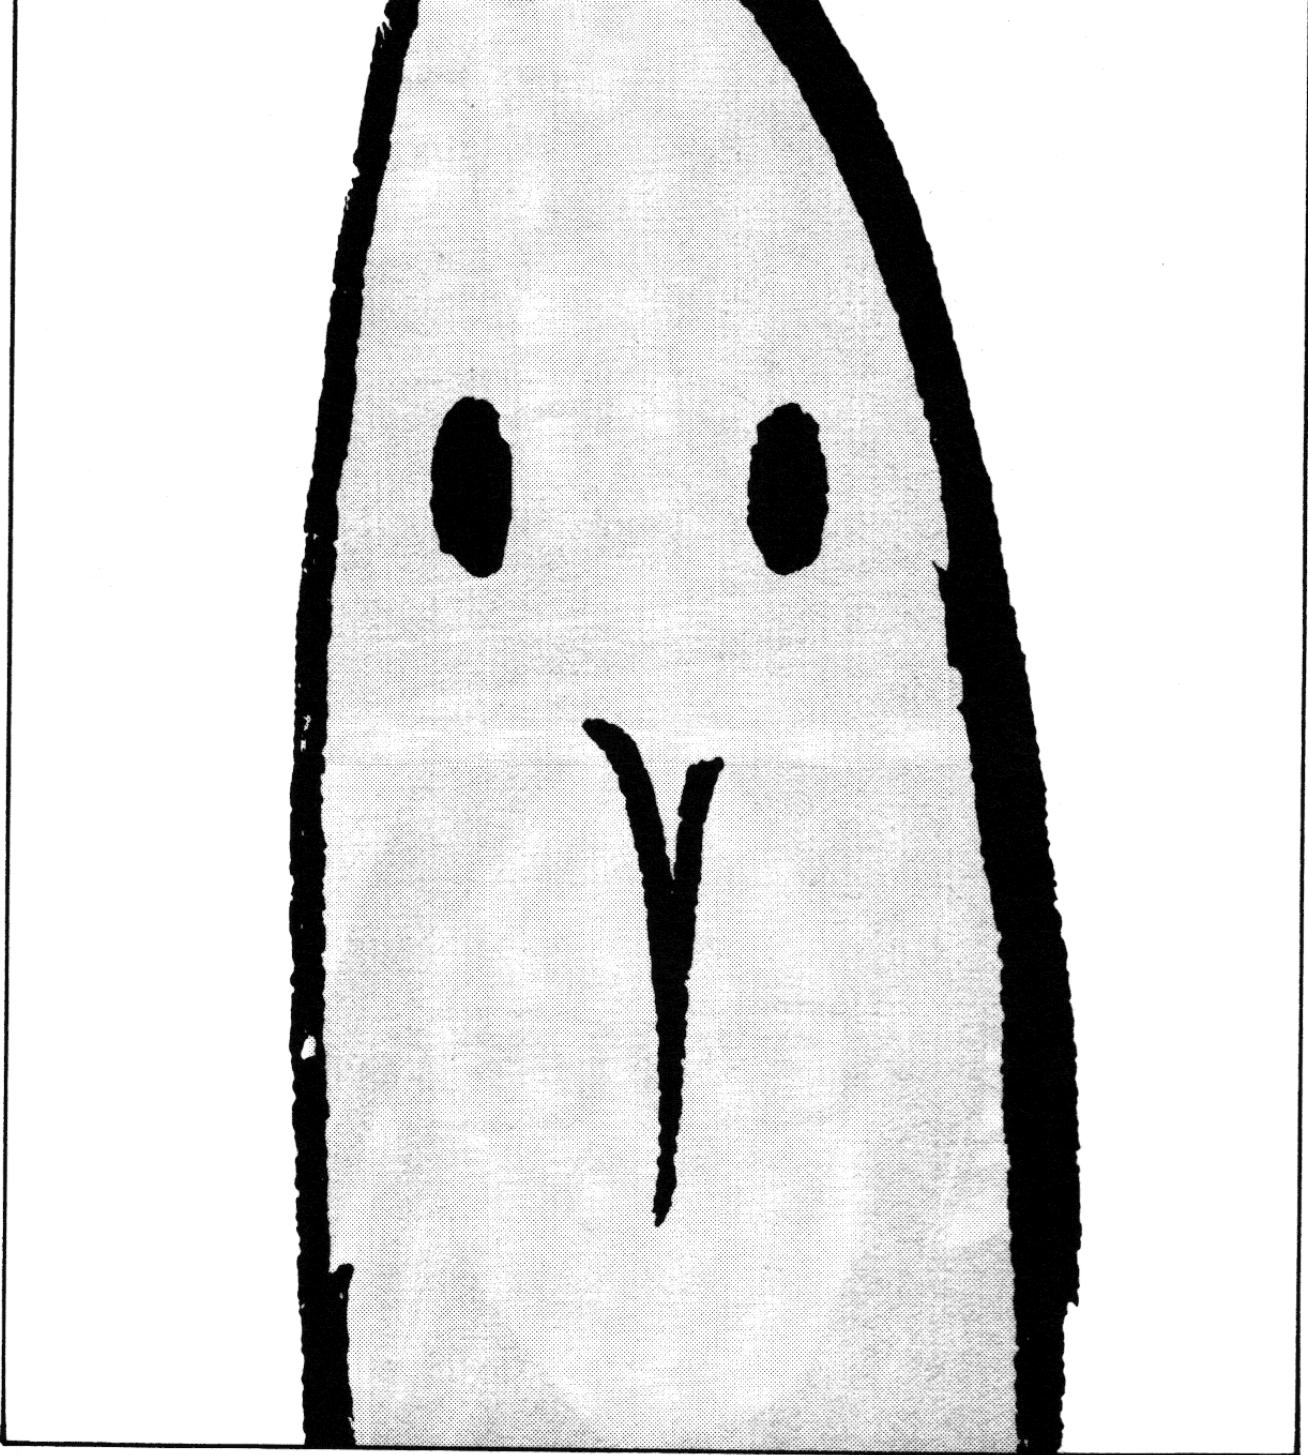

11

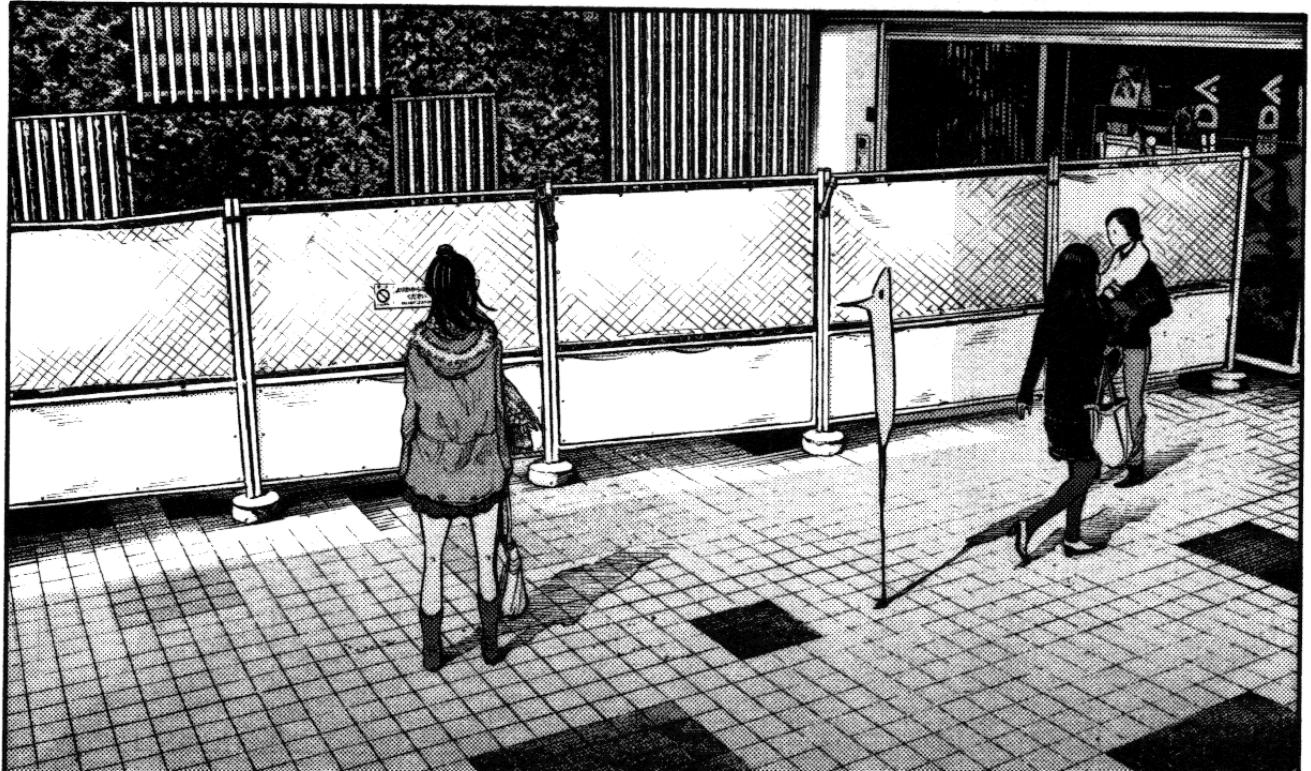

12

13

15

"Who's more
important
to you, your
ex-husband
or me?"

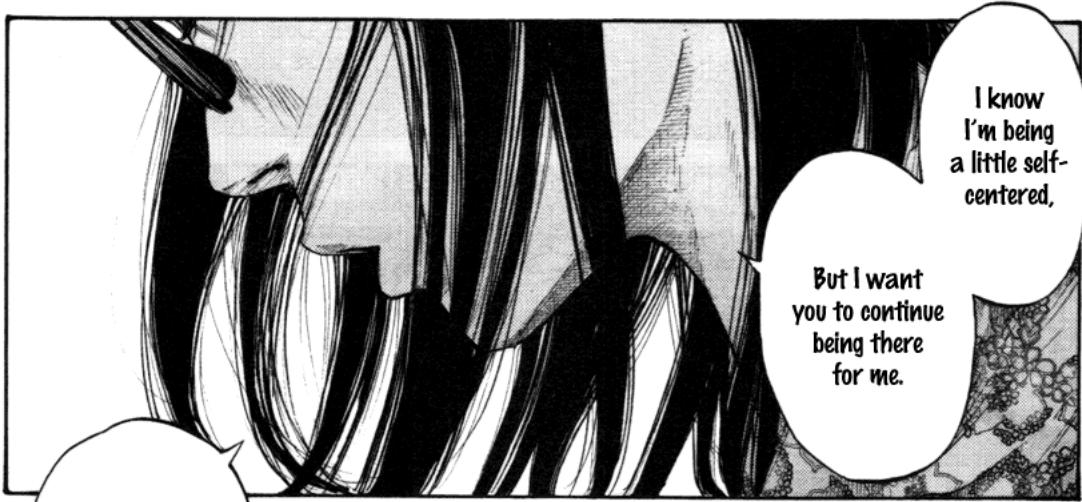

"Sachi..."

"...You don't have to answer if you don't want to.
It's just a selfish request of mine."

...Those words carved deeper into her already vulnerable heart.

All he could do was silently stand there and support her, he thought.

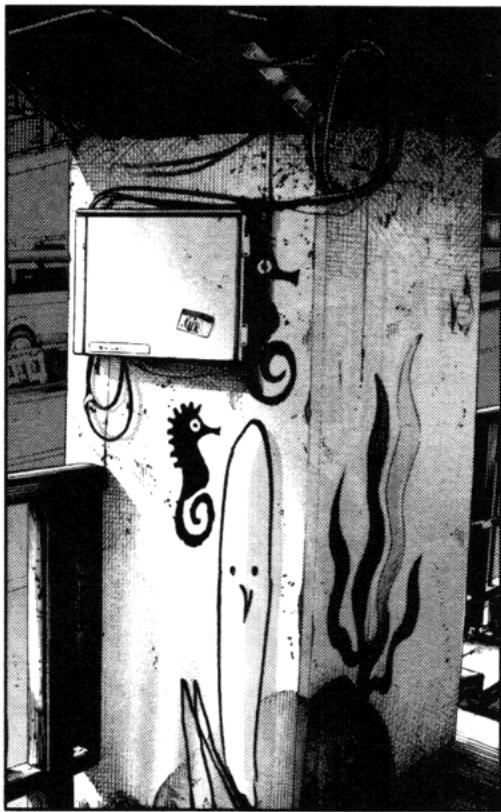

19

To that, Punpun quietly replied,

"...yes."

"YOU REAP WHAT YOU SOW"

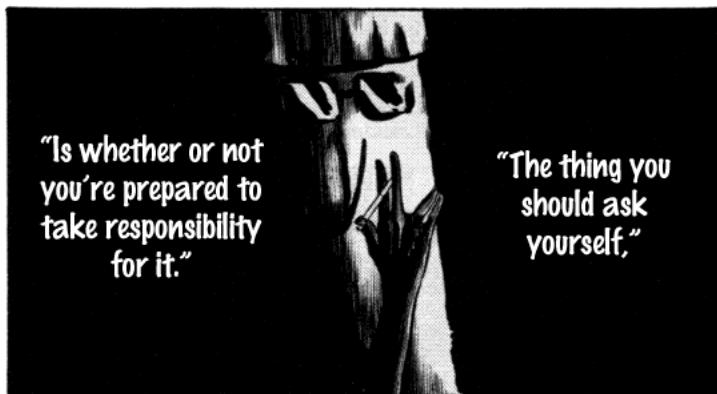

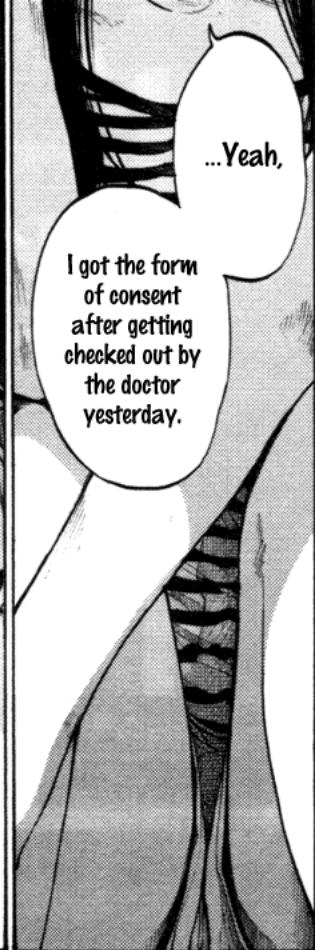

Those words his uncle once said now rang over and over again in Punpun's mind.

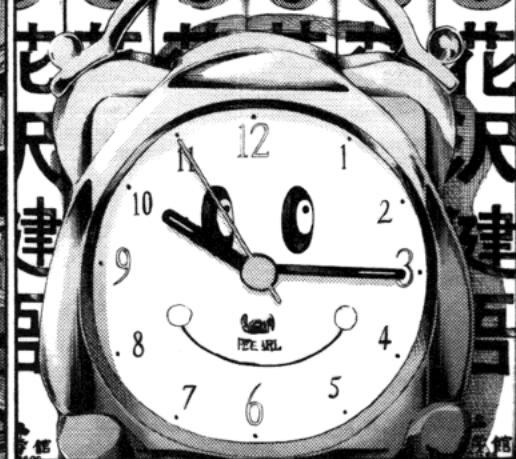

Did I wake you up?

Punpun could hardly sleep for the last several days.

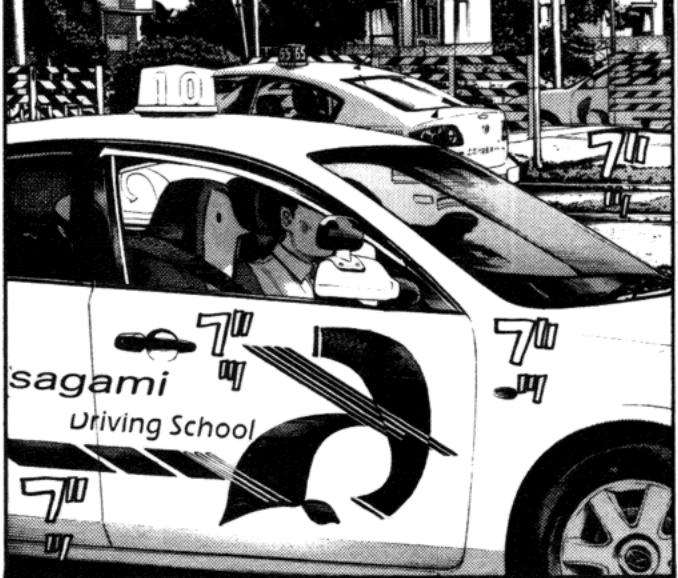

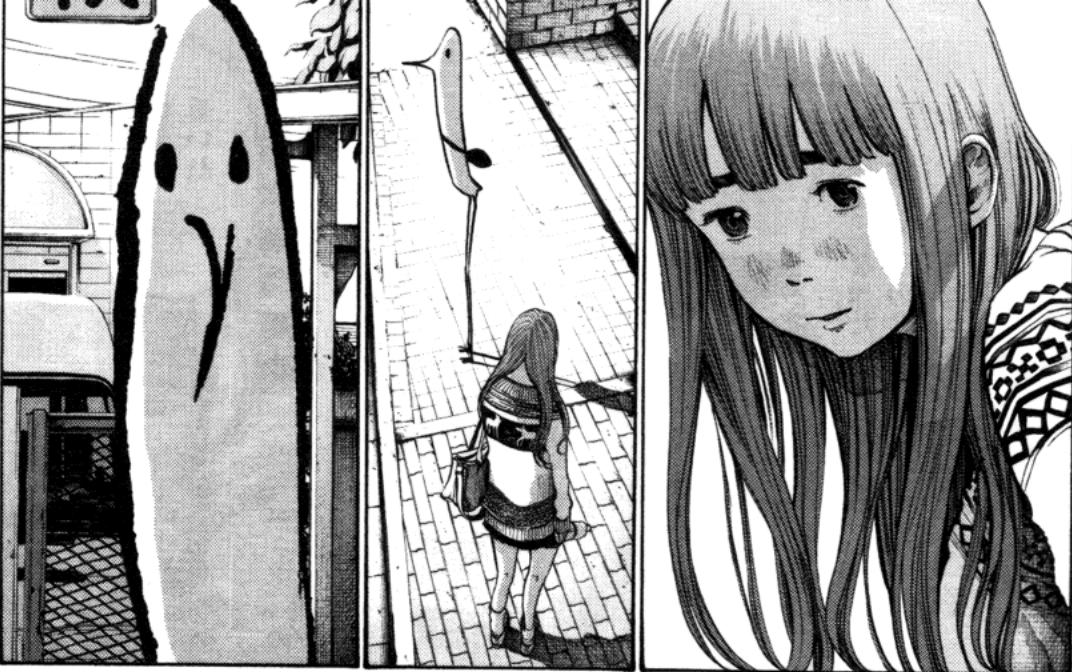

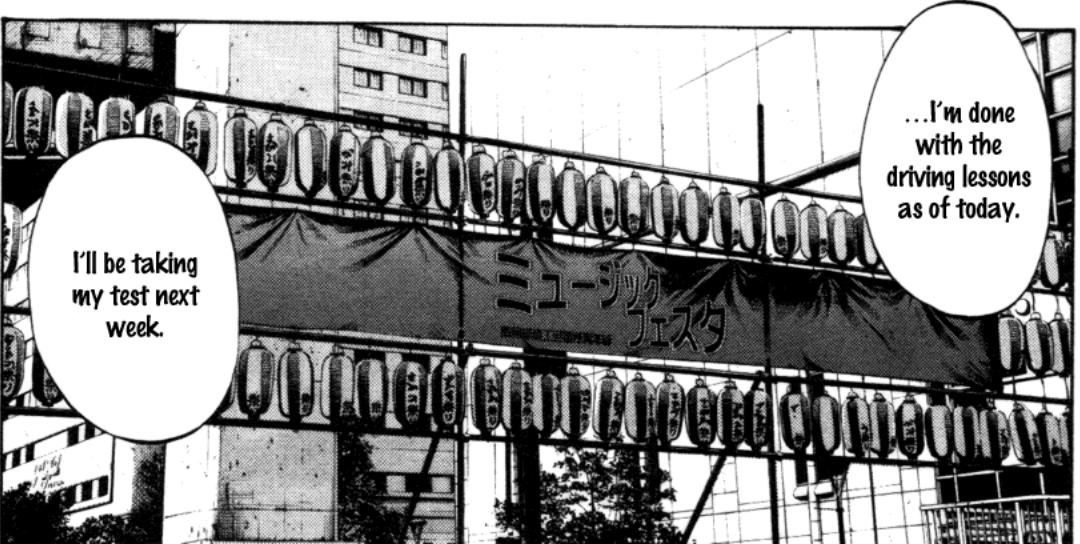

Once Sachi's surgery is done and
I get my driver's license, I'll go live
somewhere far away by myself.

"Do you... have some spare time to talk?"

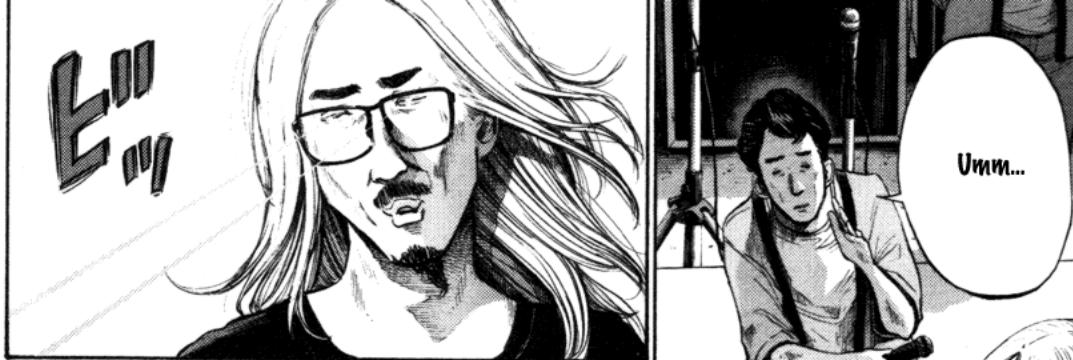

8

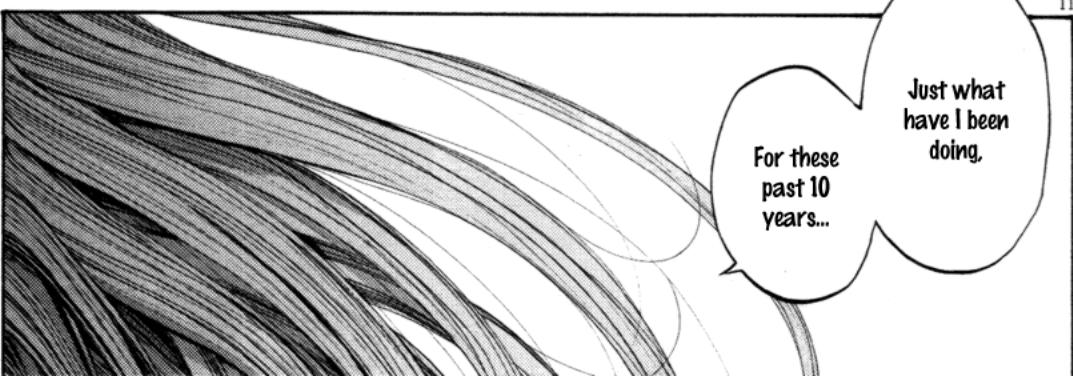

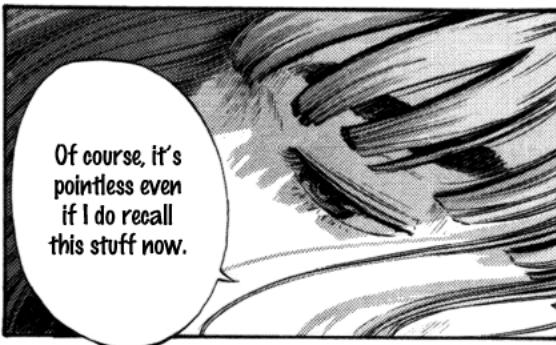

10

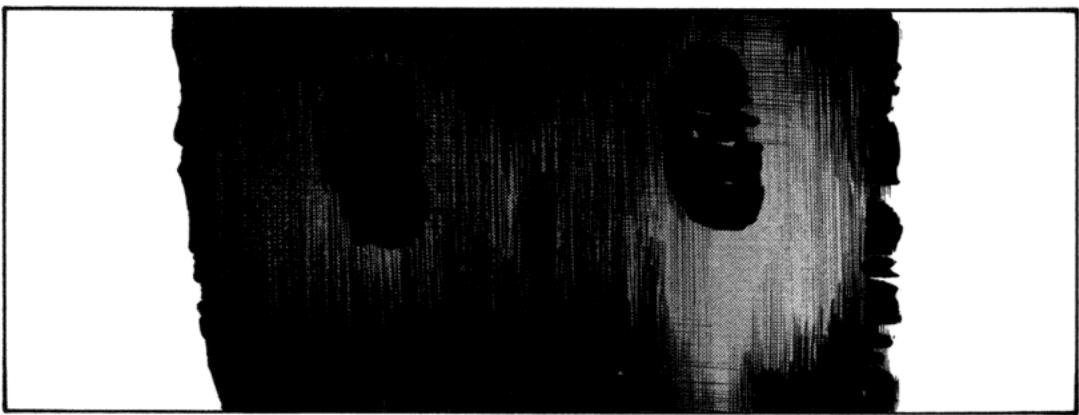

12

"My..."

13

"My name's not actually Fujikawa.
It's Onodera..."

"I'm not actually in university, nor do I play indoor soccer, nor do I even have a girlfriend... I'm not really all that happy with my life, nor do I particularly hate it. I'm just a bum pointlessly living each day after day..."

No actually, saying that would be offensive to real bums,
who are still far less worthless than I am."

"For the last 10 years... I've been searching for you. Like an idiot, that's all I really did. But now that I have found you and realized you're not the Aiko I was looking for... I have mixed feelings of sadness, anger, and regret..."

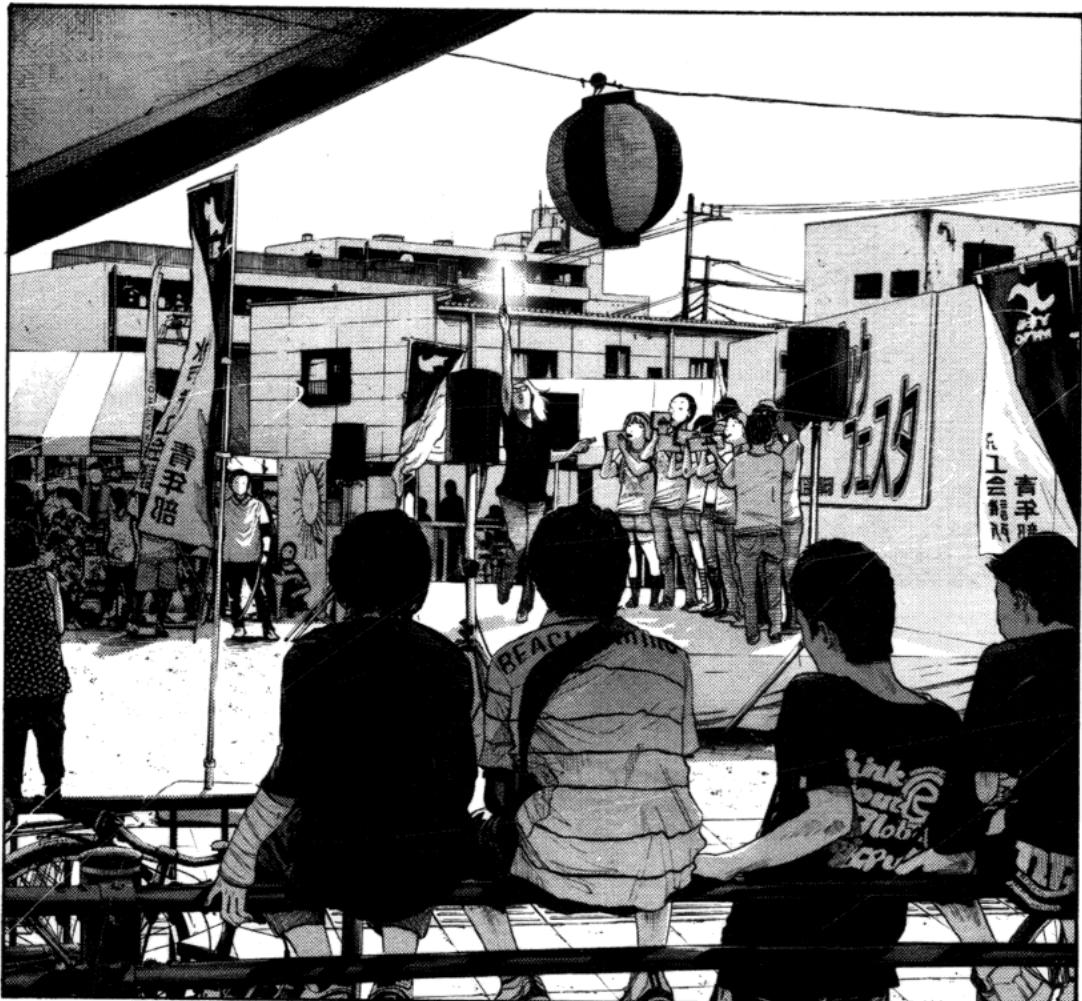

"The guilt from breaking the promise to go to Kagoshima with you on that day still remains with me and has stripped me of all my self-confidence, leaving just an empty, worthless husk that you see right now."

15

"No... It might be more accurate to say that I only conveniently blamed you for everything that's gone wrong with my life so far..."

"...But my eyes have finally been opened now.
To see that you've grown into a well-adjusted
person unlike me is... Well..."

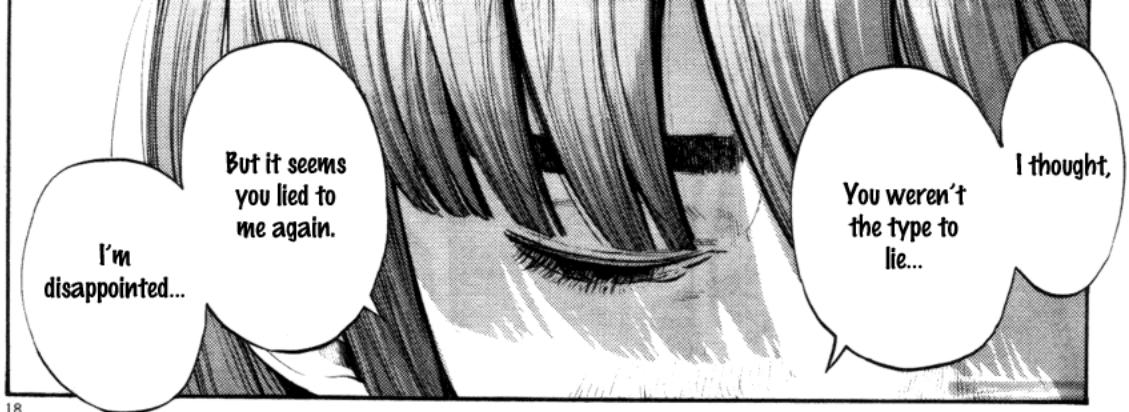

"...I'm glad I had the chance to meet you again."

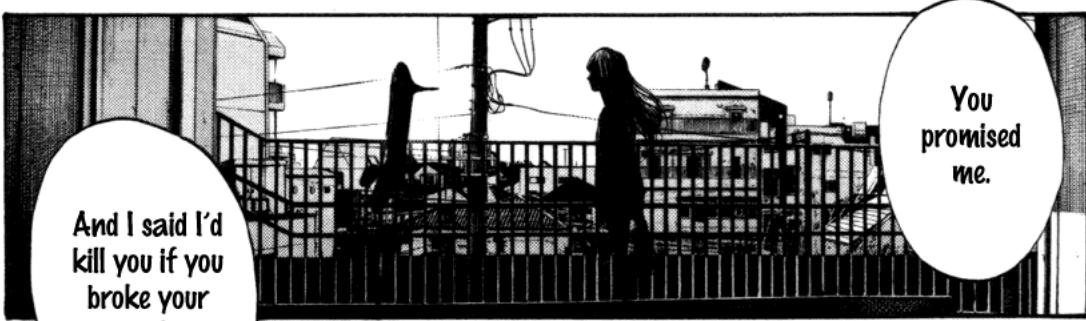

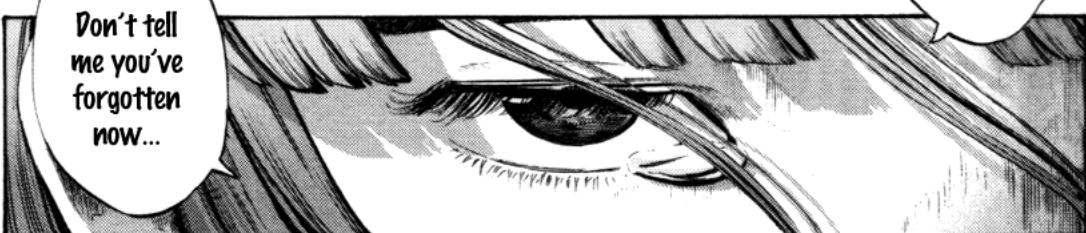

17

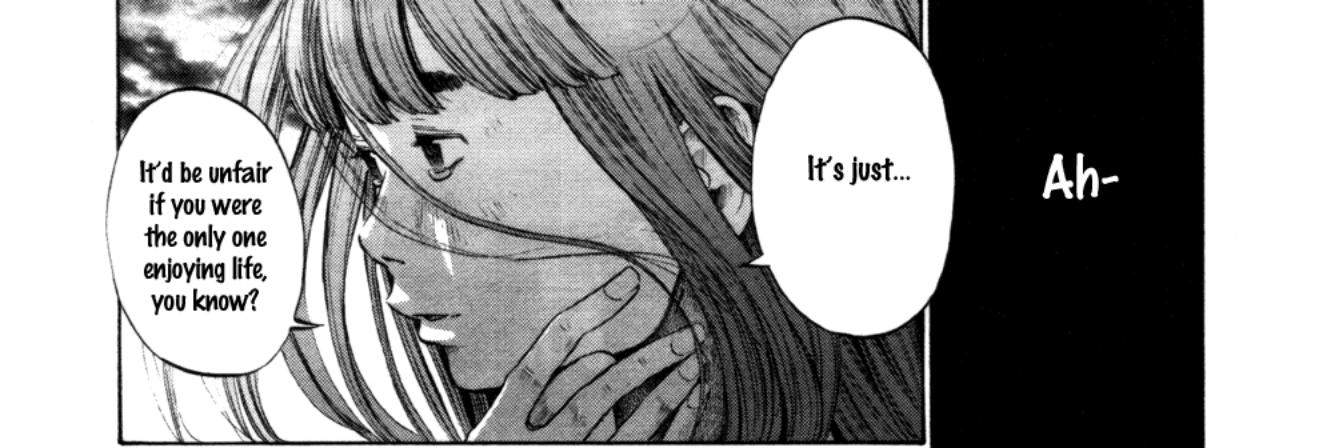

18

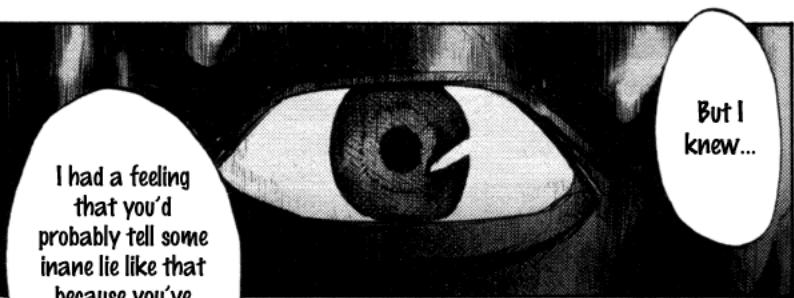

It'd be unfair
if you were
the only one
enjoying life,
you know?

It's just...

Ah-

I had a feeling
that you'd
probably tell some
inane lie like that
because you've
always been so
stupid.

But I
knew...

Ah-

Punpun...

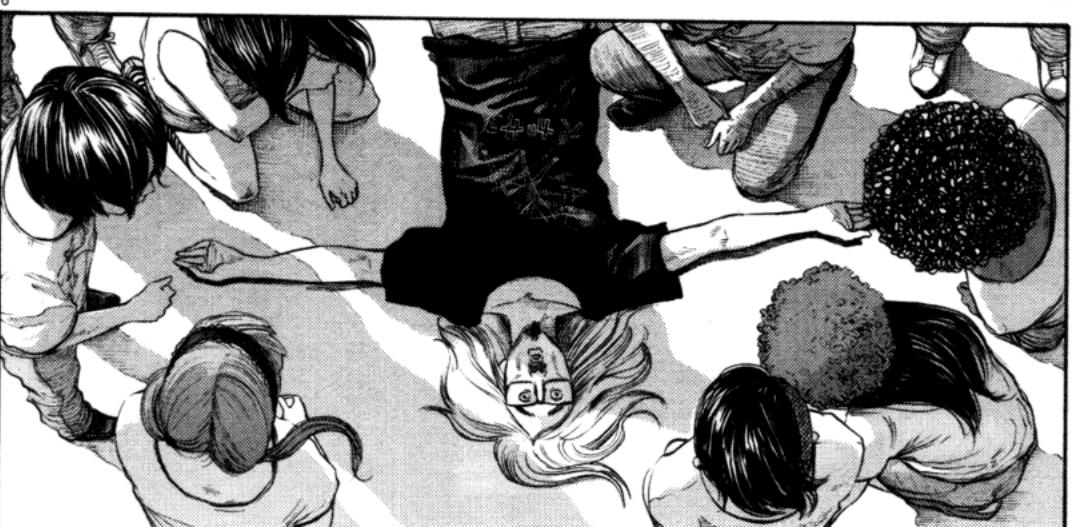

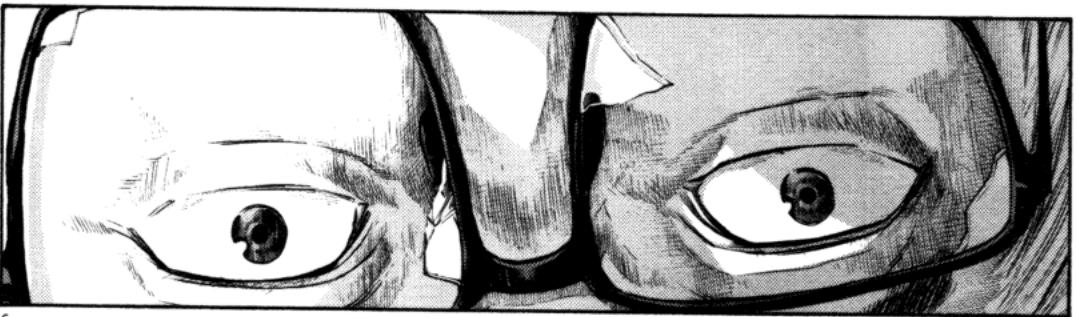

Hey,

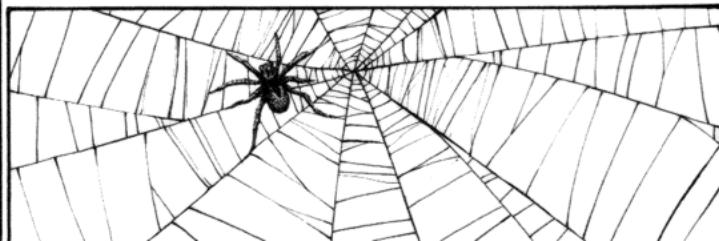

AH

Thanks,

For waiting
for me all
this time...

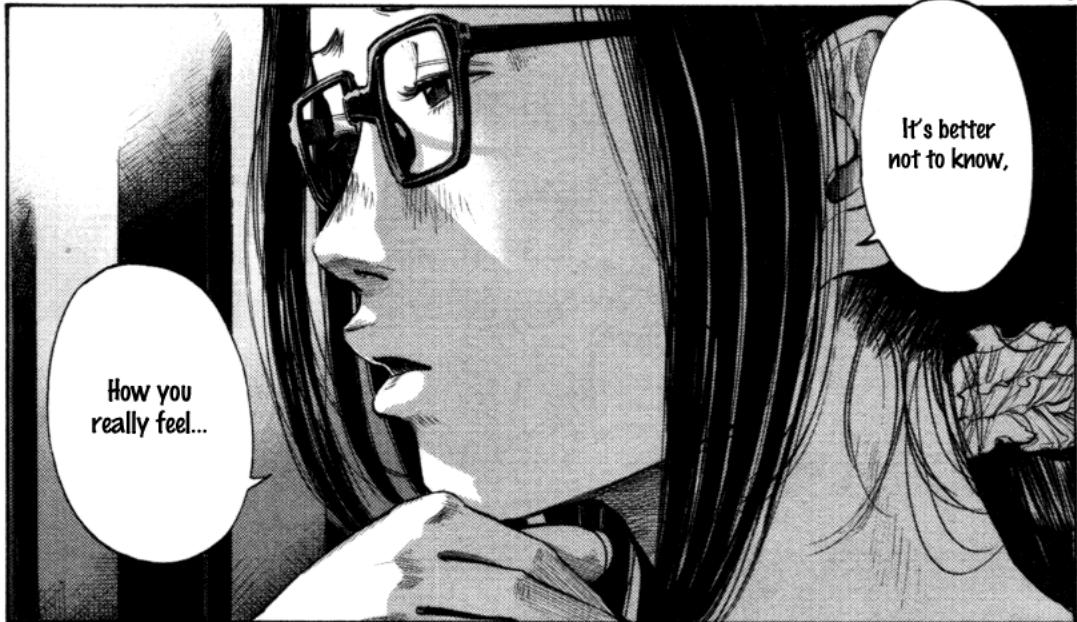

9

10

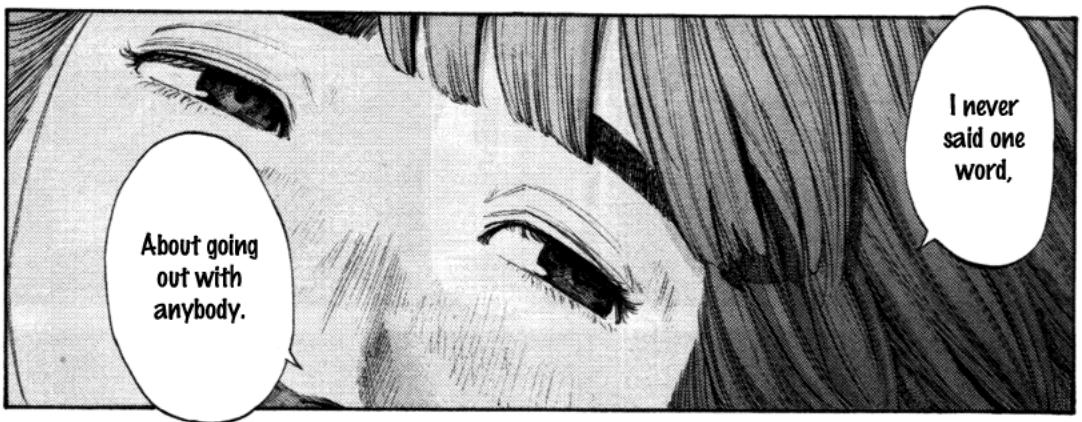

"Umm... Why did you agree to come to
my place so easily...?"

"I... don't really have any intention of
going out with anybody right now..."

Wait just a second, now...

I never said one word,

We're not kids anymore,

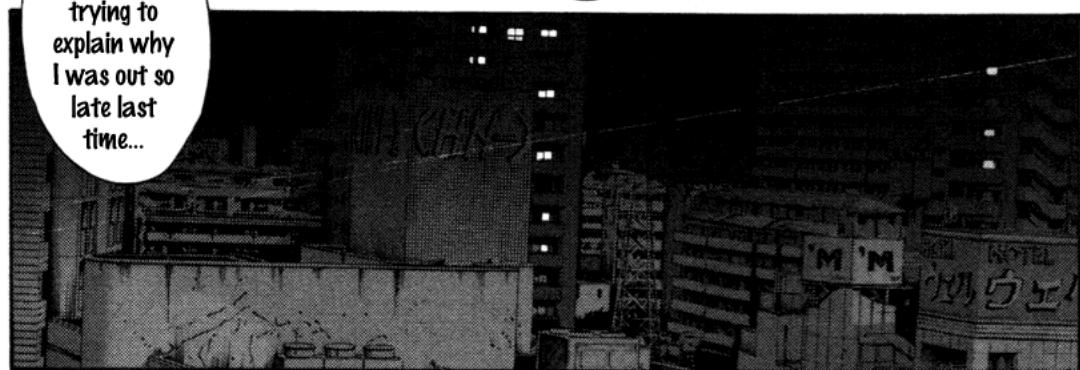

So things like that can't be decided so simply anymore...

Punpun wanted to say something –

Anything at all...

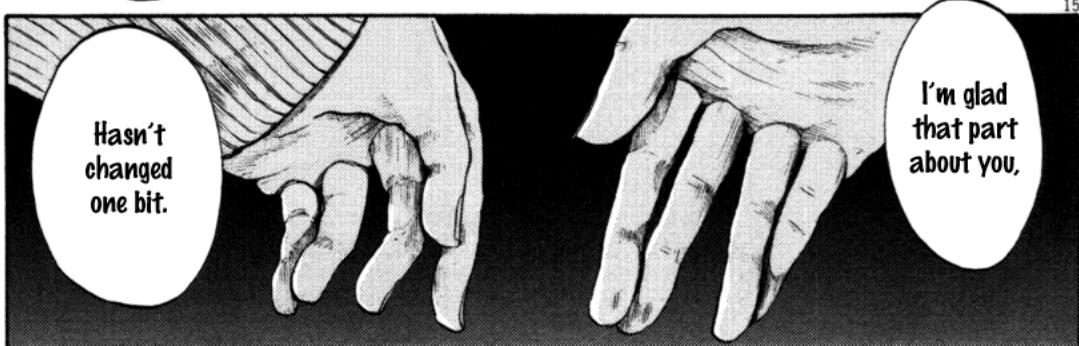

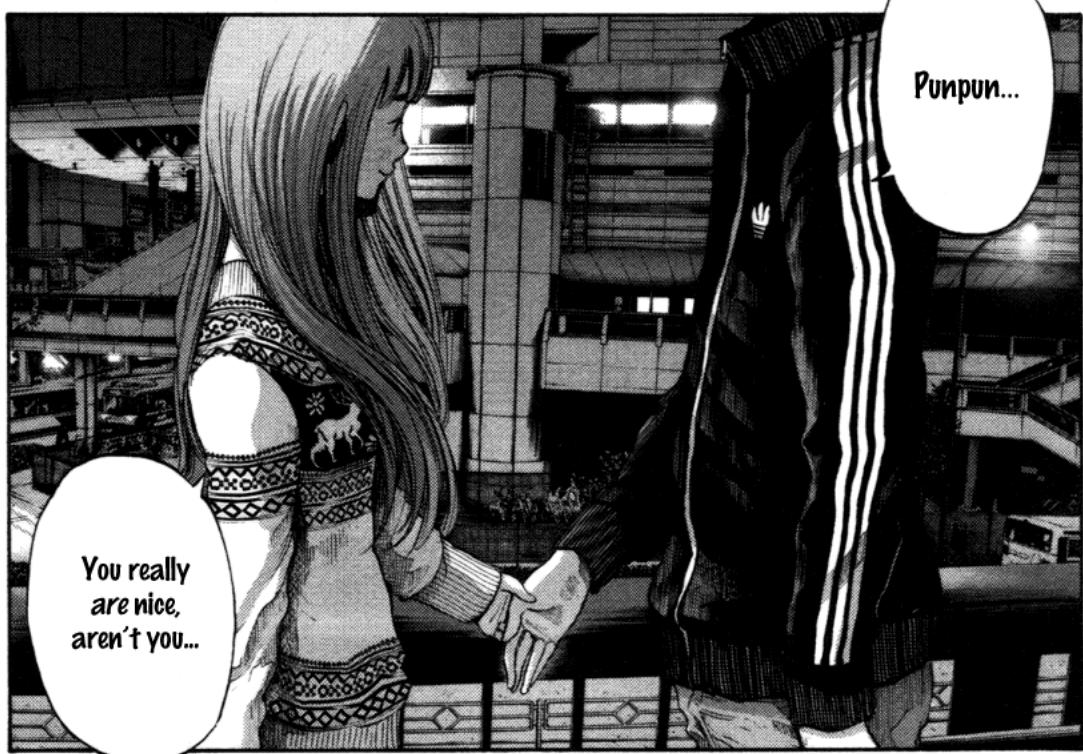

But he could not find any words to say.

14

"Should I go and apologize to your mother...?"

16

Punpun
realized
at that
moment...

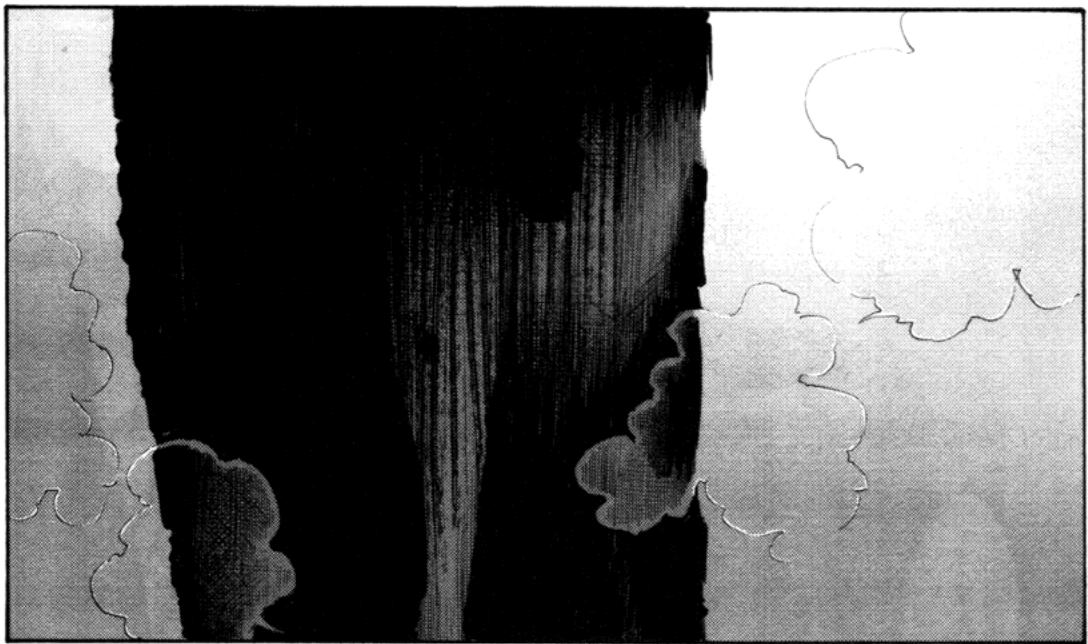

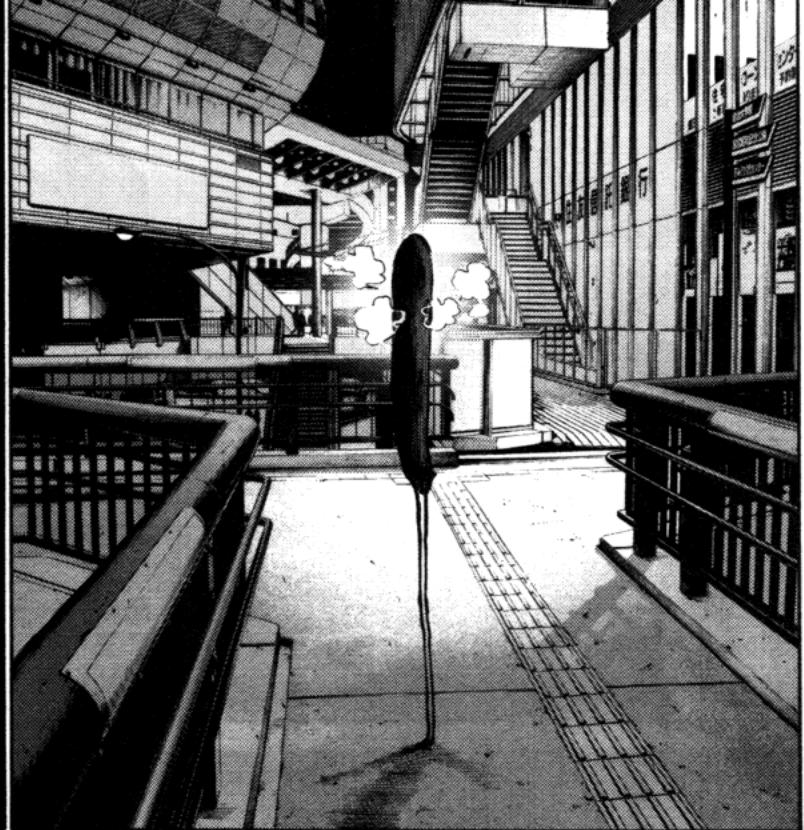

Because,

See you
soon,

Punpun...

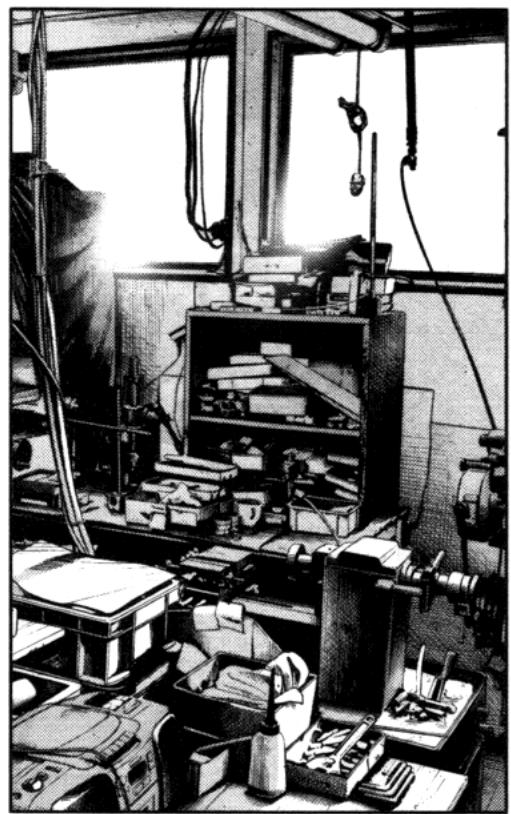

My heart is...

That the spell
Aiko cast on
him wasn't
something that
he could free
himself from
easily.

...Why is everyone so self-centered in their actions?

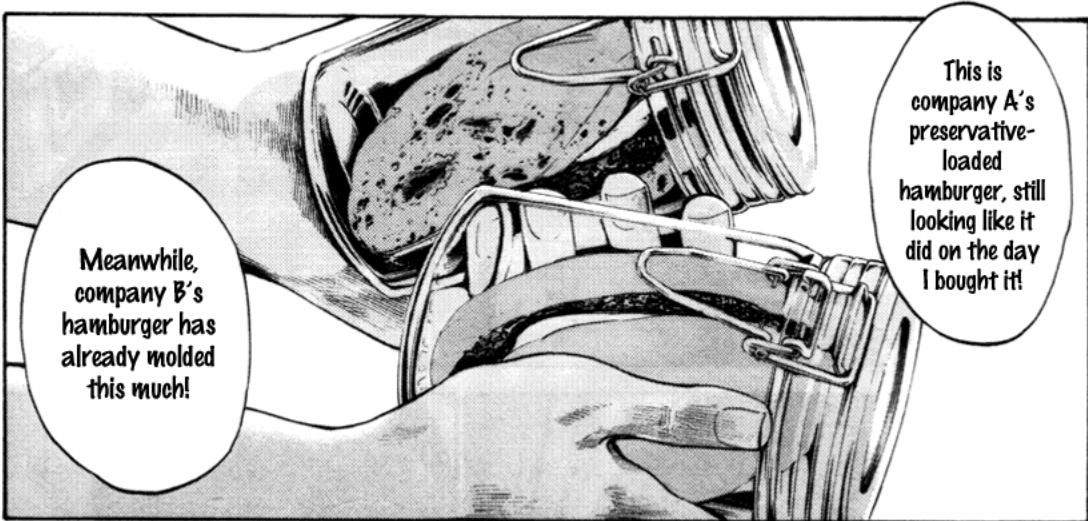

Take a
look at
this!

Aiko!
C'mere for
a second!

Meanwhile,
company B's
hamburger has
already molded
this much!

This is
company A's
preservative-
loaded
hamburger, still
looking like it
did on the day
I bought it!

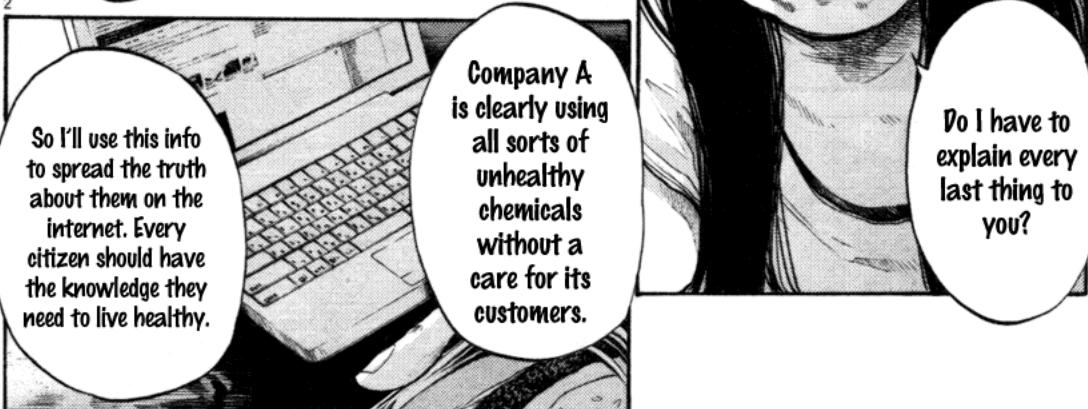

What
about
it?

Mom?

Oh...

563236910953
5607010953
1208810953
14091208

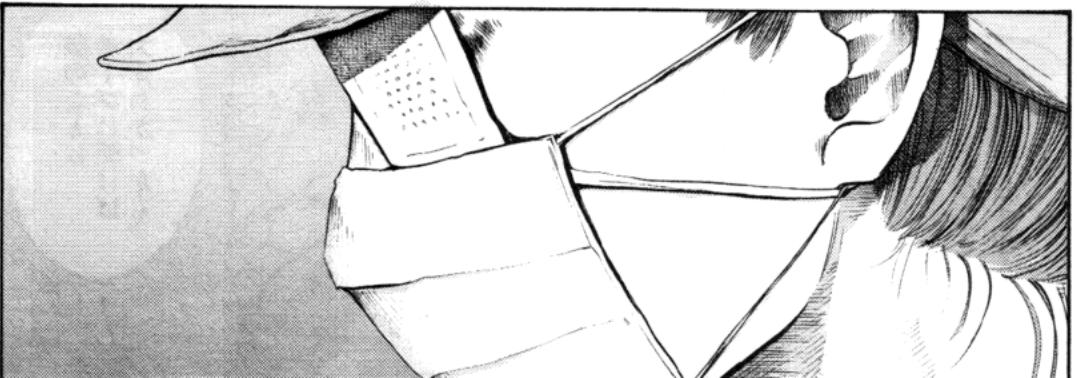

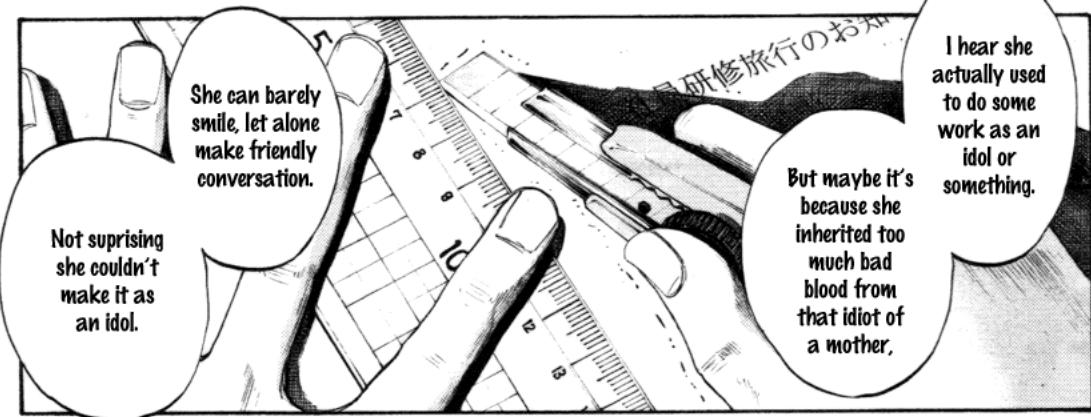

Huh?

Uhh...

I was told
I'd be working
together
with you,
Tanaka...

6

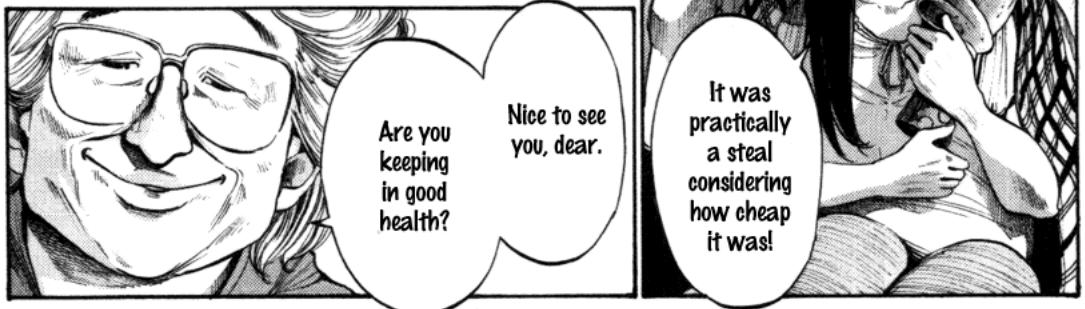

I'm not sure if I can just silently standby and watch you abuse a fellow co-worker!

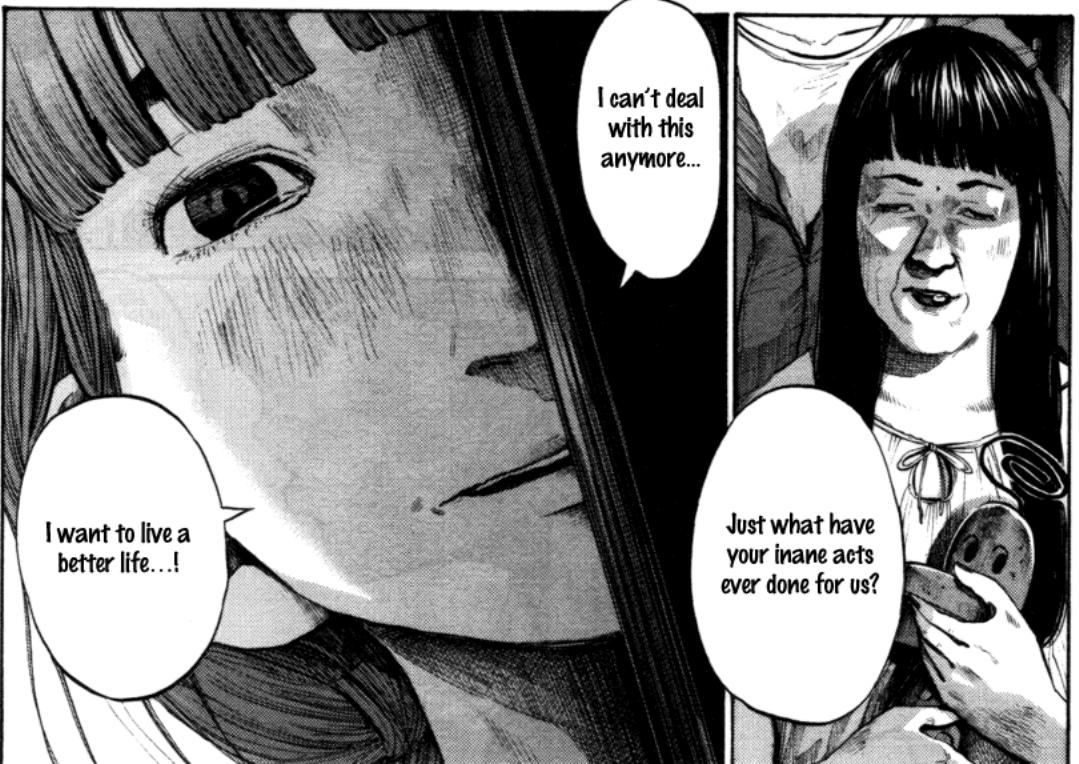

8

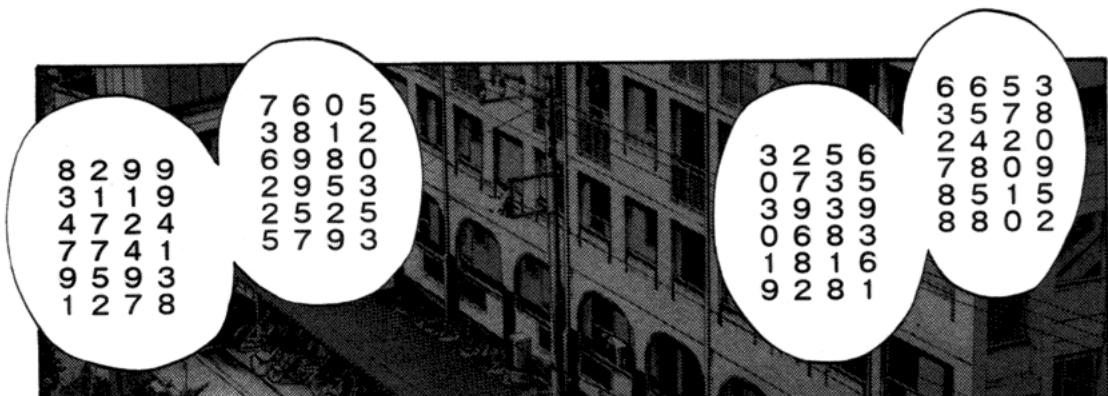

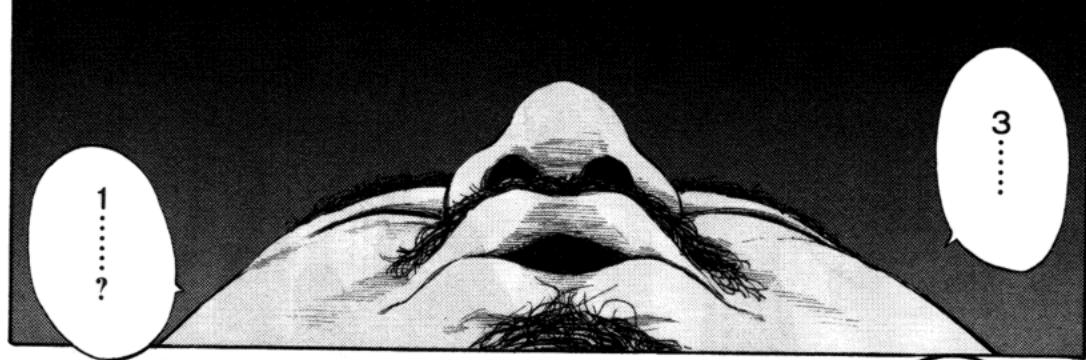

10

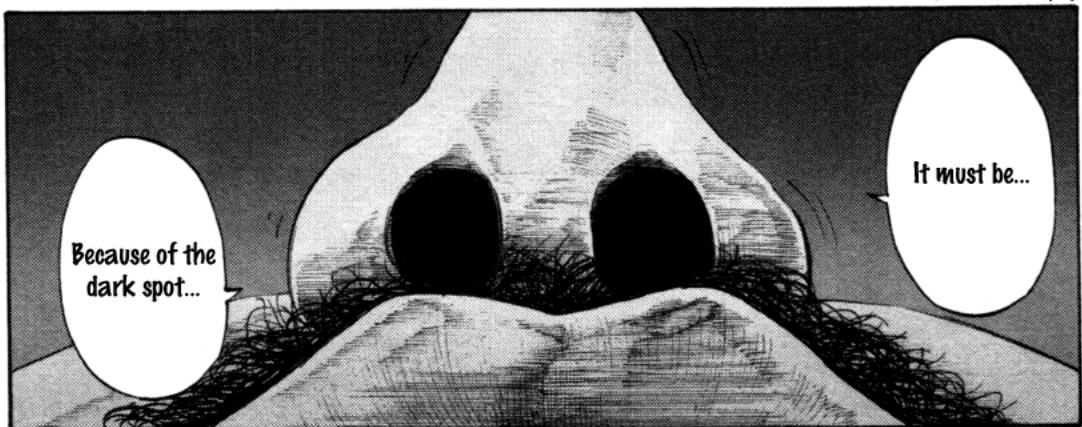

11

*The universe is crying

13

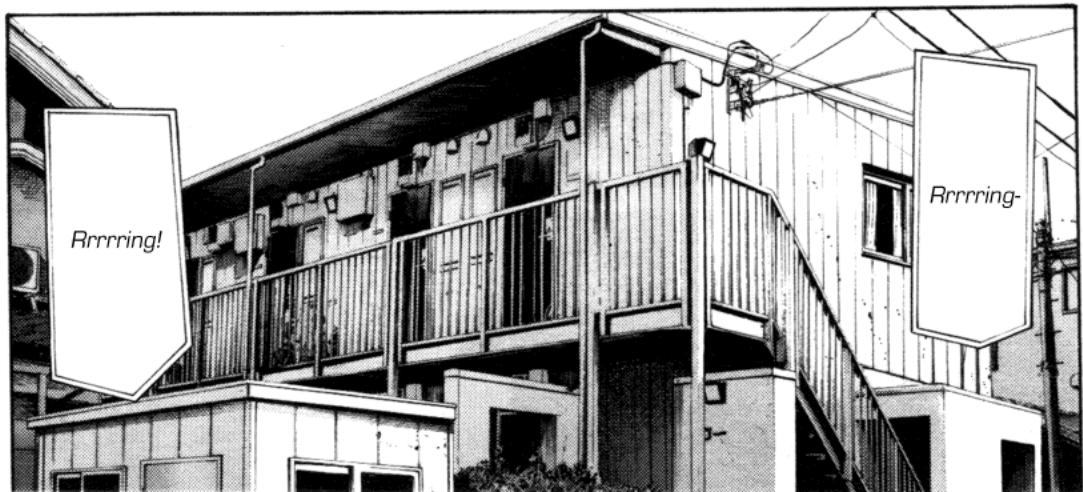

14

15

"Even now, you and I can both tell from the tone of our conversation that I don't exactly have the option of not going, am I wrong...?"

I've been taking advantage of that kindness of yours too much.

I think...

"Telling me to come, then telling me not to come... You're quite self-centered, aren't you..."

So please don't get angry at me right now.

I'll admit that I was the one screwed up... It's all my fault.

No...
I really mean it. You don't have to come...

17

knock

knock

"Is to know what
exactly you want.

That's all I'd like to
ask...!"

"I'm not mad, nor do
I care about whose
fault it is.

All I want..."

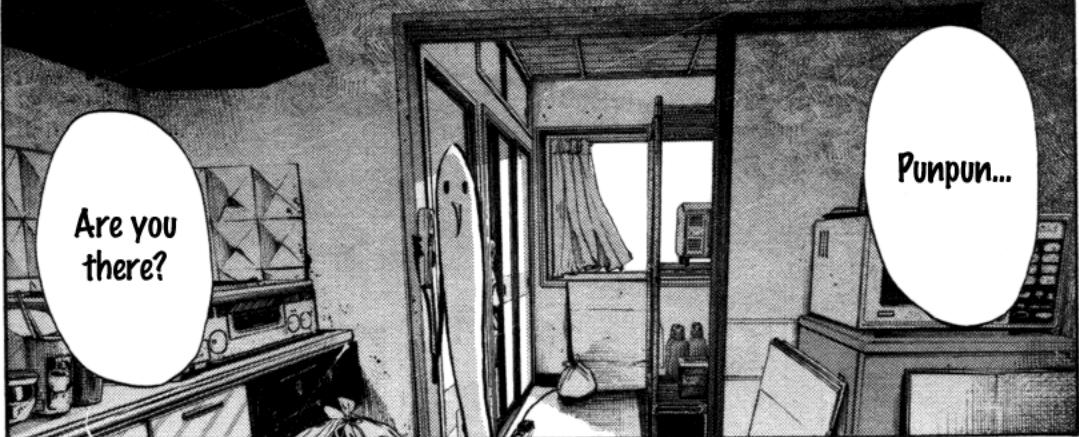

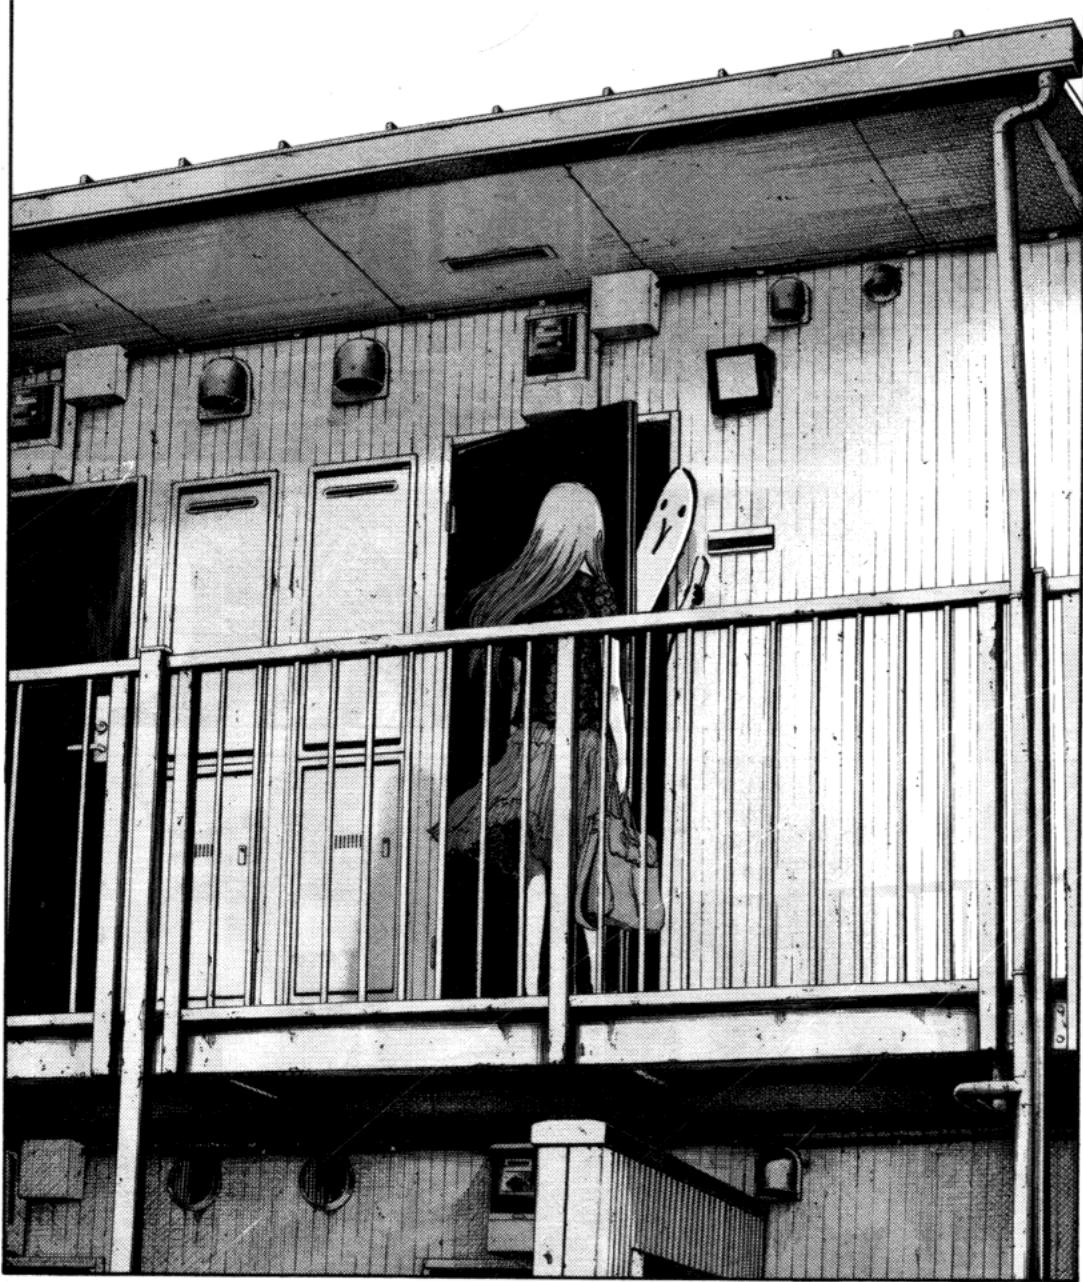

18

Are you
there...?

Punpun...

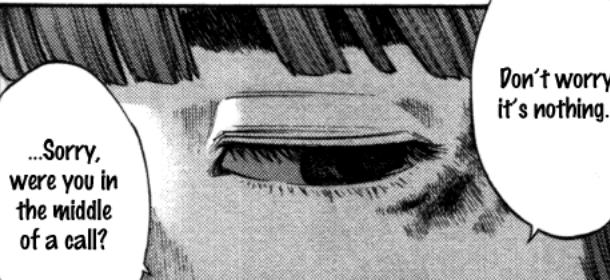

2

"Your bruise..."

Don't worry,
it's nothing...

...Sorry,
were you in
the middle
of a call?

"There's no way it's *nothing*..."

I was just
walking
nearby so
I thought
I might drop
by...

Sorry for
bothering
you...

I think I'll just
head home.

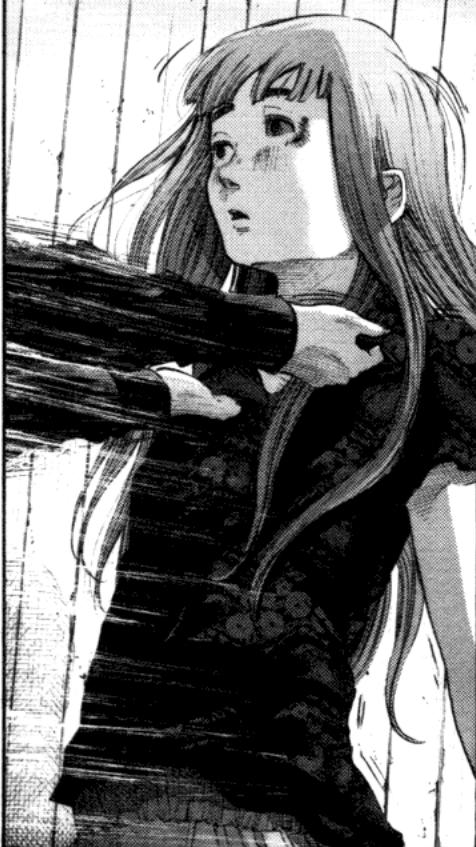

"What's wrong with you?"

"You can't just leave me hanging like this and go home..."

I won't even be able to eat after you leave me feeling so worried..."

4
"If you've got something to say, then please just spit it out already..."

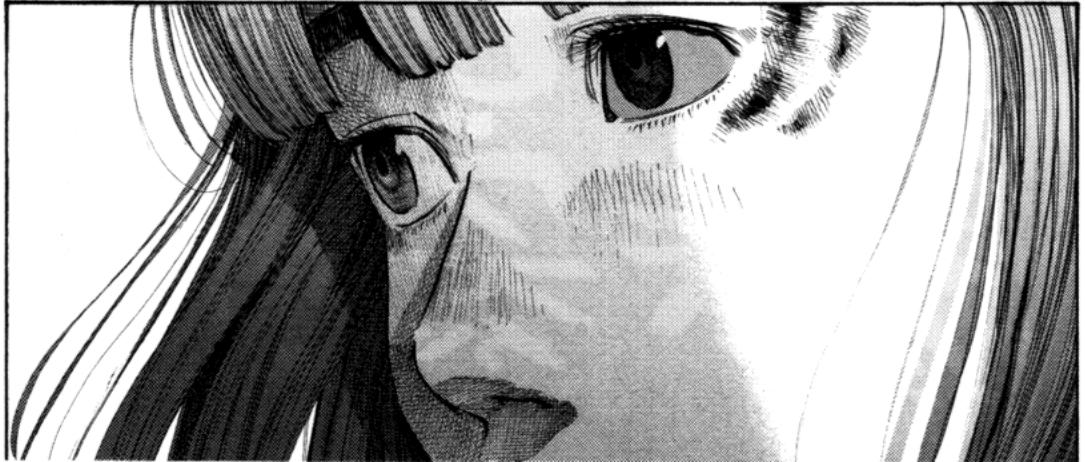

"...Just tell me what
you're really
thinking."

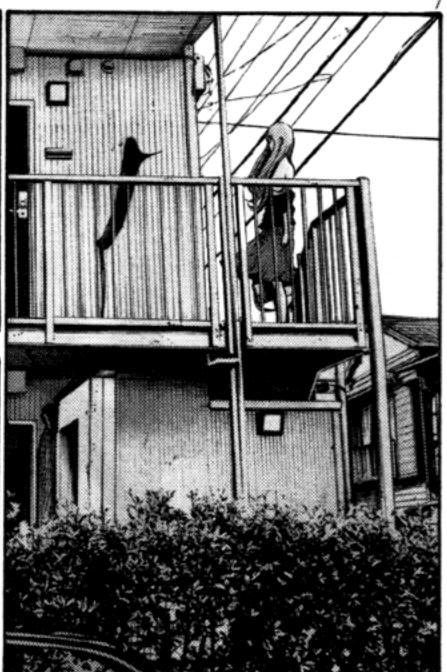

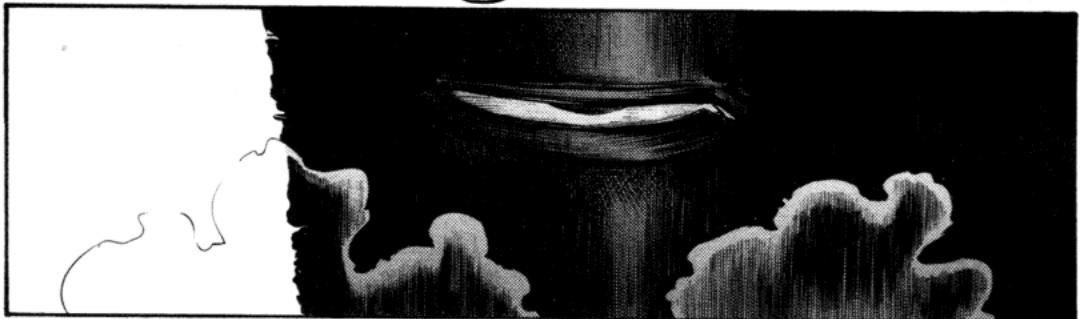

You too.

6

The silence of the
6 tatami-mat room,

Was soon
filled with
heavy
panting
and almost
painfully
throbbing
heartbeats.

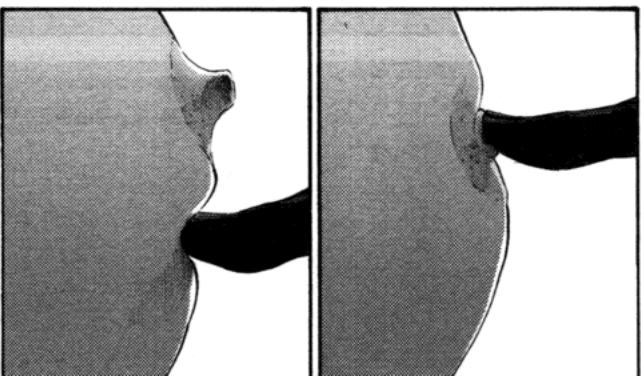

8

The laughter of kids outside...

Was heard so faintly as to almost
be a figment of their imaginations.

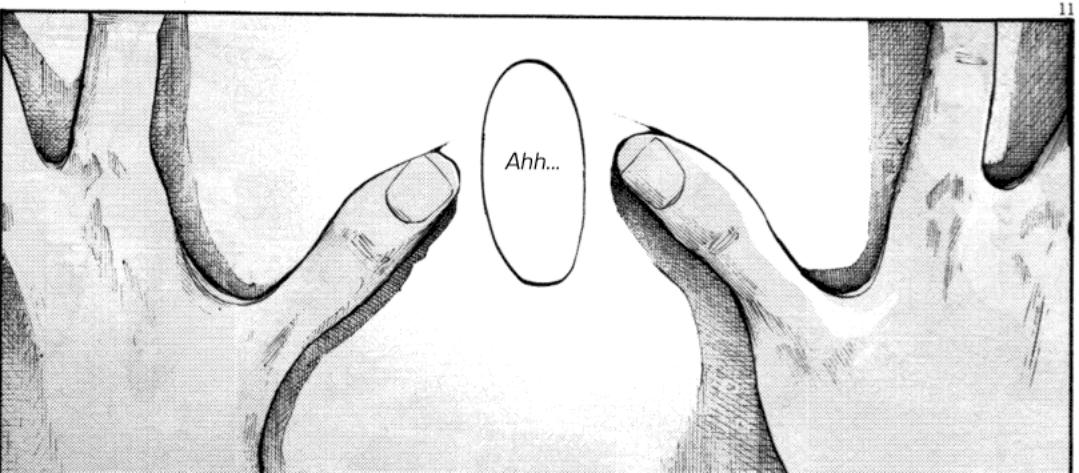

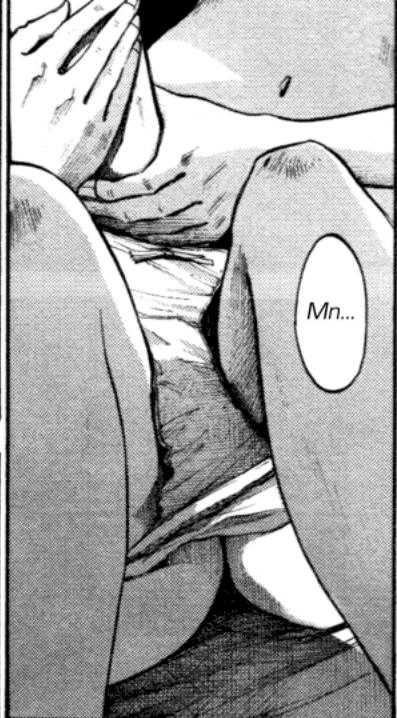

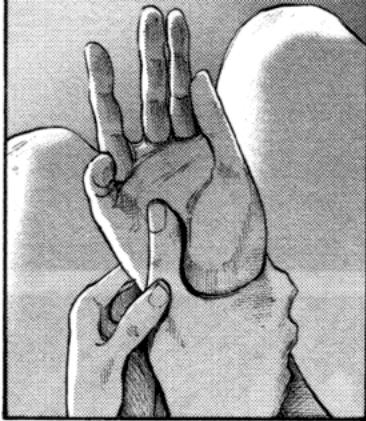

Thinking back to the 20 years he had lived until now, Punpun realized he never once truly understood someone.

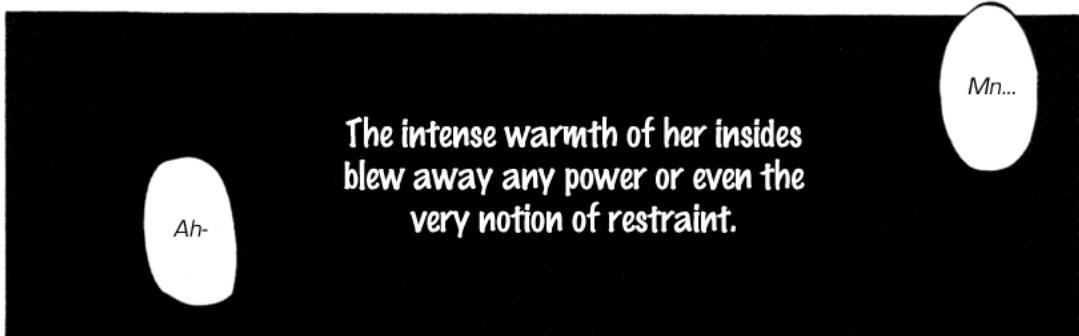

Not even once.

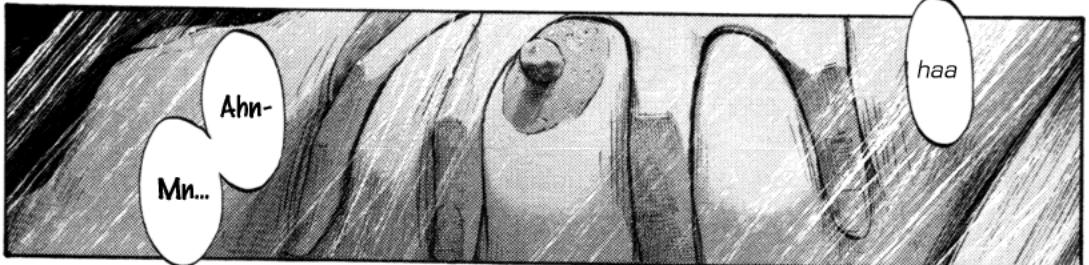

With his left hand, he pressed her thigh down while with his right hand, he grasped his throbbing member to slowly enter her...

Punpun let himself sink
deeper and deeper into the
abyss of pleasure.

The pain and pleasure from
every thrust reminded her
that even she was just a
girl in the end.

Ahh-

If the two
were to die
as they were
right now,
while
intertwined
as one...

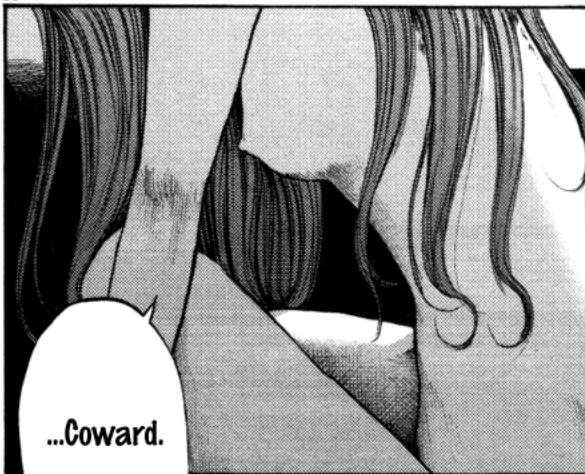

Come,
Inside
me...

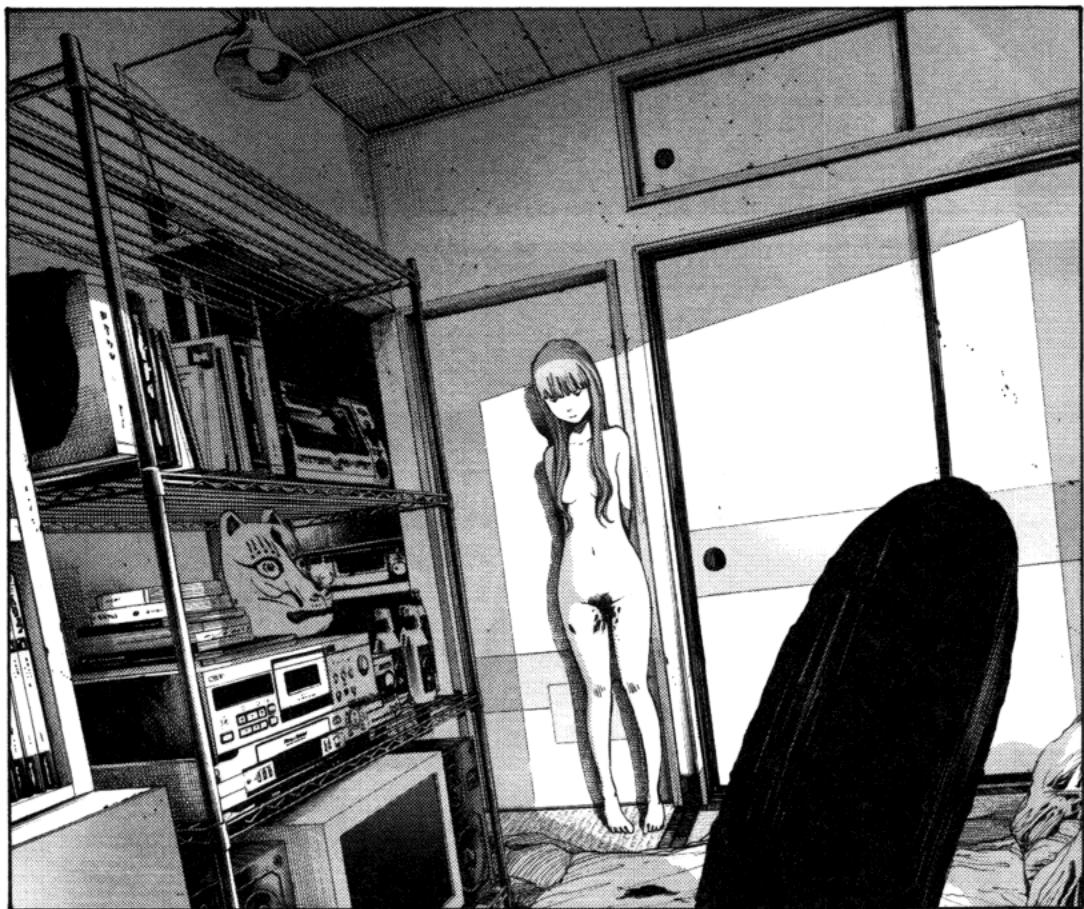

C...

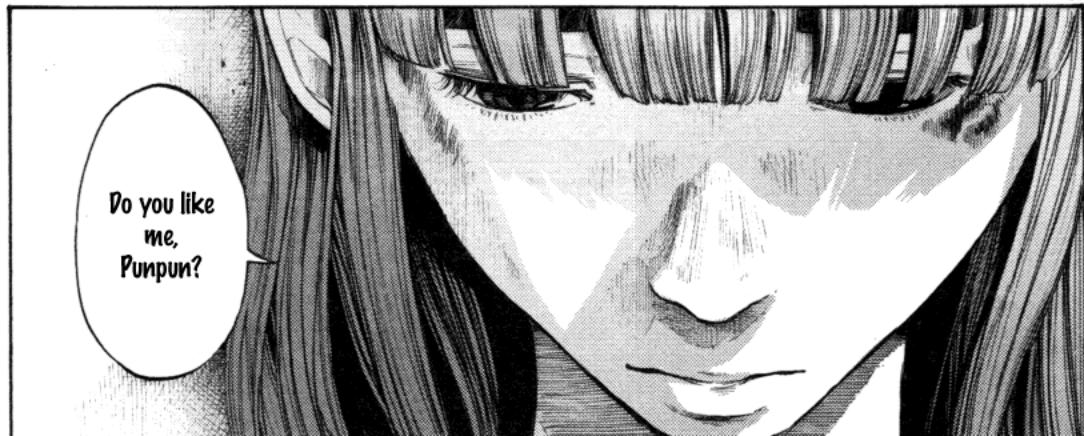

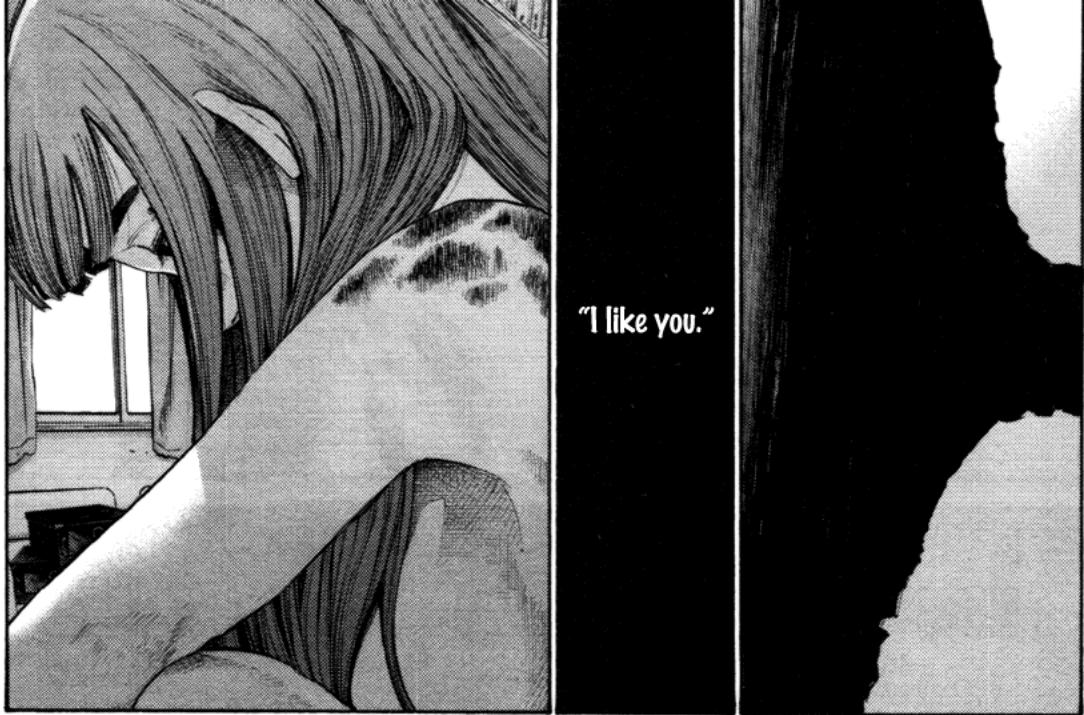

18

19

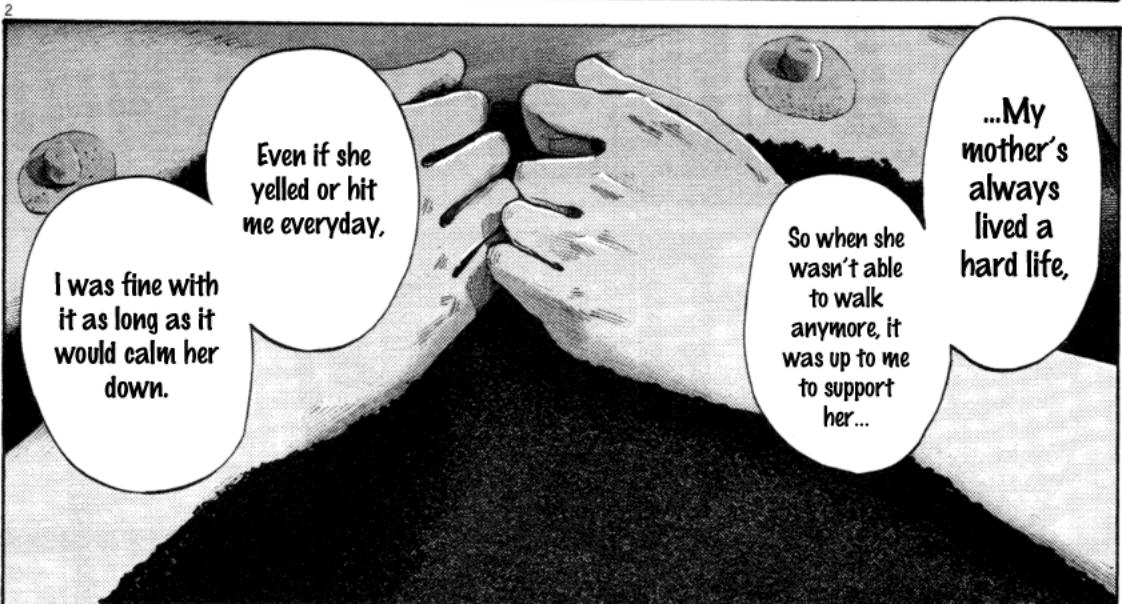

...If there were a place lower than here,
it would surely be hell.

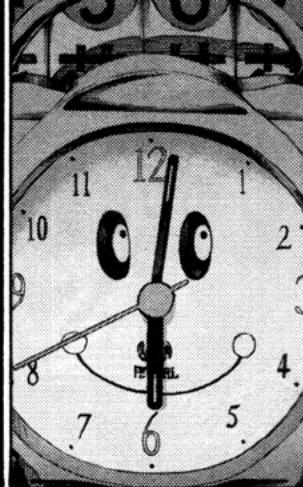

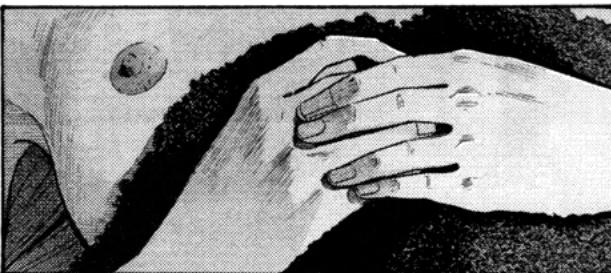

"I can't really move before getting my license, but there's also no reason for me to stay in this room until then."

"Let's do it..."

Let's go somewhere far away and live with just the two of us."

Really?

5

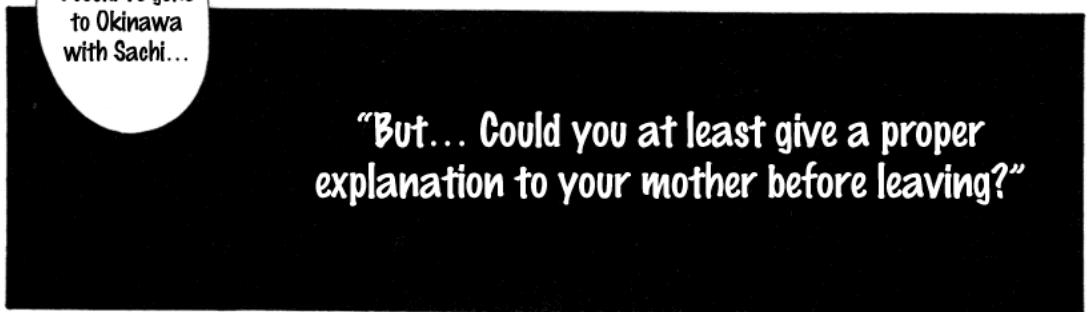

Gesumi,
my dear.

Riiiiing!

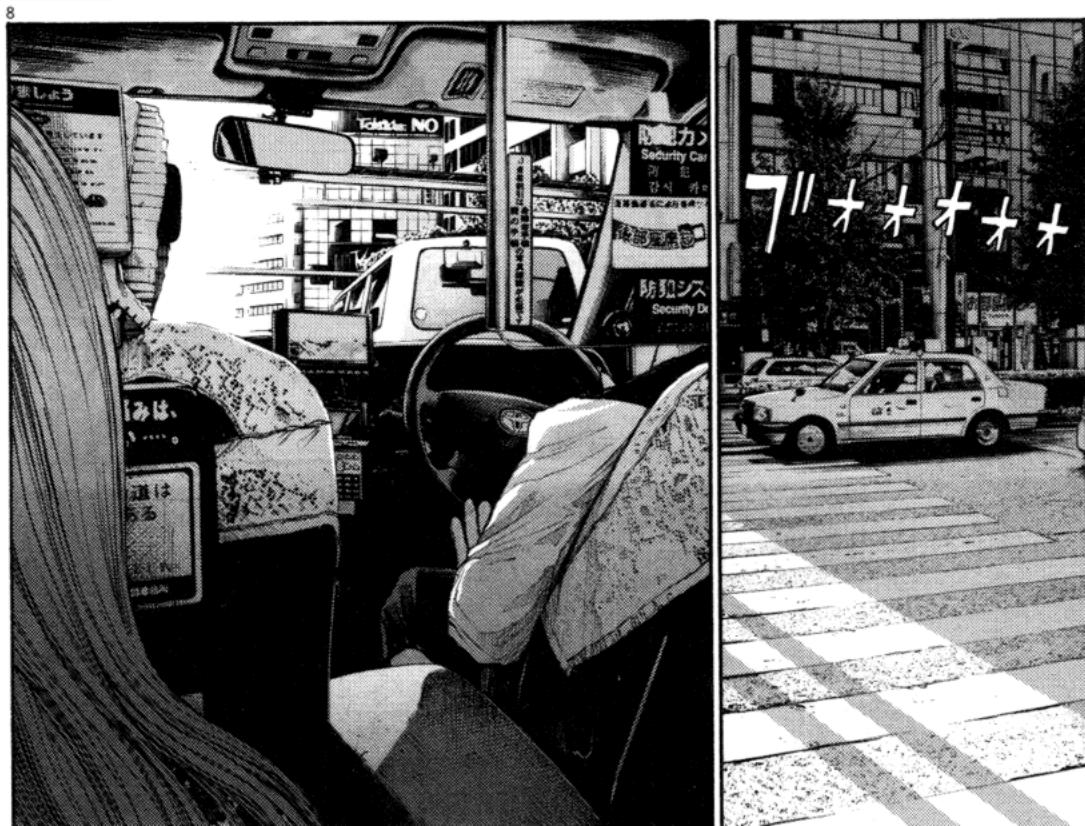

"I'm telling you this because I'm fine with it."

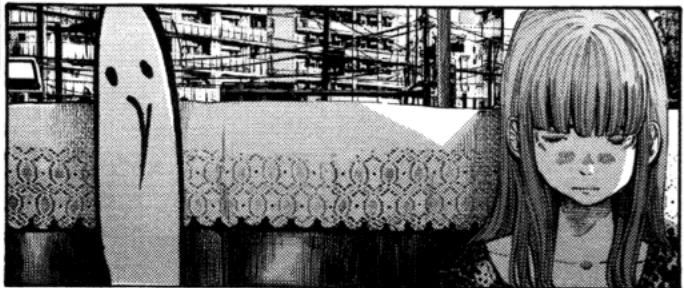

7

Aiko, you really are...

This is fine. There, everything will
be settled once and for all.

I realize now that
the world is not
mine, but rather...

My world is yours and yours only.

The time that froze on that day
began to move once more.

Punpun was certain,

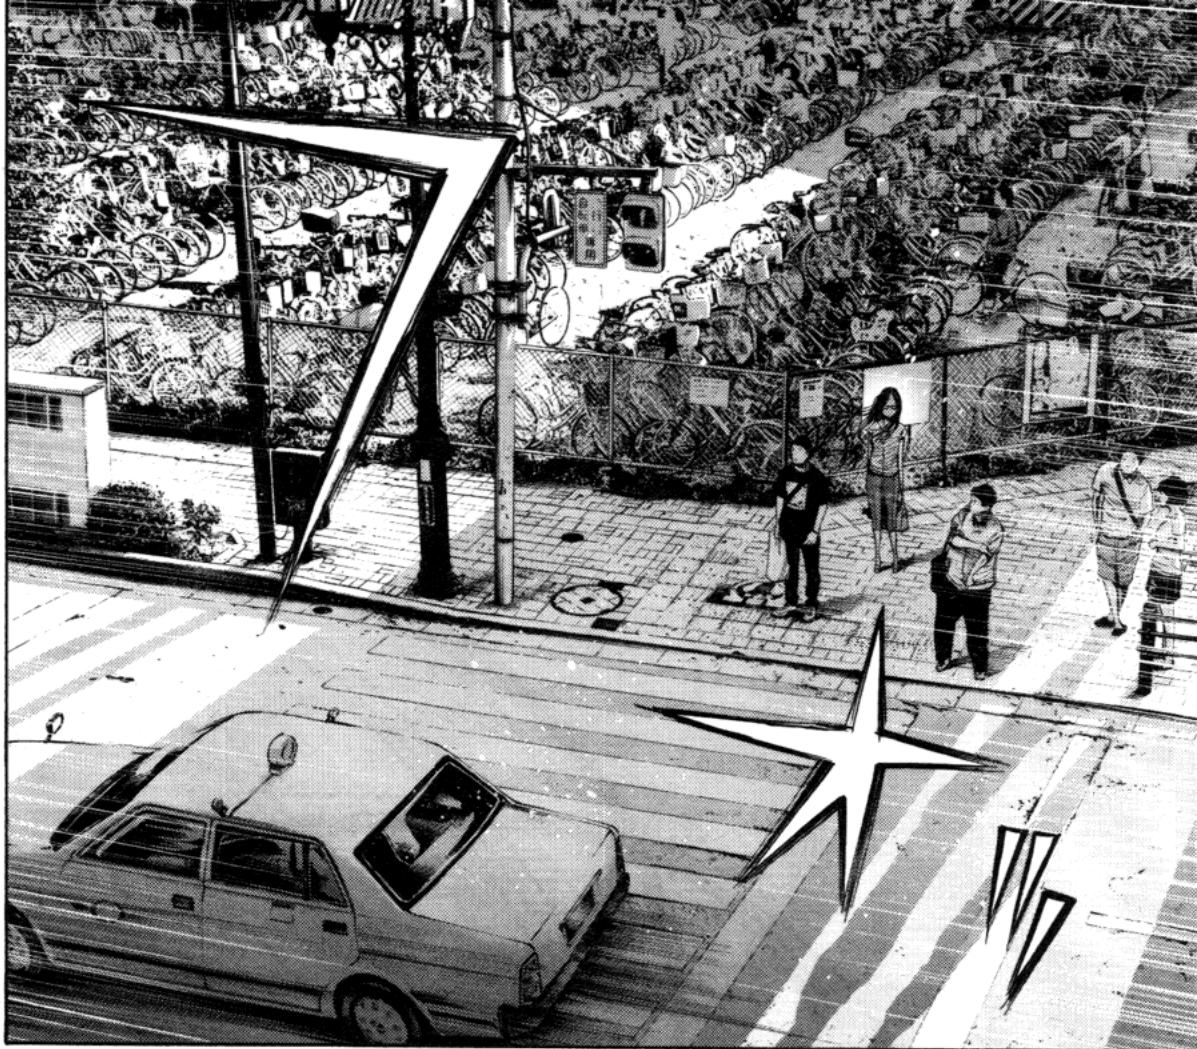

11

That Aiko really was his
one-true fated person.

The world began to fade away into the distance.

Faded away
into the still-
ness of the
6pm-sunset.

The world
which would
continue to revolve as it
always had
even if he were
to disappear,

17

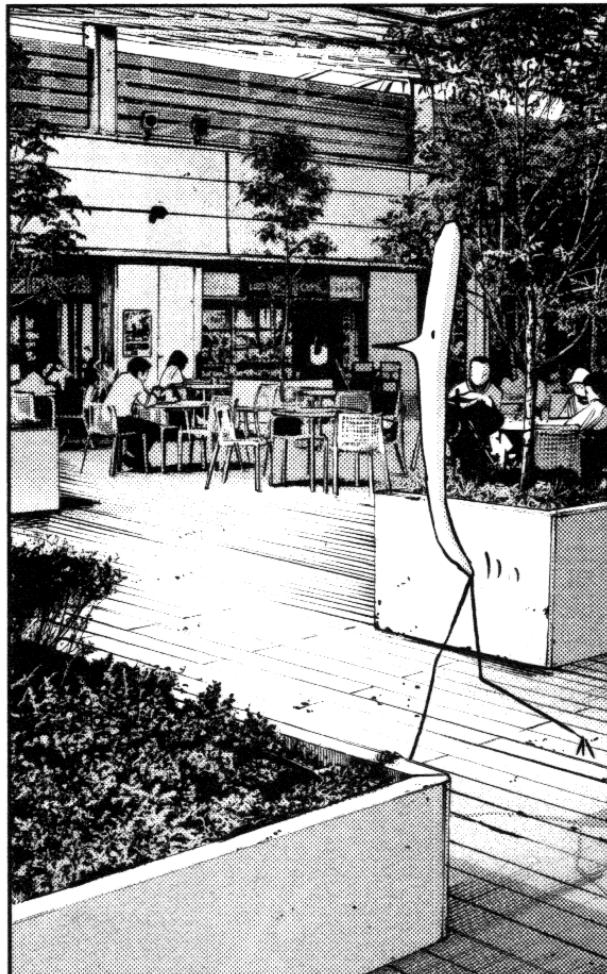

Don't look
back now.

Aiko's hand was just as soft, warm, and small as
when they were kids. He would never let go of her hand
a second time, Punpun thought to himself.

18

...There's no turning back now.
