KYAA
AAAAA
AAA!

18

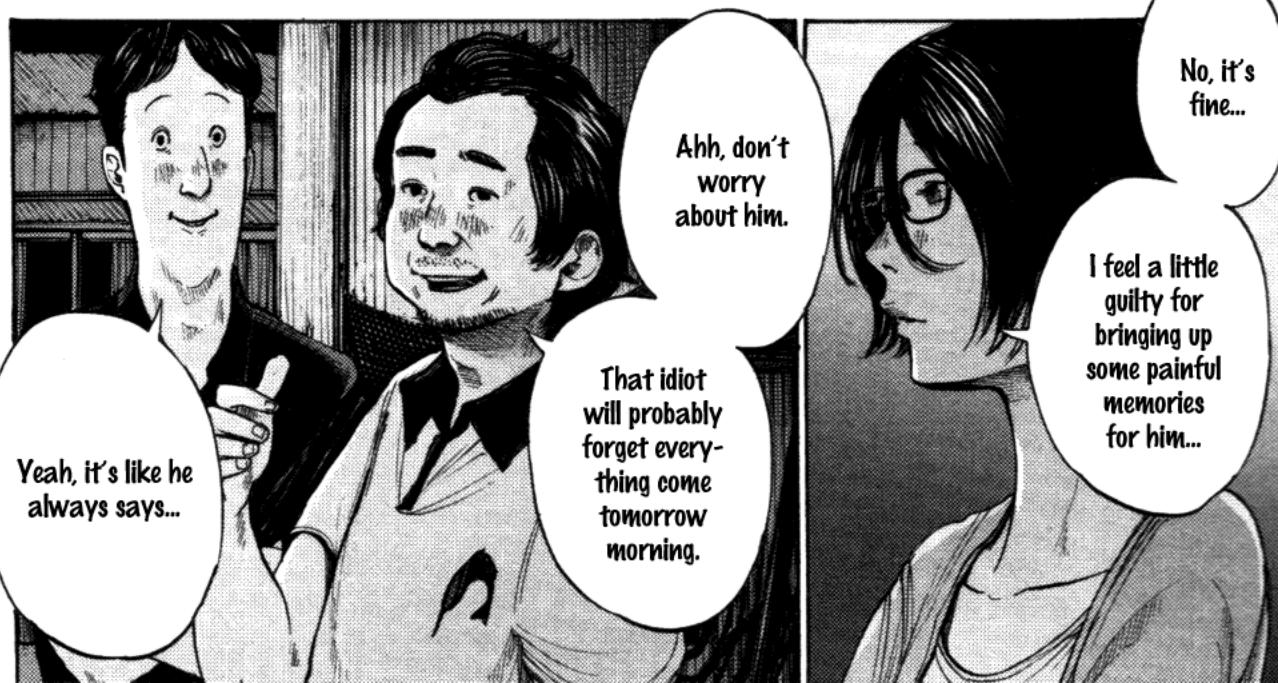

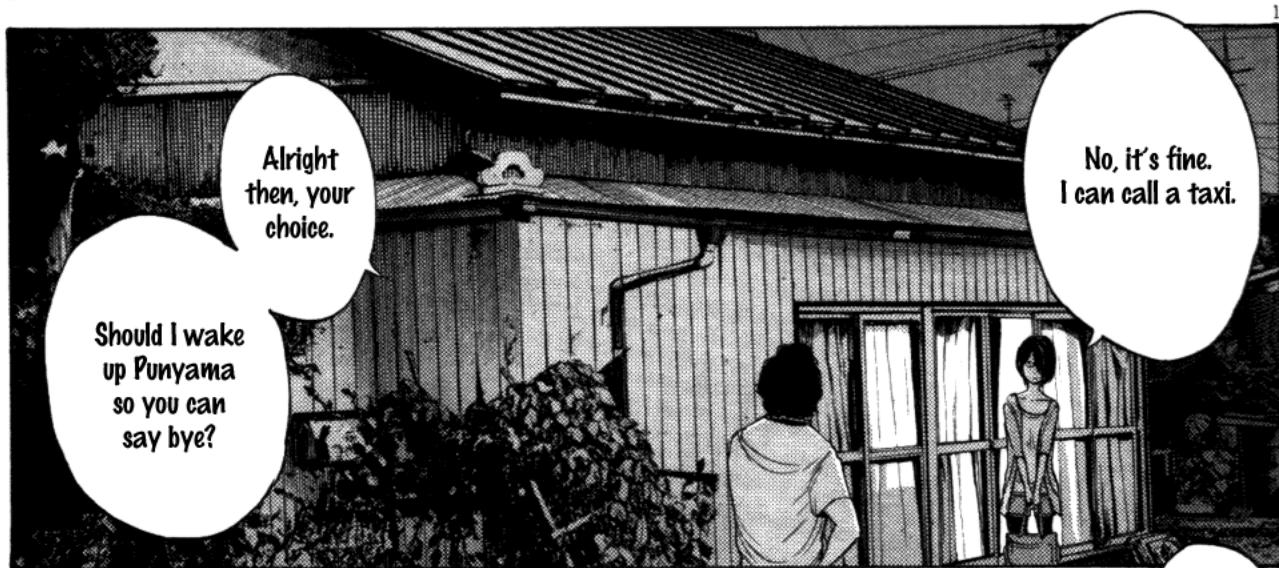

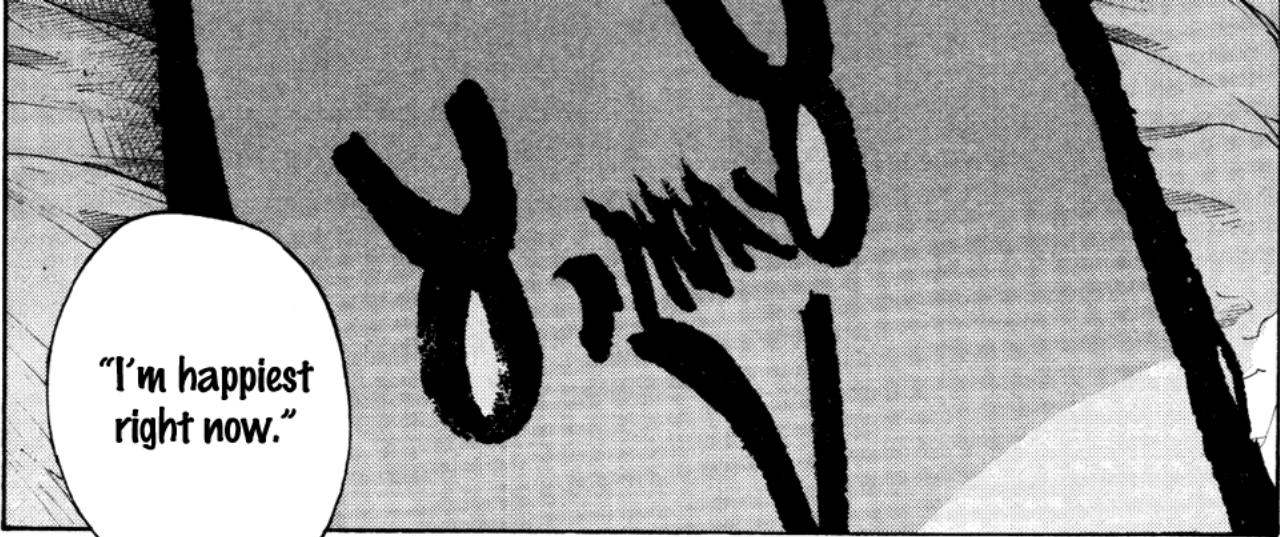

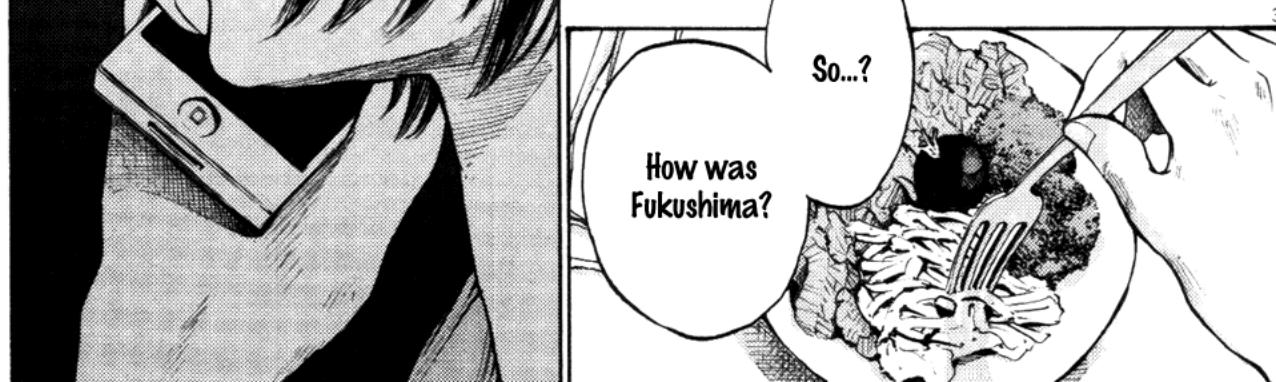

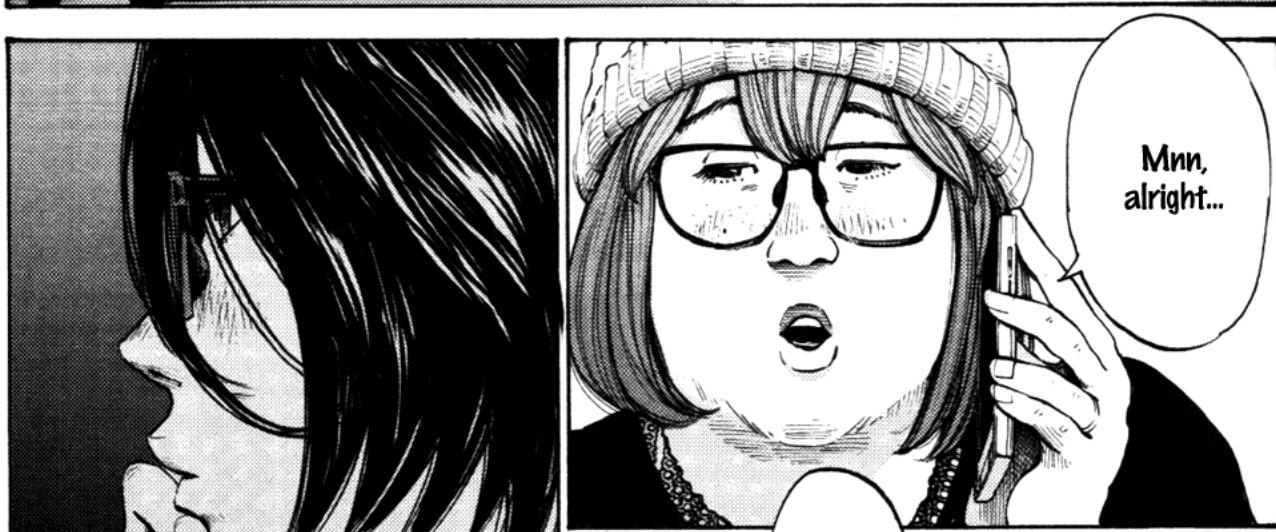

Where are you,
Punpun...?

CHAPTER
129

I think...

I've definitely gotta be the one to protect Punpun.

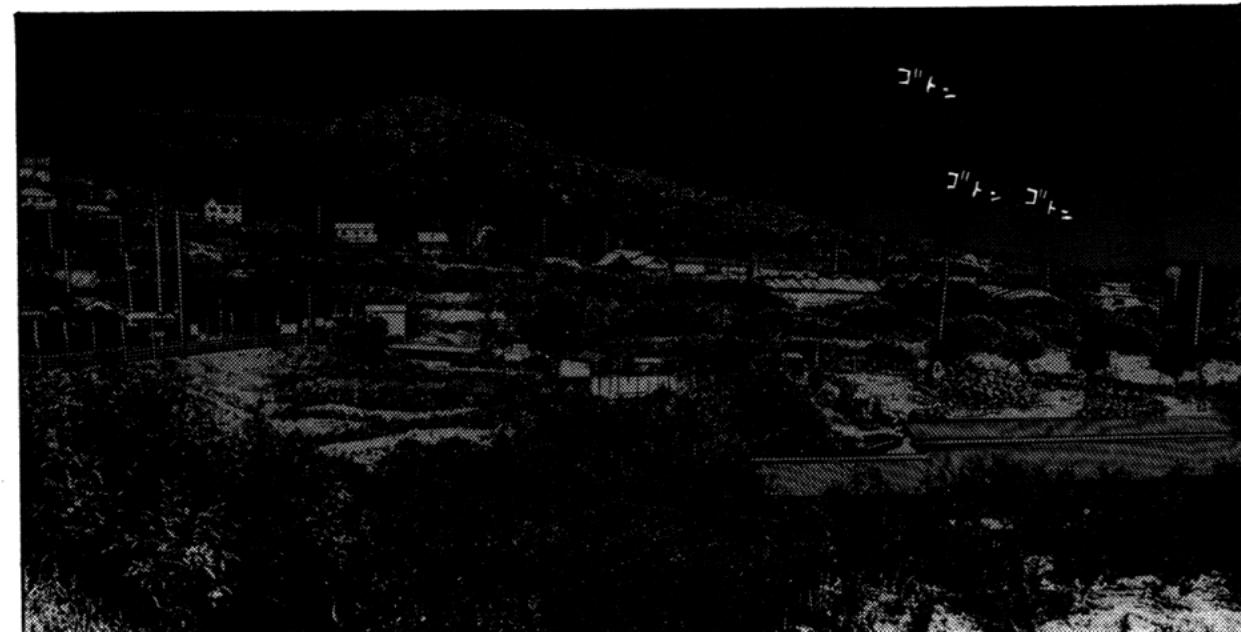

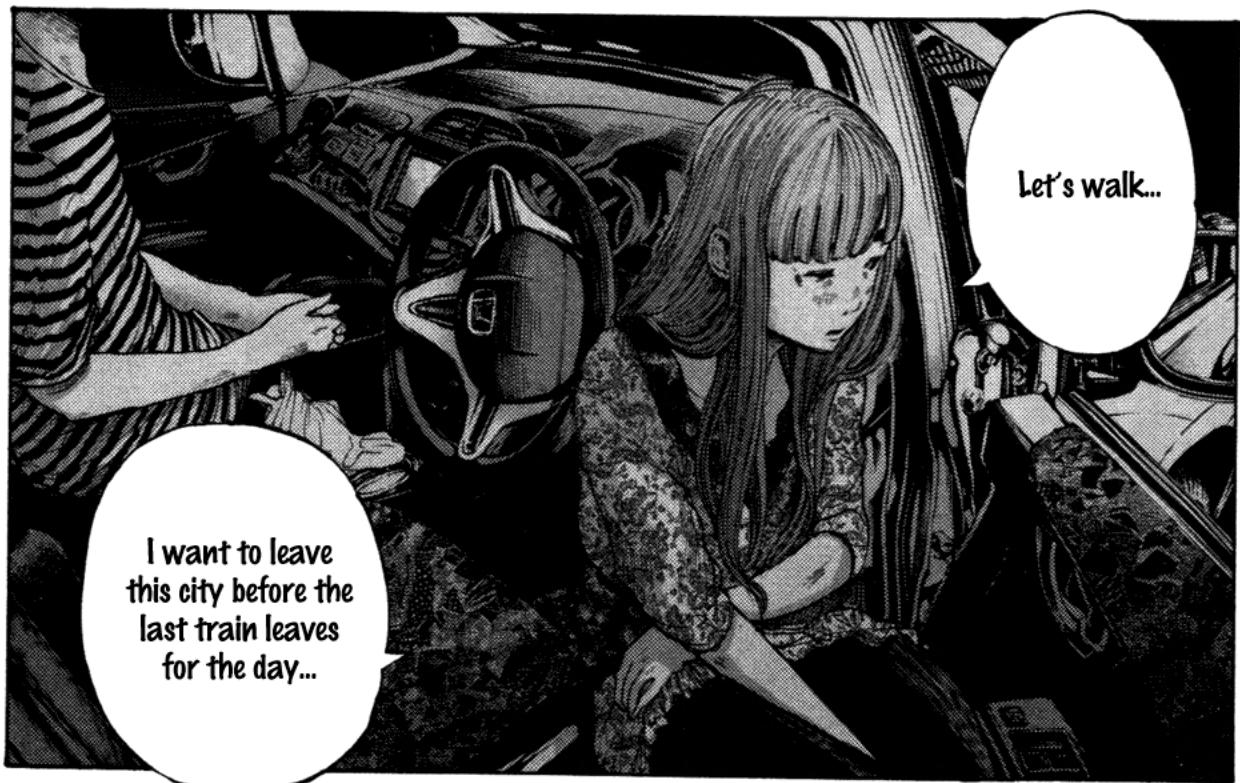

Is that so.

...Hah.

5

"...Aiko."

I think...

You've
gotten a
little
strange,
Punpun....

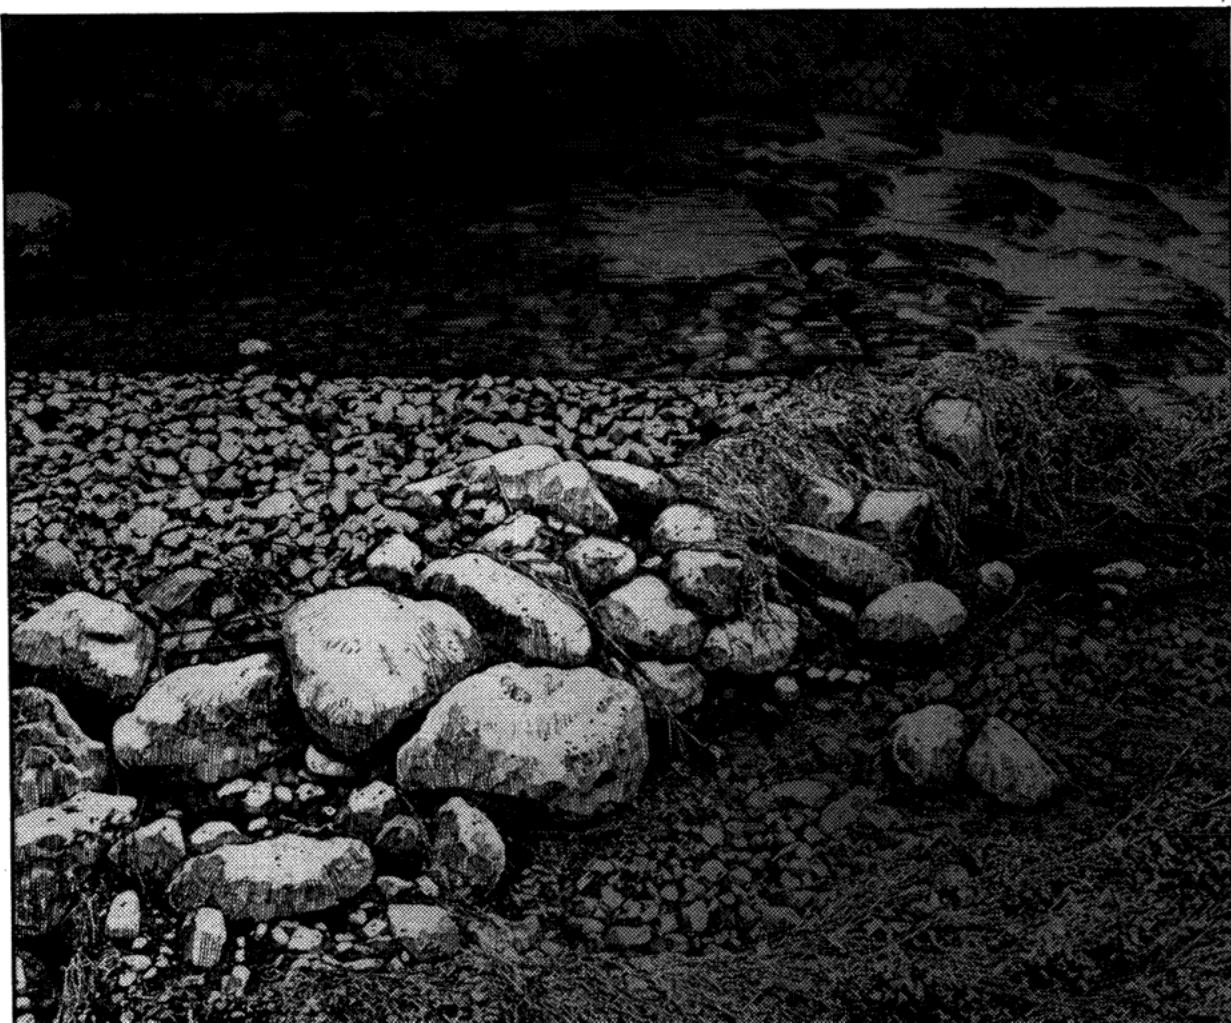

"If I hadn't tried
to scare him off,
I could've been
killed... That's
why I wasn't
acting strangely
back there."

"...No, it's everyone else that's
actually strange."

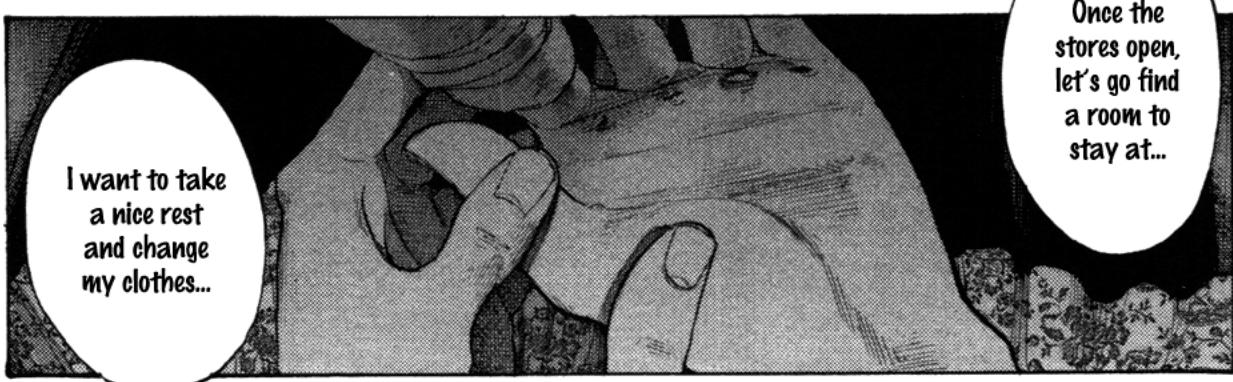

7

8

I want to take
a nice rest
and change
my clothes...

Once the
stores open,
let's go find
a room to
stay at...

I'm tired...

Getting here to
Kagoshima...

It took
quite a
while,

That's why I'm going to do what I want in my teenage years, save up a whole bunch, and then use it up all in my 20s!

You know, I think you've gotta just die when the time comes.

12

See ya tomorrow!

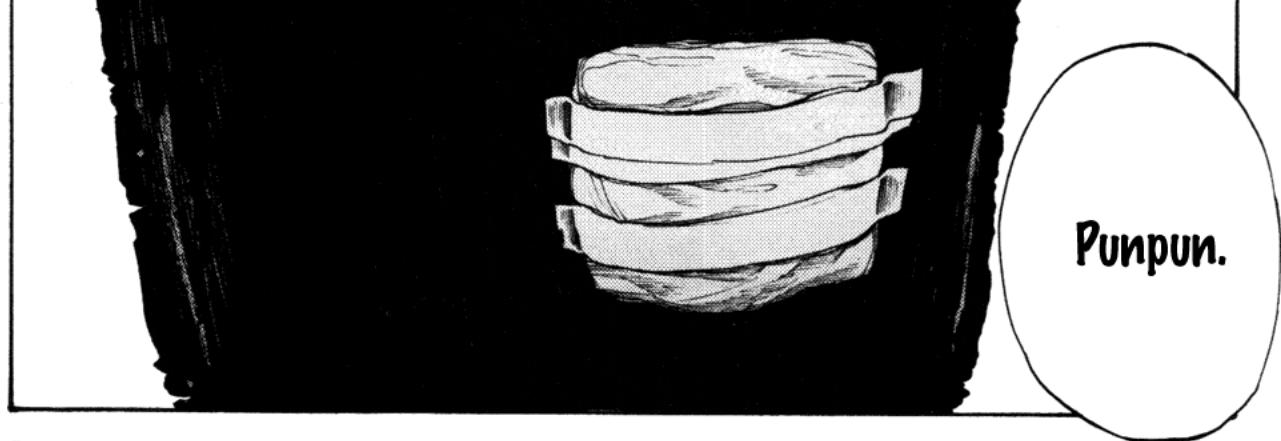

14

15

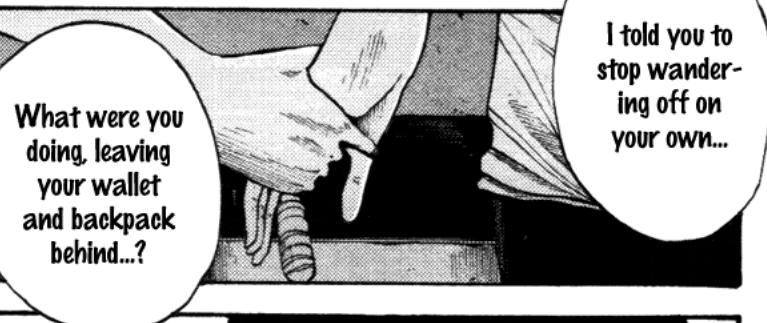

Punpun.

16

...What were
you up to?

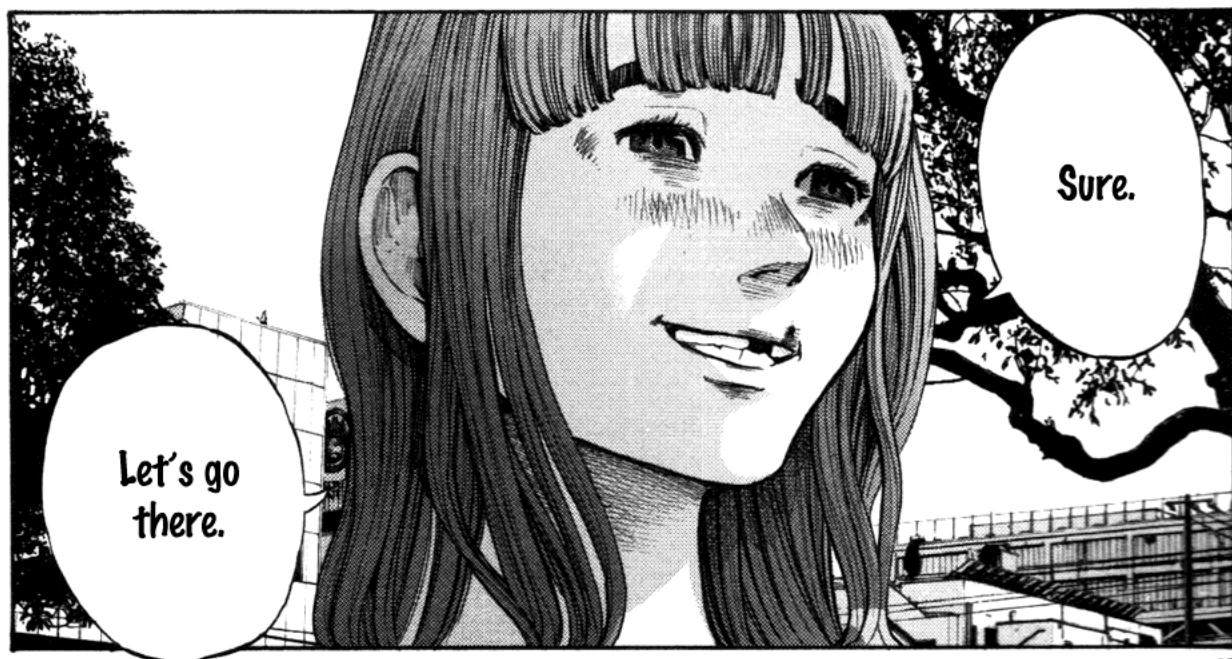

What were you
doing, leaving
your wallet
and backpack
behind...?

I told you to
stop wander-
ing off on
your own...

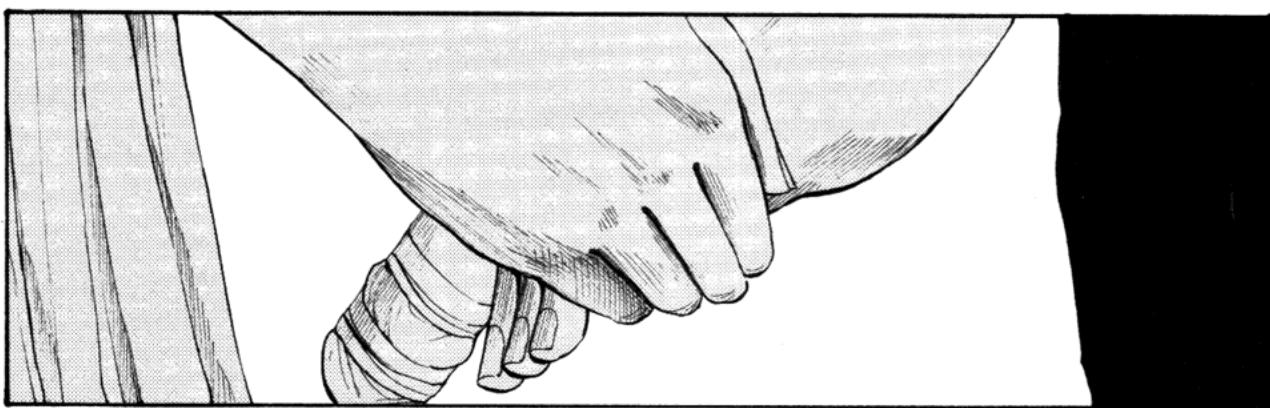

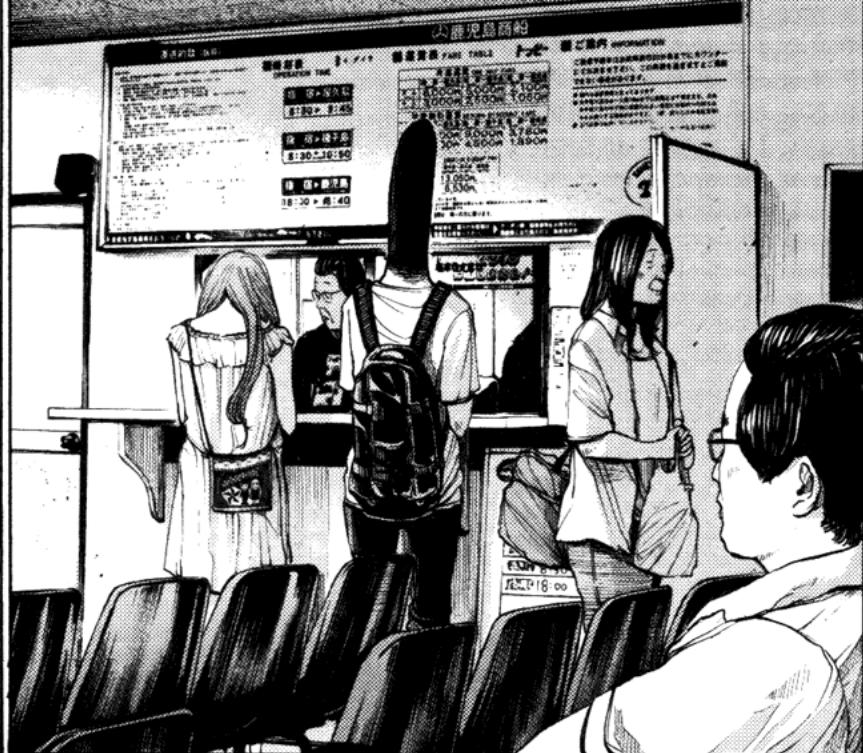

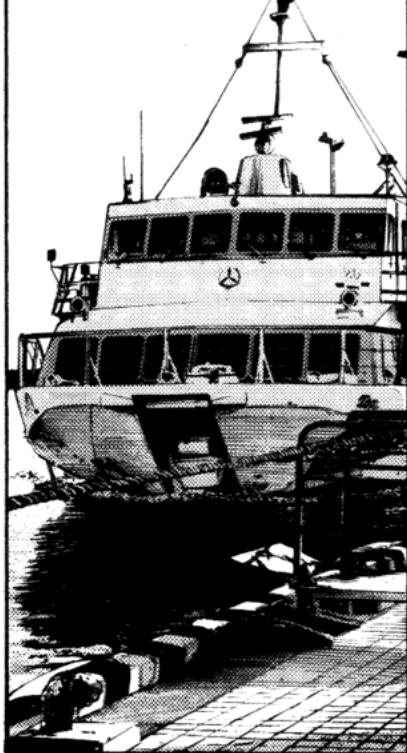

"I should be the one
lecturing you.
You know that
you need to get
more rest."

"...What's the use in talking about
pointless ifs and if nots right now?"

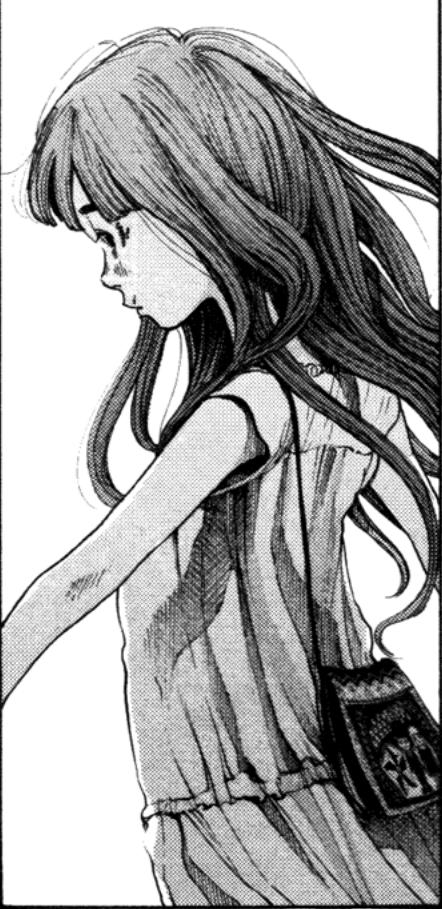

6

"You're as
cute as a
button, Aiko."

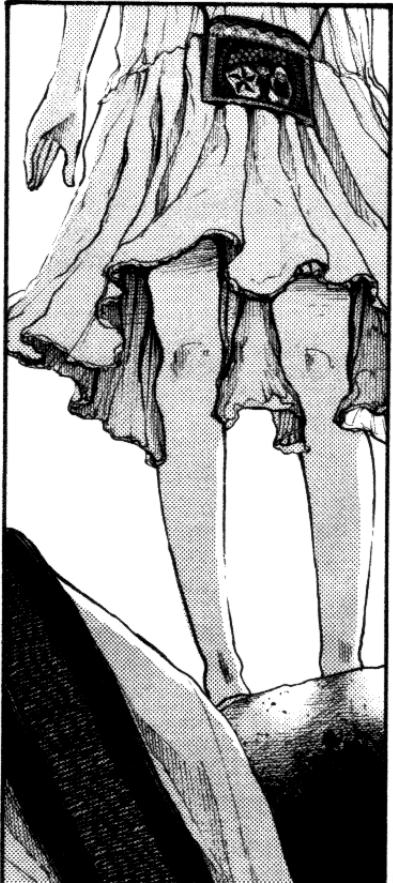

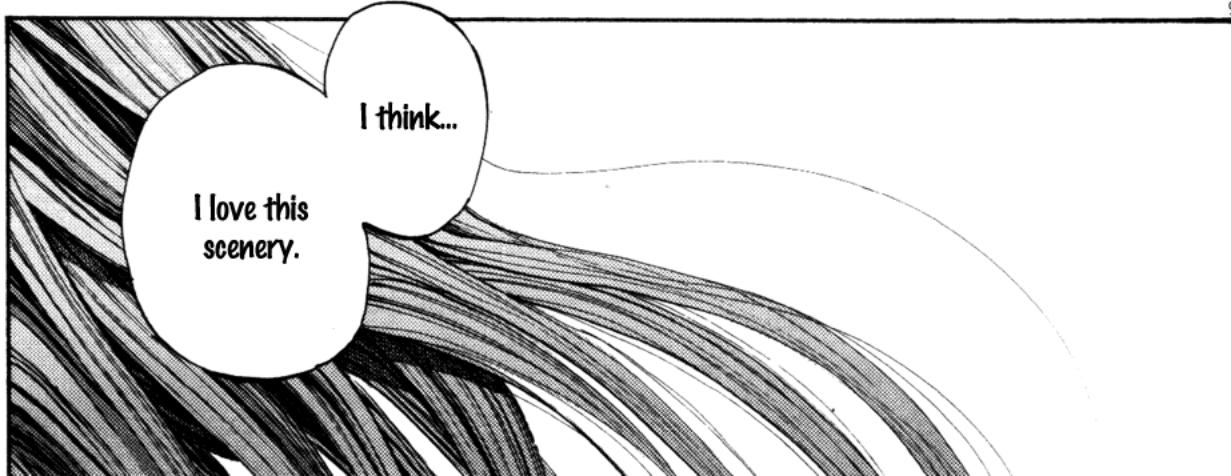

7

8

...I want to
try and live on
this island.

10

Then we could try growing our own food and being self-sufficient as much as possible...

Even a small one-room place would be fine. And if there's a small garden,

11

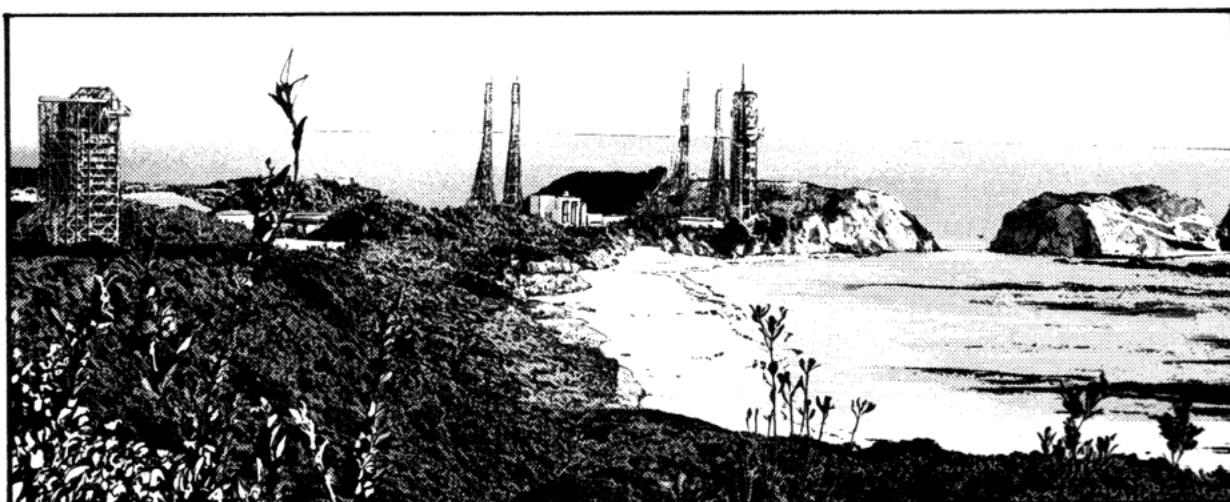

Just living together by the sea...

Rarely involving ourselves with others...

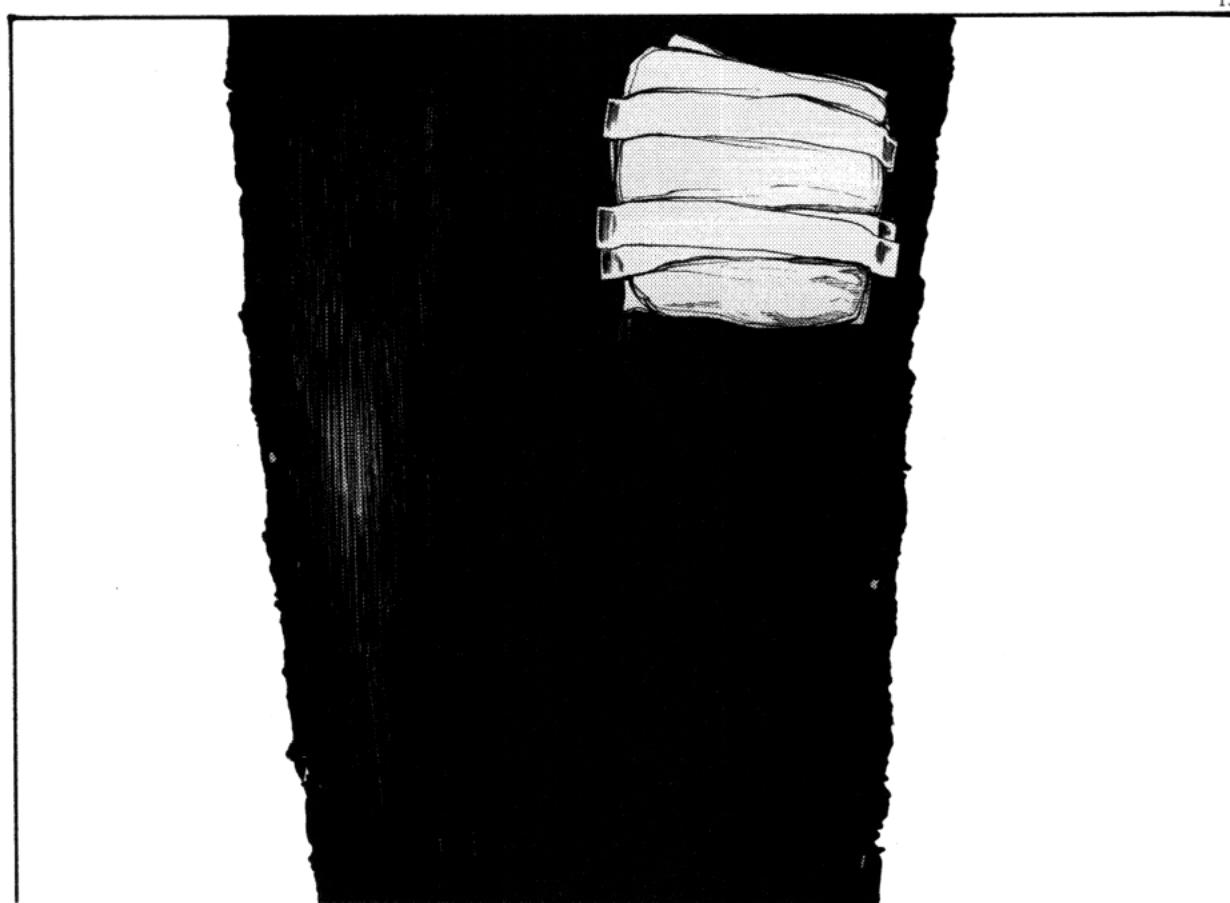

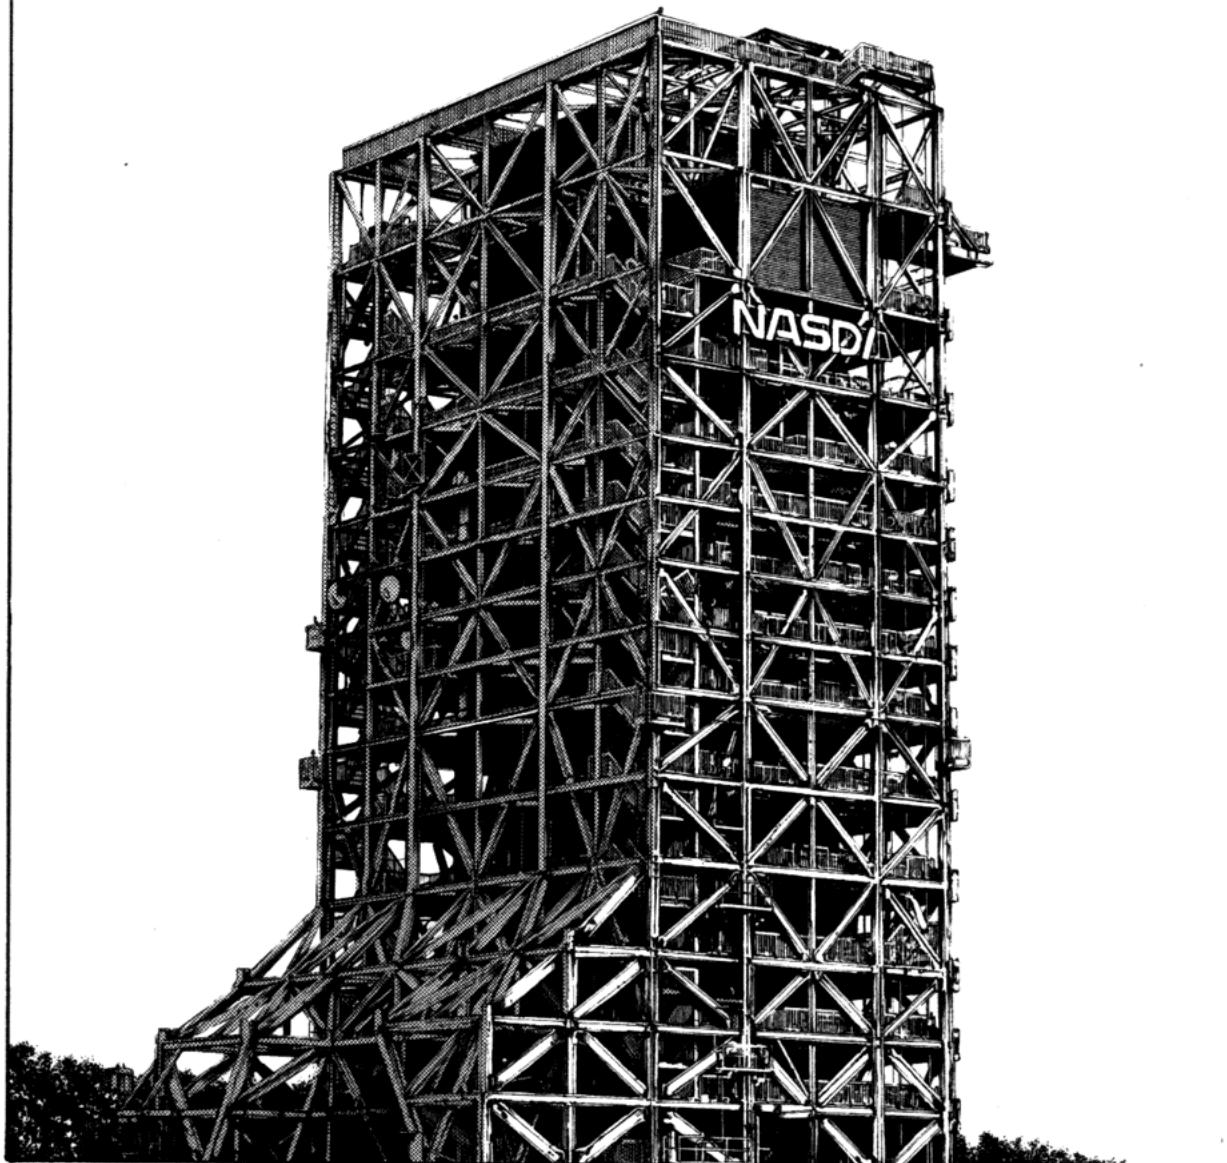

12

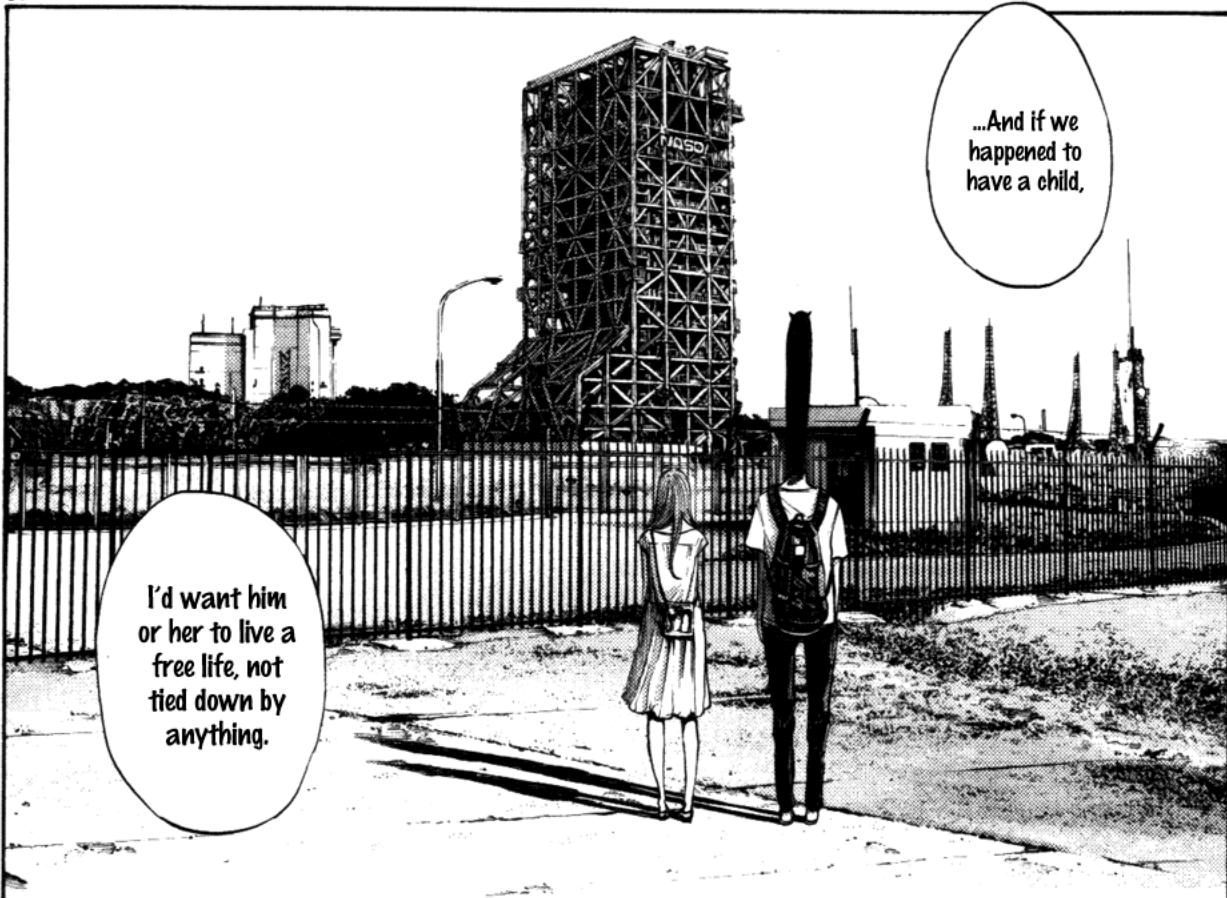

13

14

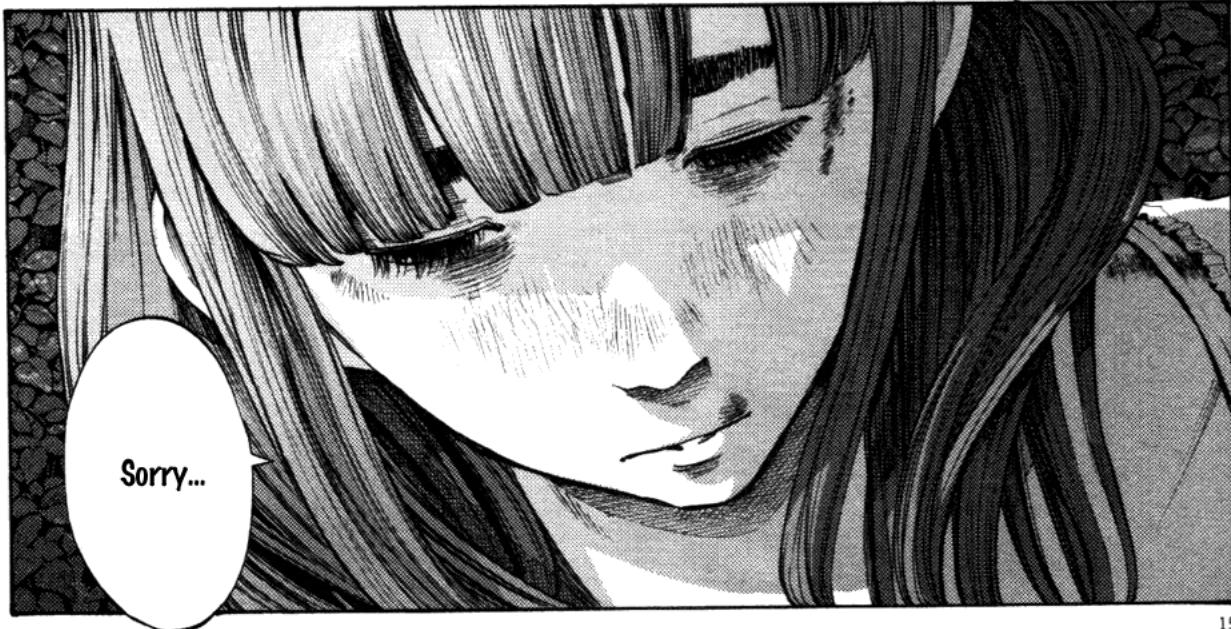

It'd be too tragic
if we repeated
the same
mistake...

It'd probably be
best if we didn't
have a kid.

...On second
thought,

“...I told you it’s pointless talking
about ifs and if nots.”

Sorry...

“...But,”

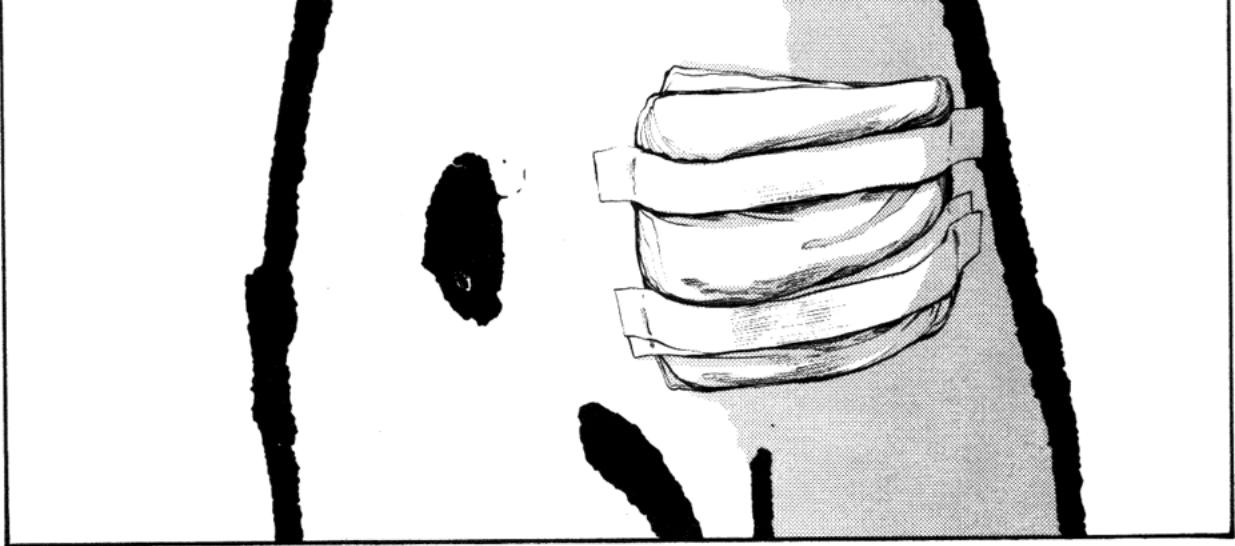

16

"...You know, I feel really happy right now. I'm so glad I was able to meet you in this life."

"I do think it'd be nice if there could come a time when we could just have fun talking about ifs and if nots, no matter how pointless it is..."

"Thank you."

GOODNIGHT PUNPUN

12

ASA NO INIO

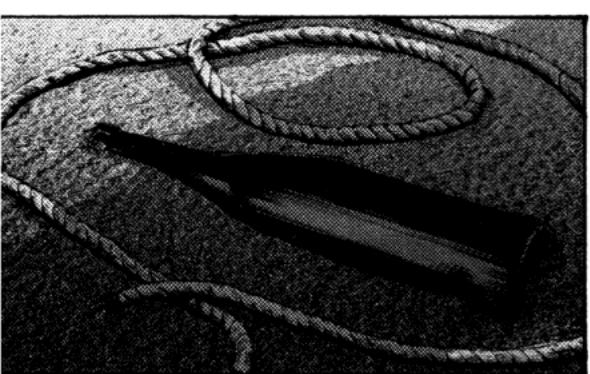

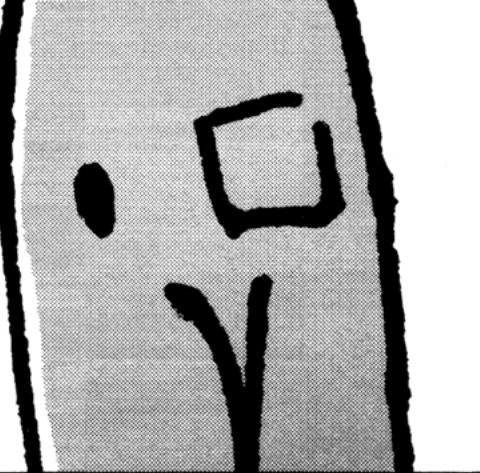

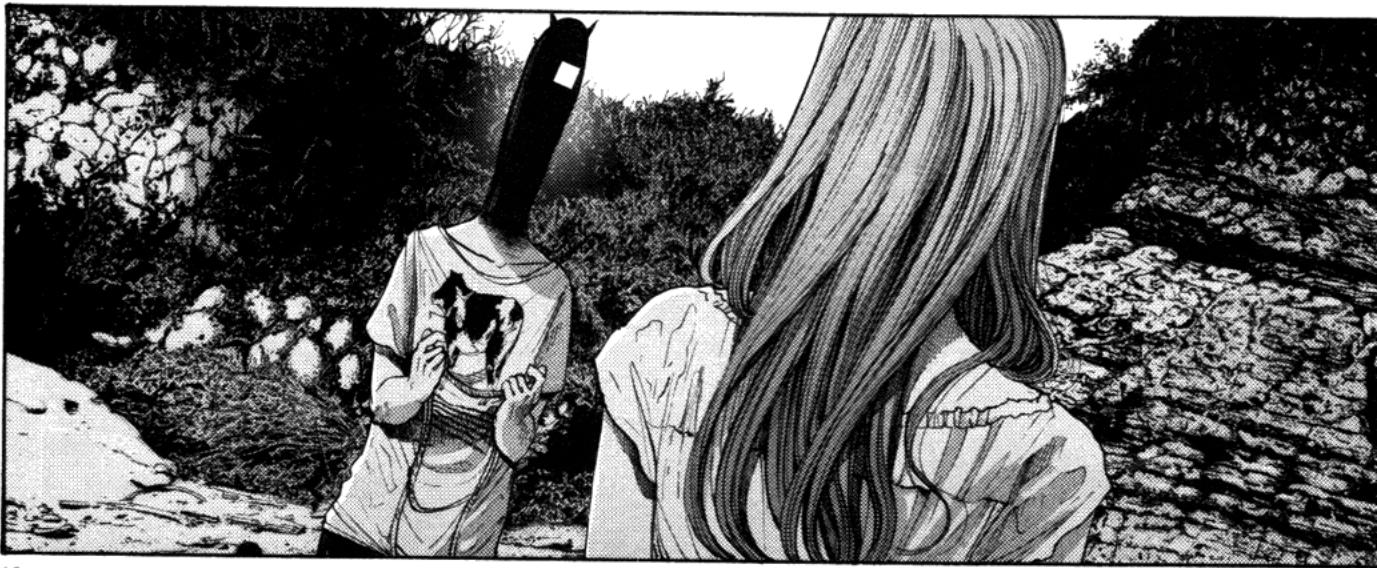

16

"...Yes."

There's no other choice, is there?

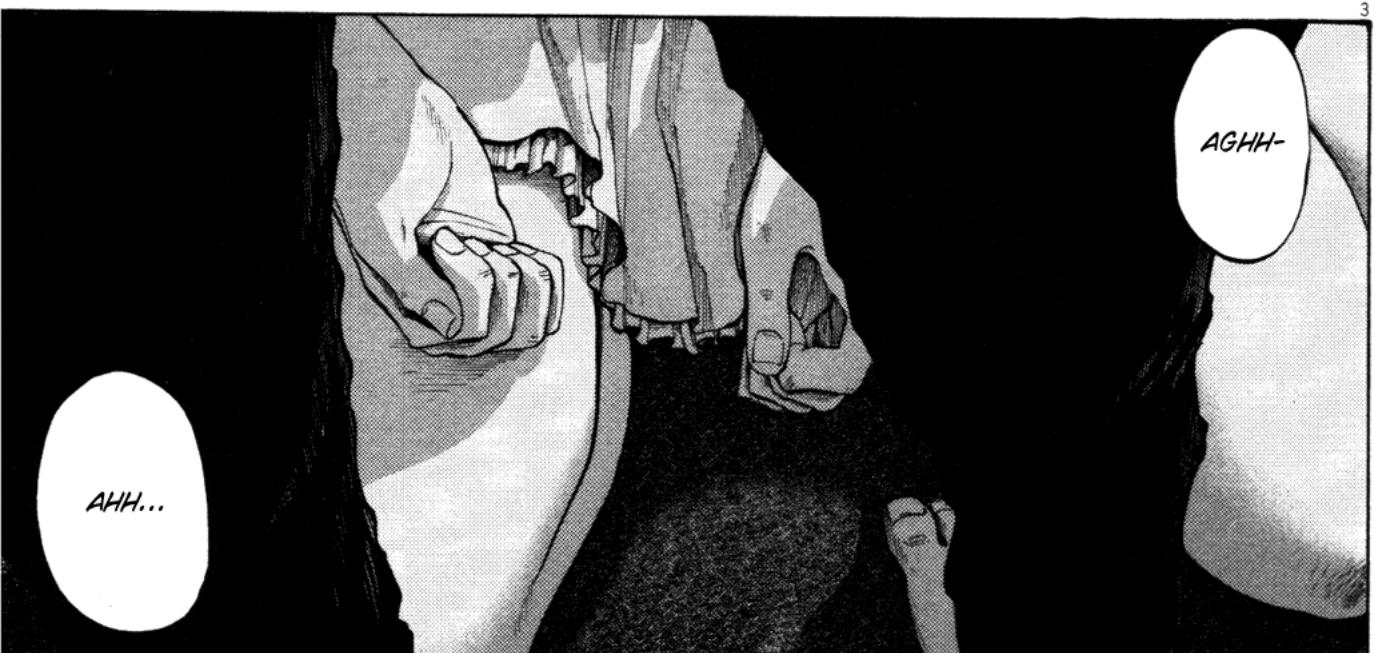

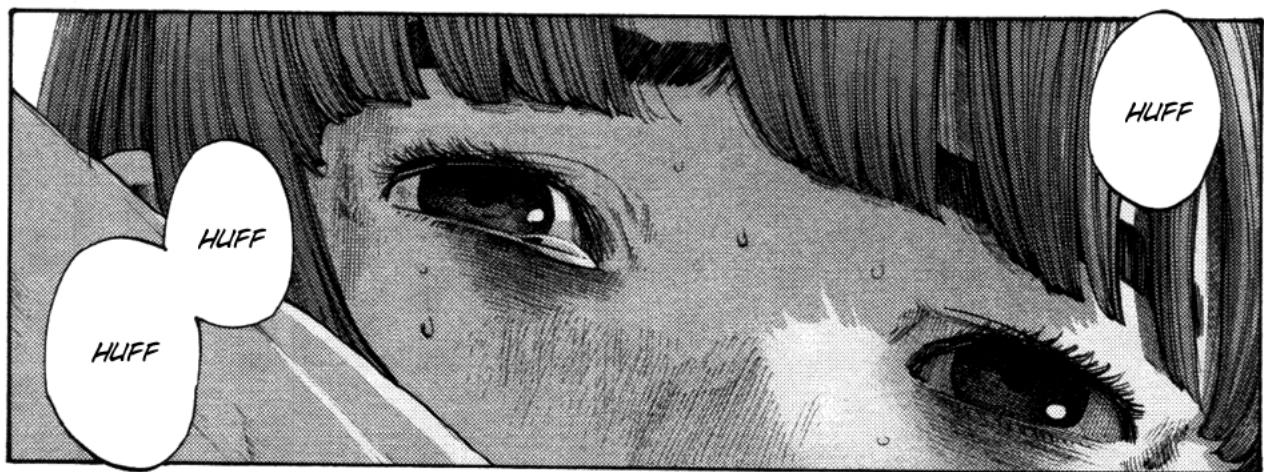

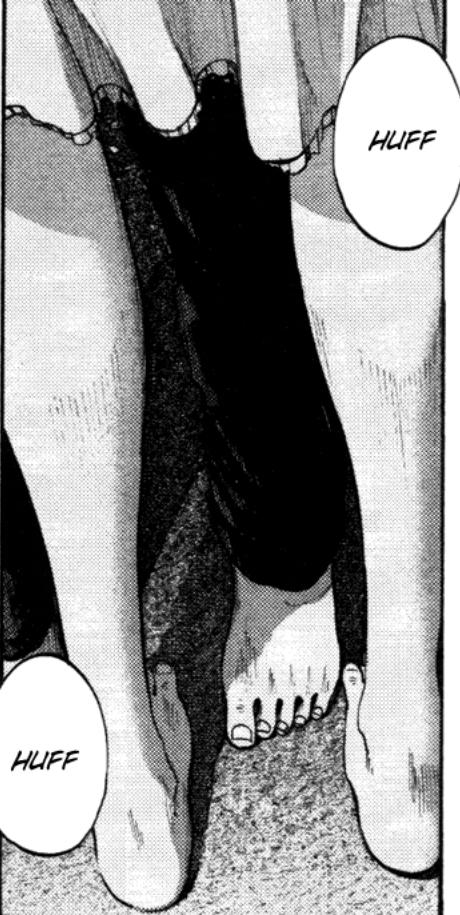

"...I'm at my limit too, you know."

1

"If you're that set on not wanting to be left alone, this is the best option."

“...Why do you keep saying such foolish things?”

4

“If you really don't want to die, then just get away from me this instant!”

"...I don't need
your concern.
I'm satisfied
with my fate."

I could tell all
along you've been
wanting to
commit suicide...

But if I went
off somewhere
by myself...

You're going to...
Kill yourself,
aren't you...?

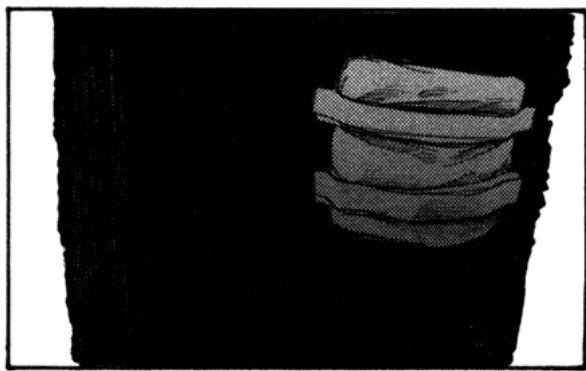

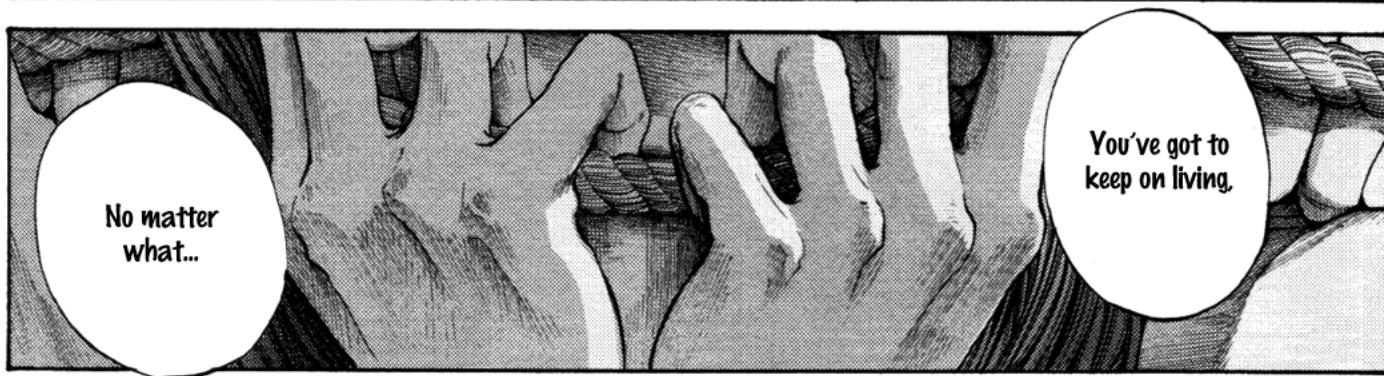

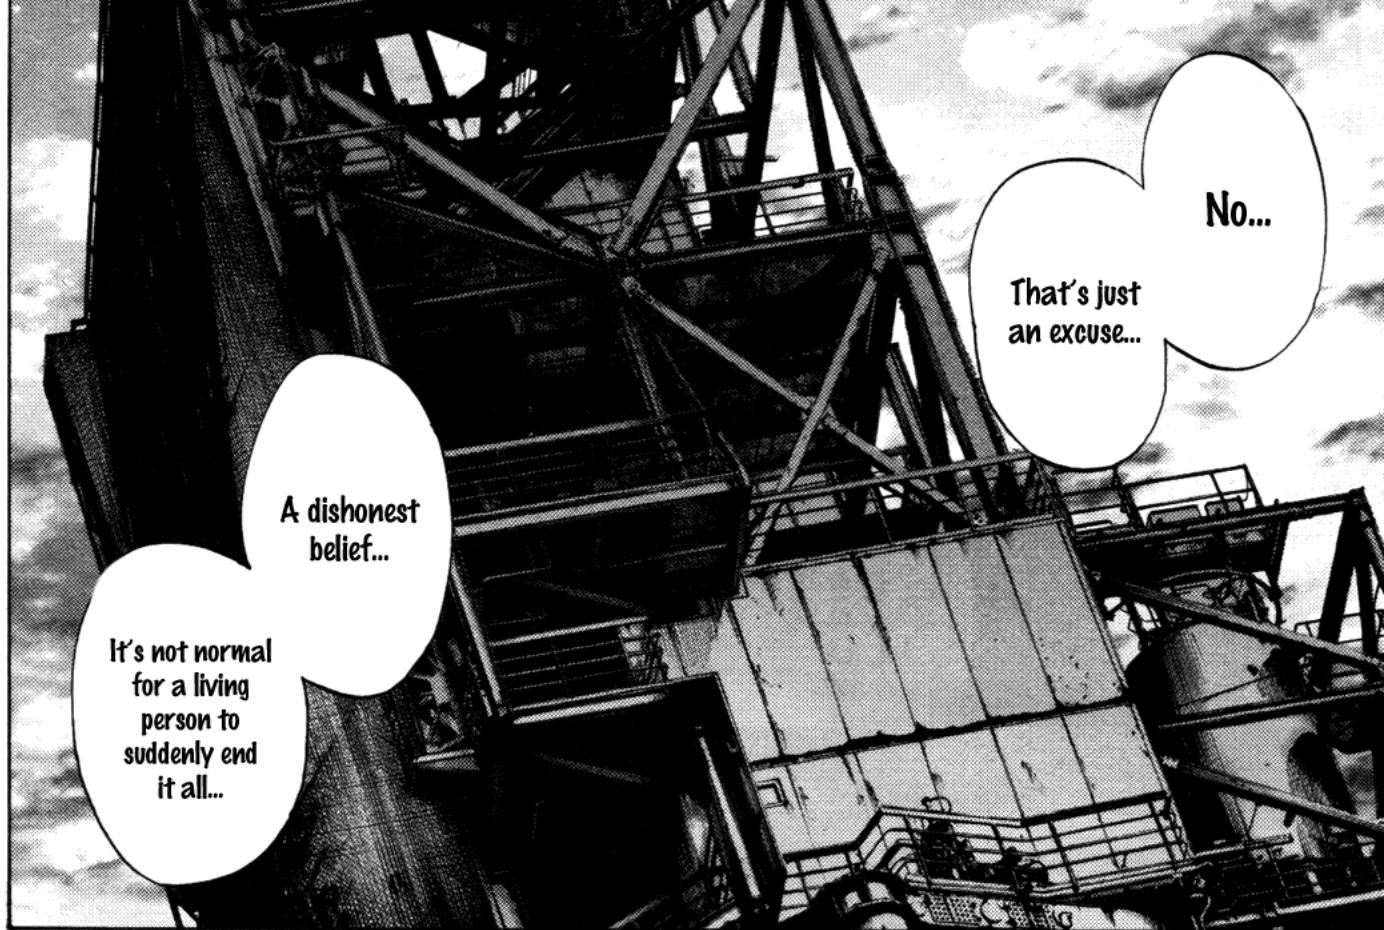

But you can't,
Punpun.
You can't...

"I threw away everything in my
life to save the person I love.
I couldn't have lived a life more
meaningful than that!"

You're...

Not a murderer,
Punpun...

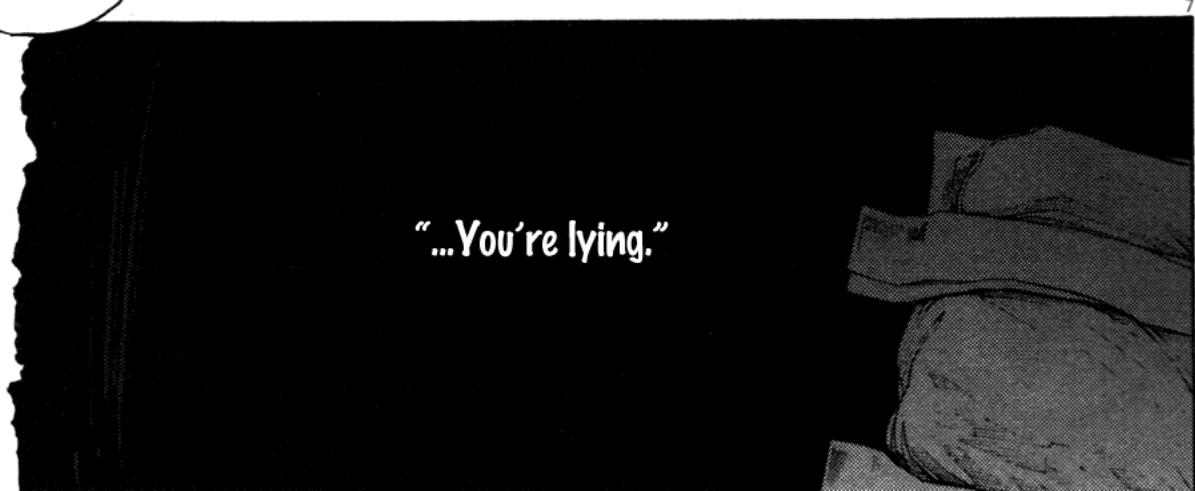

So I used the
kitchen knife
I was holding in
my hand to...

I saw my
mother regain
consciousness
and try to
stand up...

...After you
strangled
my mother,

And went
to answer
the delivery
man,

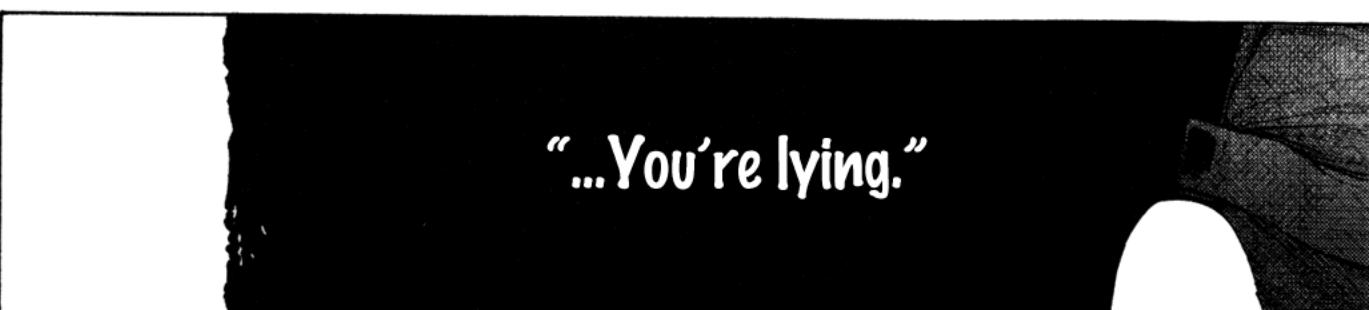

"...You're lying."

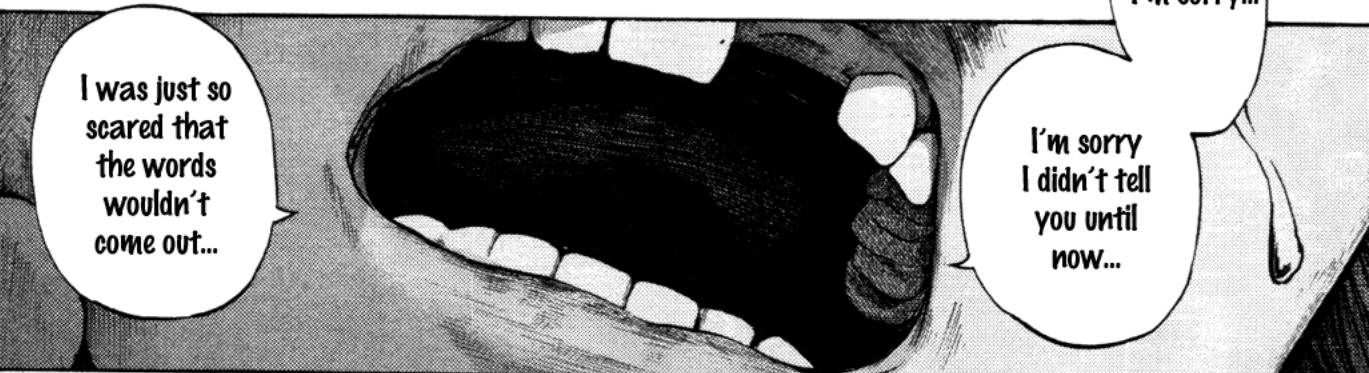

I stabbed
her over
and over
again...

Until she
was no
longer
moving...

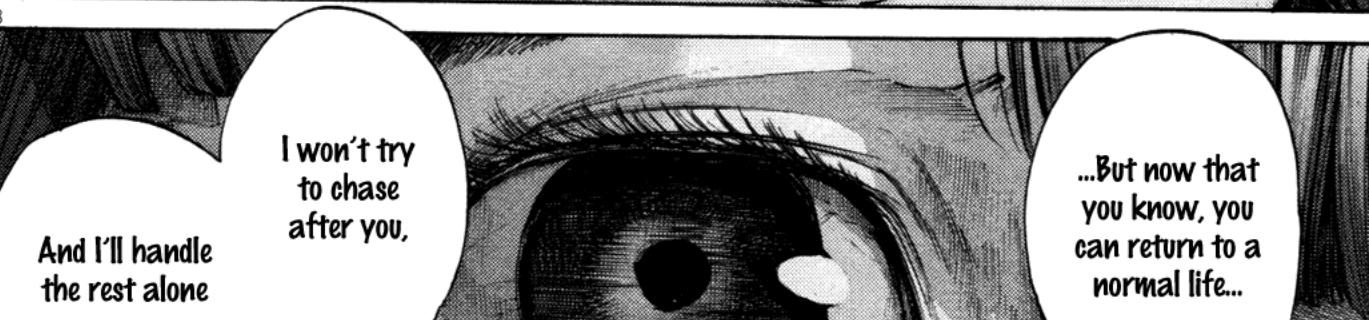

“...You’re lying.”

I’m sorry...

I was just so
scared that
the words
wouldn’t
come out...

I’m sorry
I didn’t tell
you until
now...

And I’ll handle
the rest alone
so...

I won’t try
to chase
after you,

...But now that
you know, you
can return to a
normal life...

You
haven't
done
anything
bad...

No...

It's the
truth...

"...You're lying.
I'm the
murderer..."

You didn't...

Do anything...

9

You just
happened to
be standing
by me...

I'm the
one that
became a
murderer...

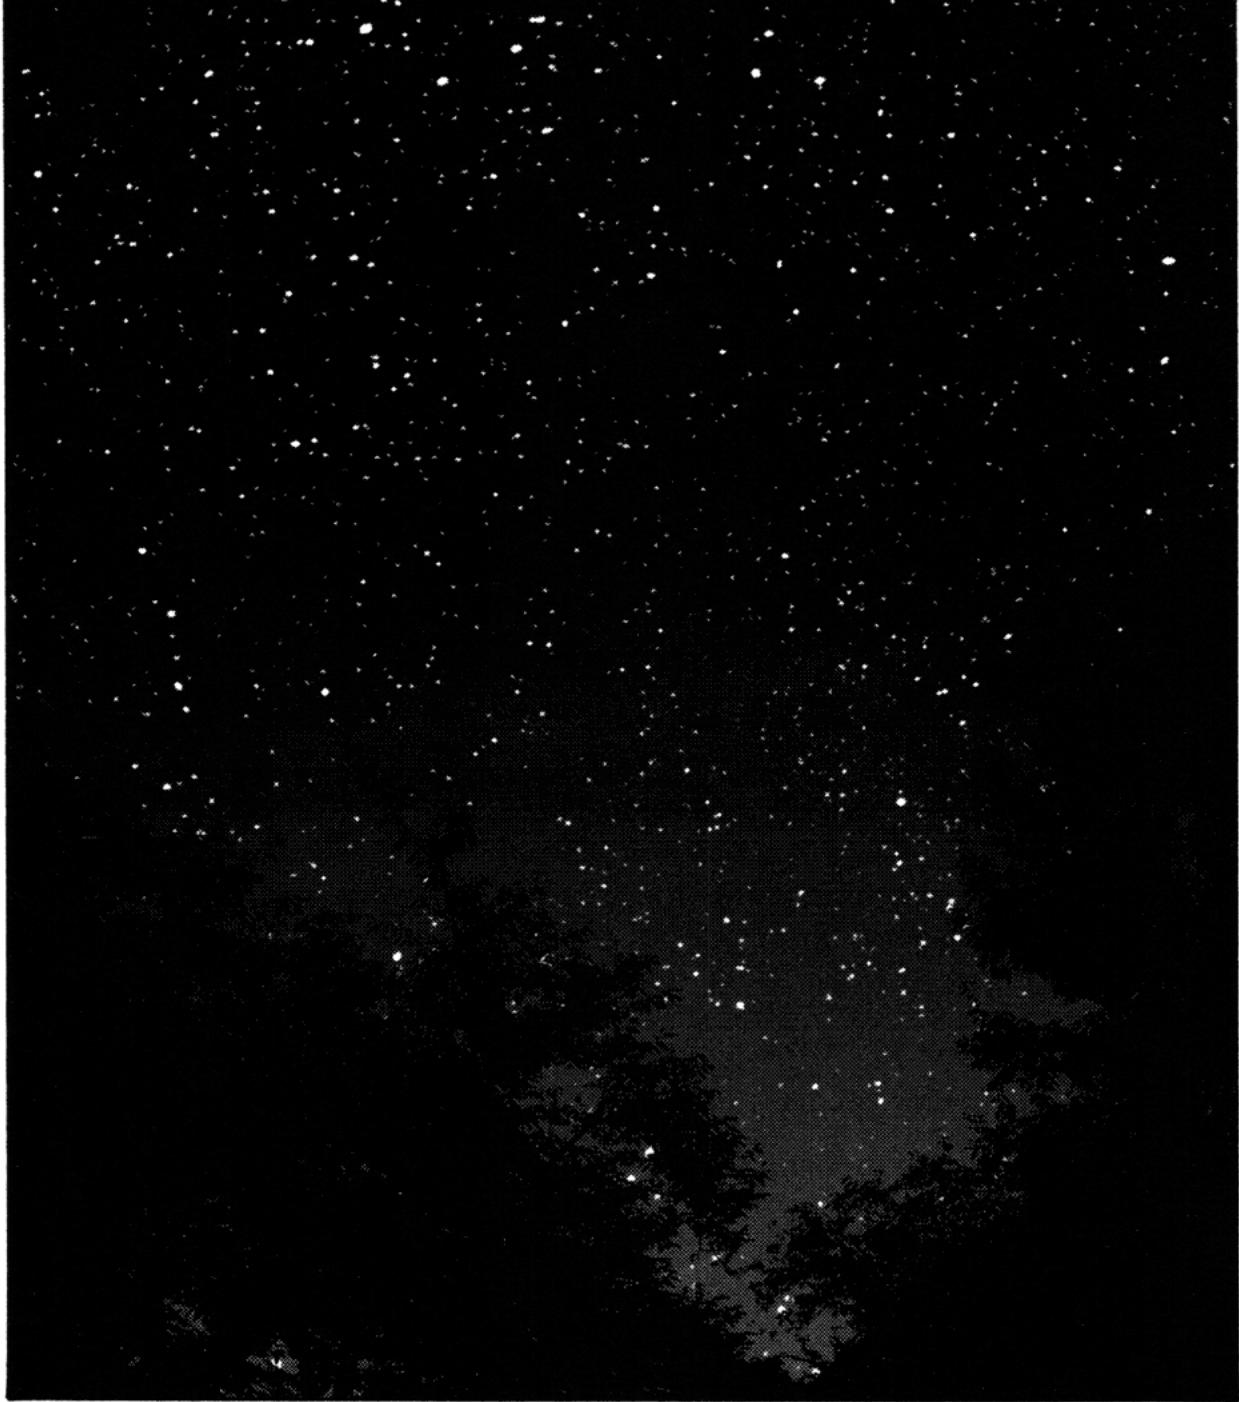

But I'm
glad,

That I was
finally able
to tell you...

I'm sorry...

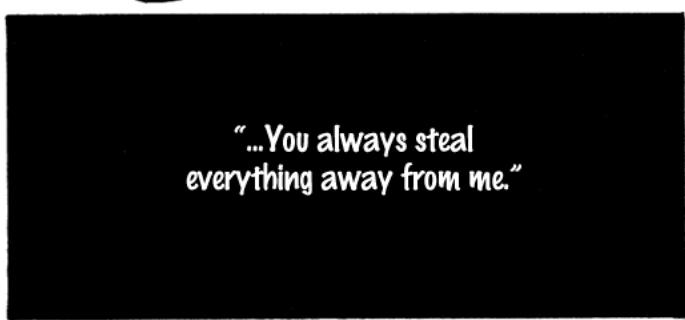

I'm so
sorry...

14

"It's a chant to make god appear before you. My uncle taught it to me when I was young."

What's that?

"Dear God,
Dear God,
Tinkle Hoy."

"I wonder when it was... that I realized talking with god was merely talking to my own self."

"...Aiko, let's get married."

Now how would I know that...

18

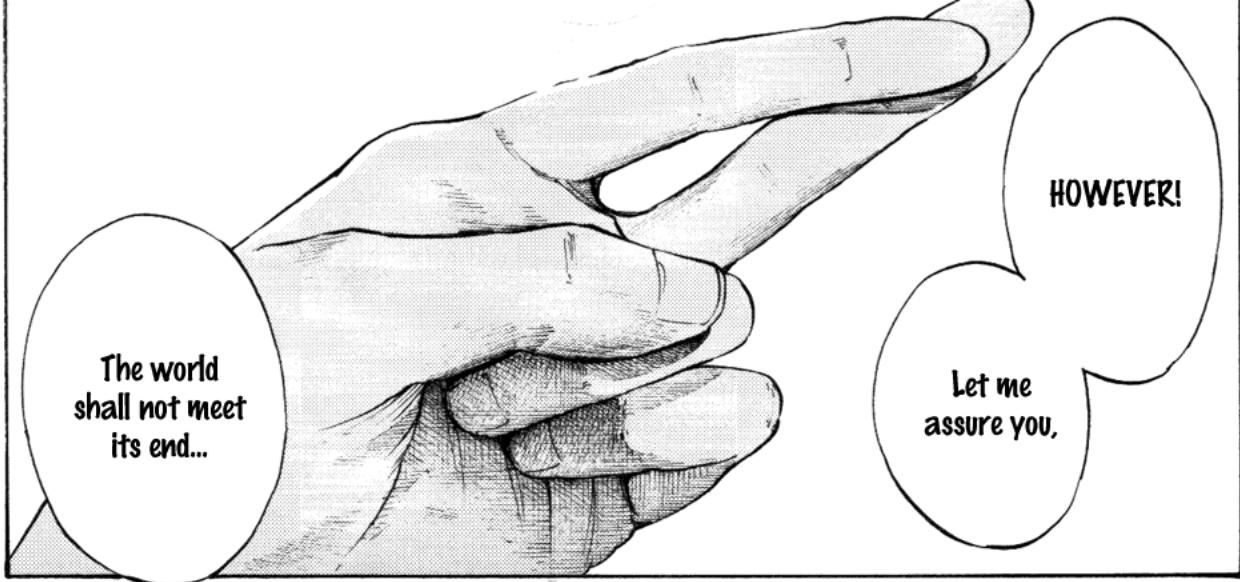

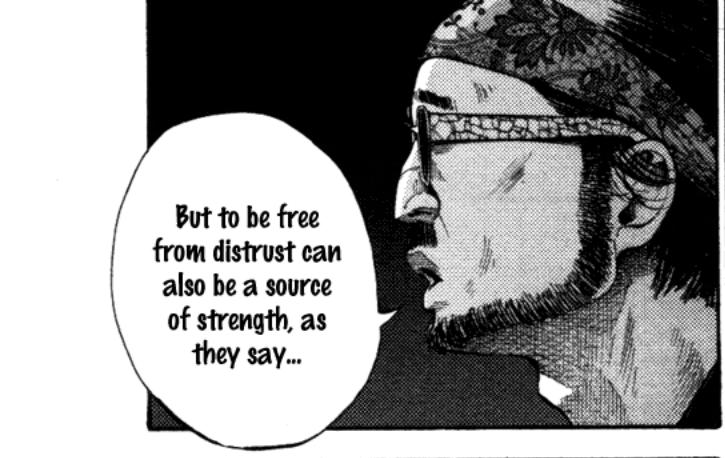

Where will you go,
Punpun...?

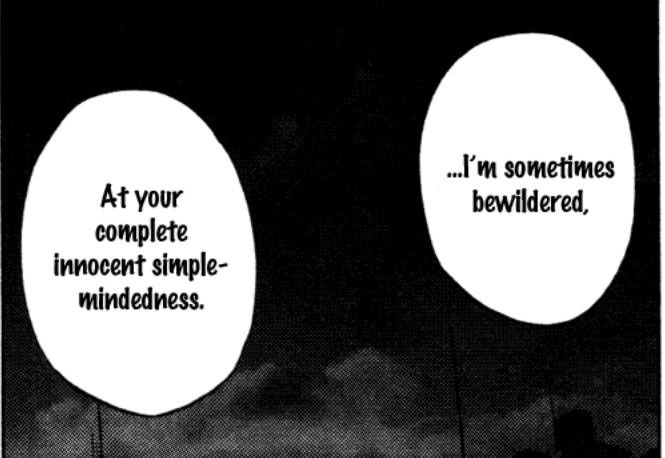

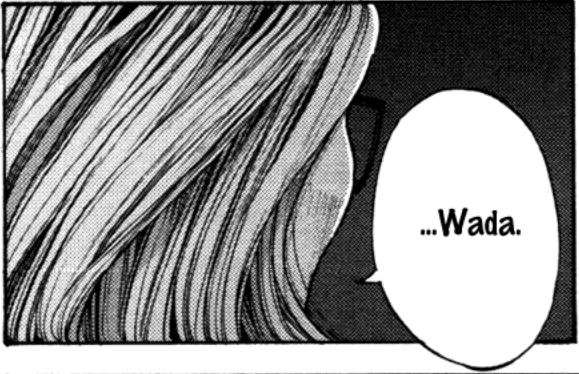

But to be free from distrust can also be a source of strength, as they say...

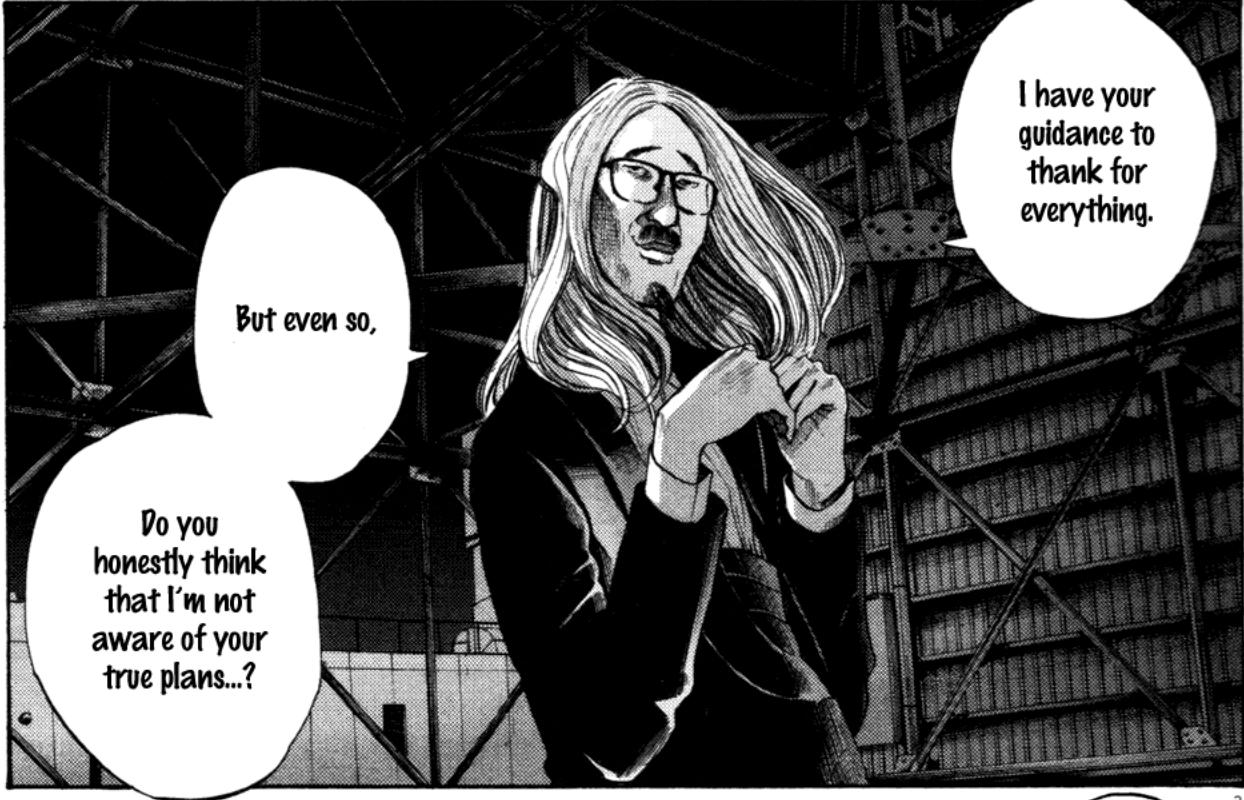

At your complete innocent simple-mindedness.

...I'm sometimes bewildered,

...Wada.

I have your guidance to thank for everything.

But even so,

Do you honestly think that I'm not aware of your true plans...?

You truly may be fit to be god.

Oh my, oh my.

June 30, Midnight.

"...Today was a special case. I usually don't want to show unfinished rough drafts to others. But then again... It's not like I've ever done a finished-copy of my manga..."

"Hey! When can I read the next chapter!? And can I bring some of my friends next time?"

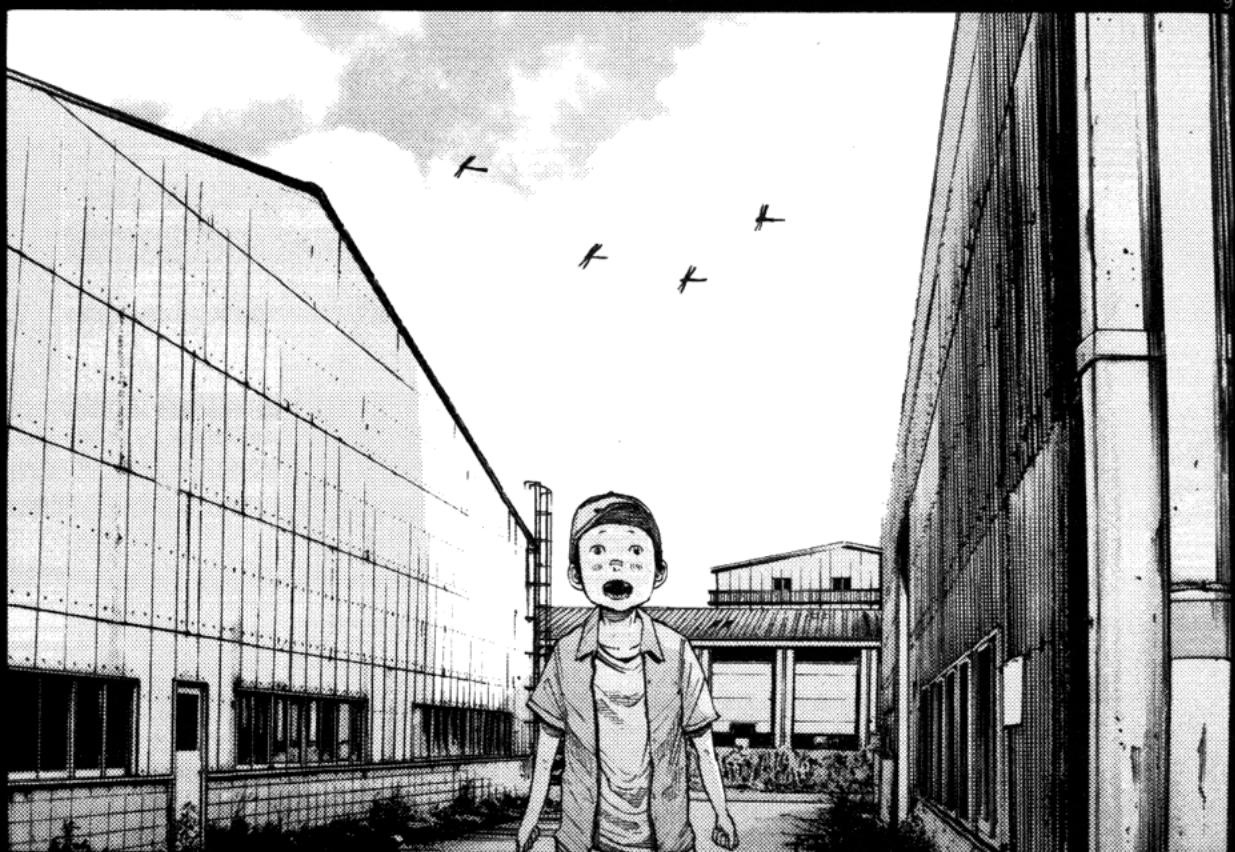

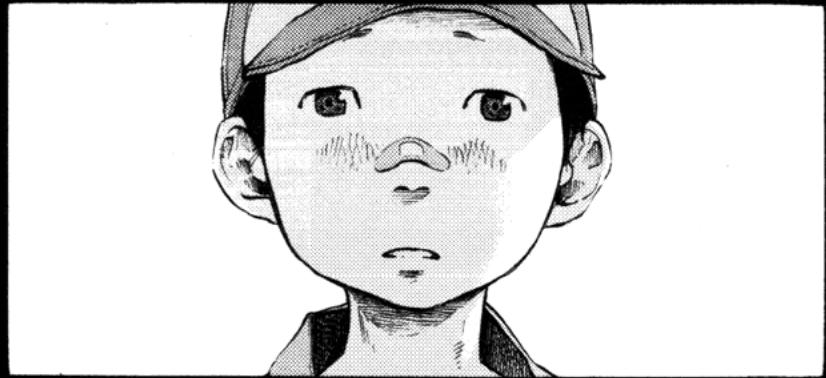

8

"You're the lunchbox store owner's son, right? My mom also works at this factory so I'm sure we'll see each other again one day."

"...Well, you and I might be both adults by the time I finish this manga though."

"Well I'm going to take over my dad's store when I grow up so I'll wait as long as it takes!"

"It's a promise!!"

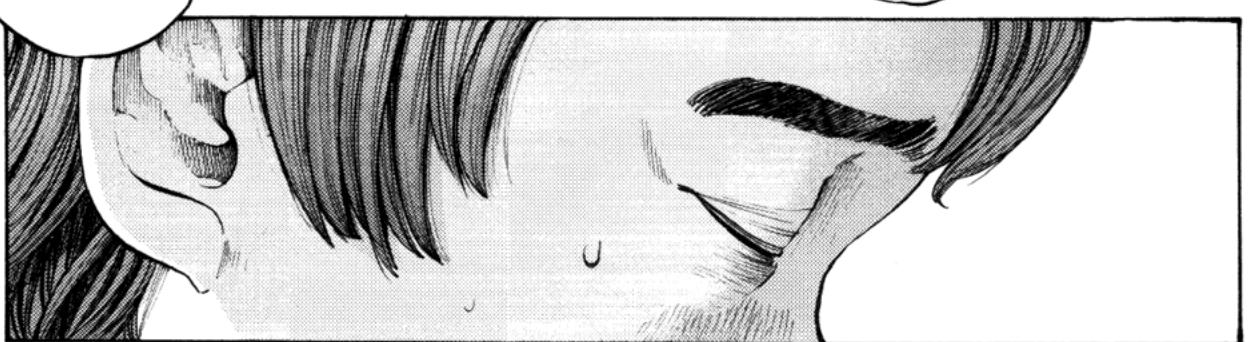

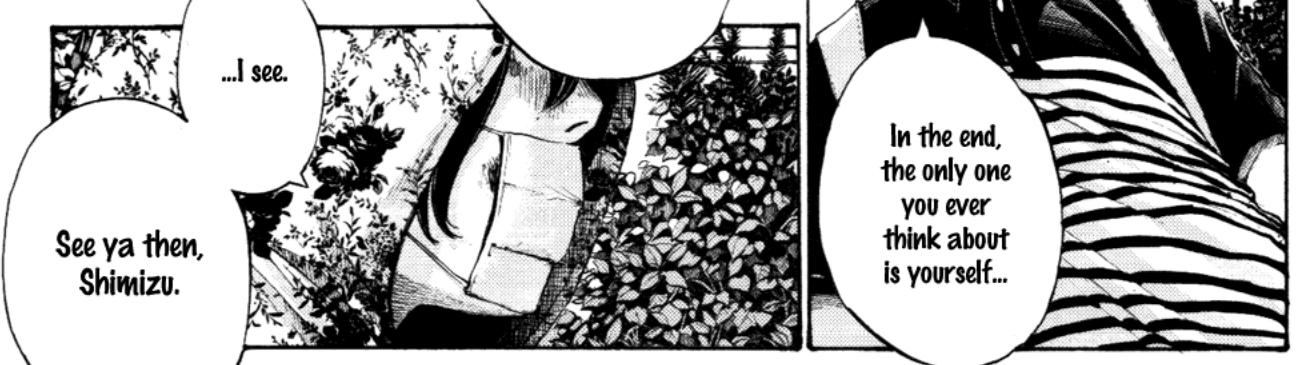

You're always telling me that it's all for my own sake but...

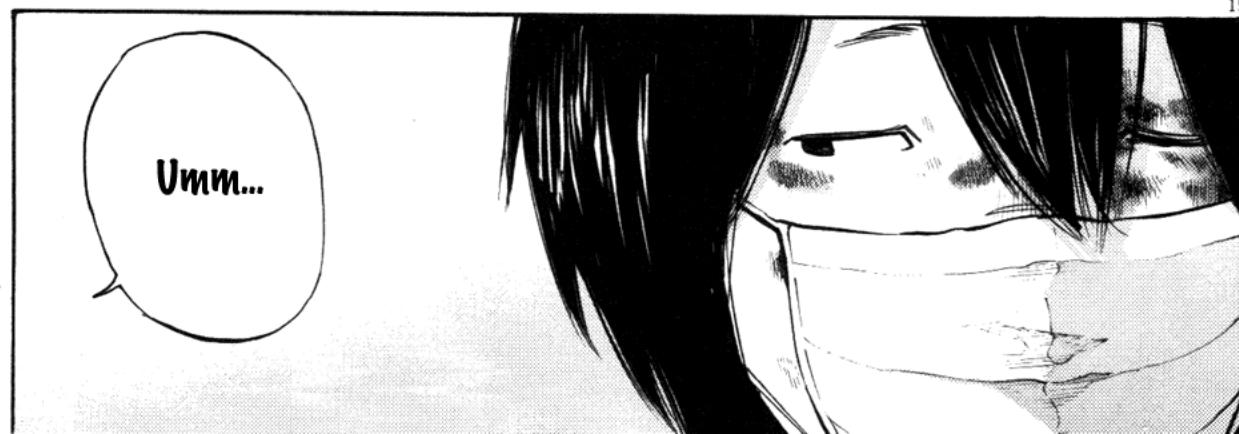

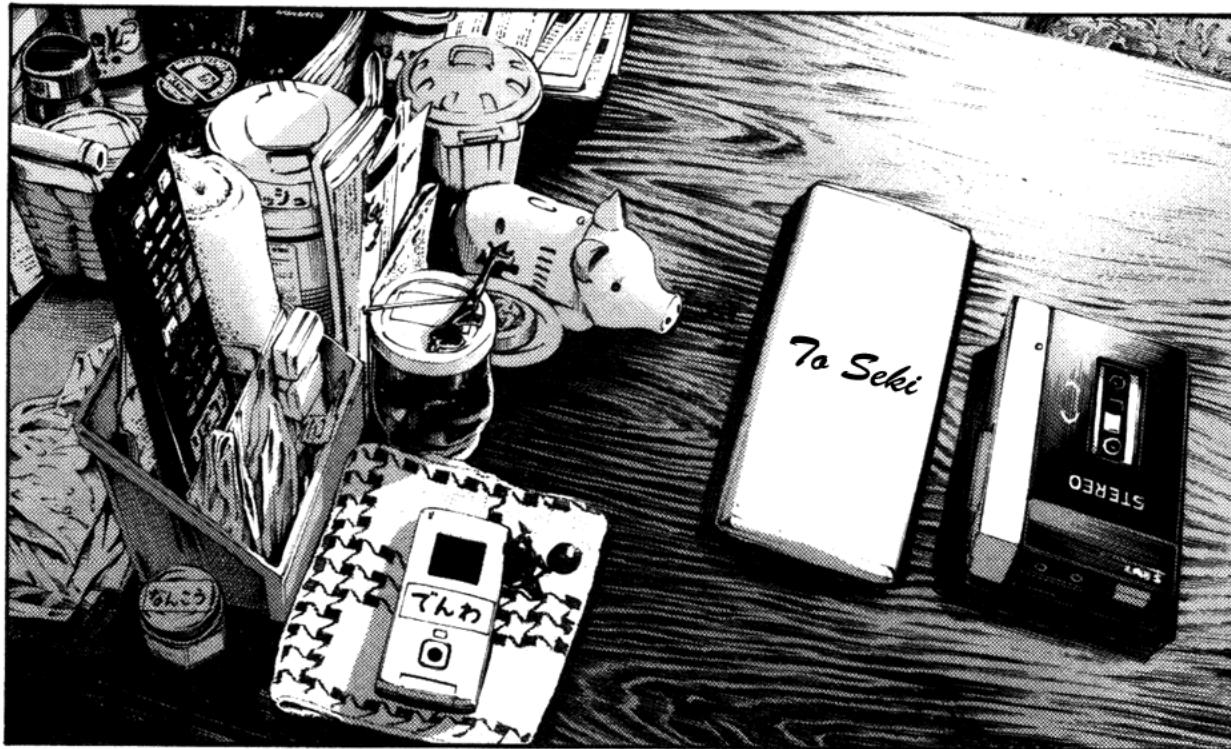

13

14

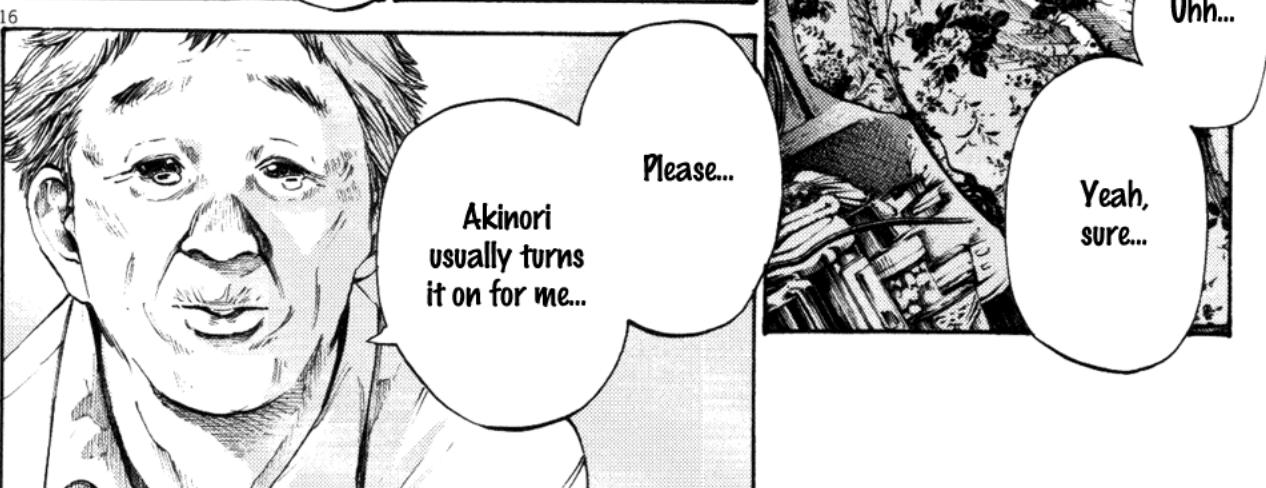

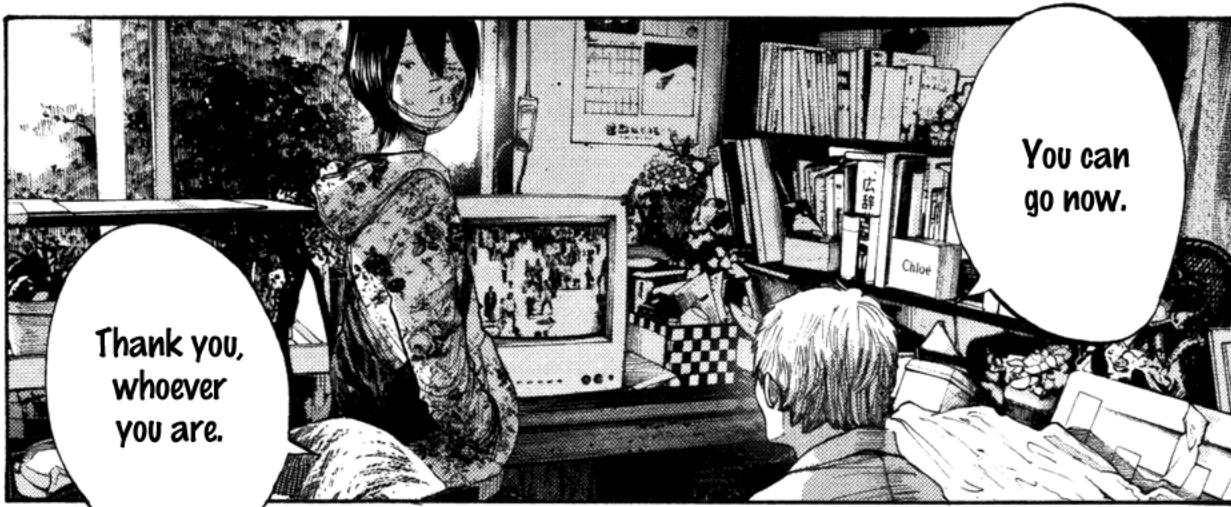

I don't know
where
Akinori's gone...

16

Seki
Masuo,

But it's all done now...

The two of us both have troublesome friends...

...Yes, how ridiculous it is that our lives can change so much from a chance meeting...

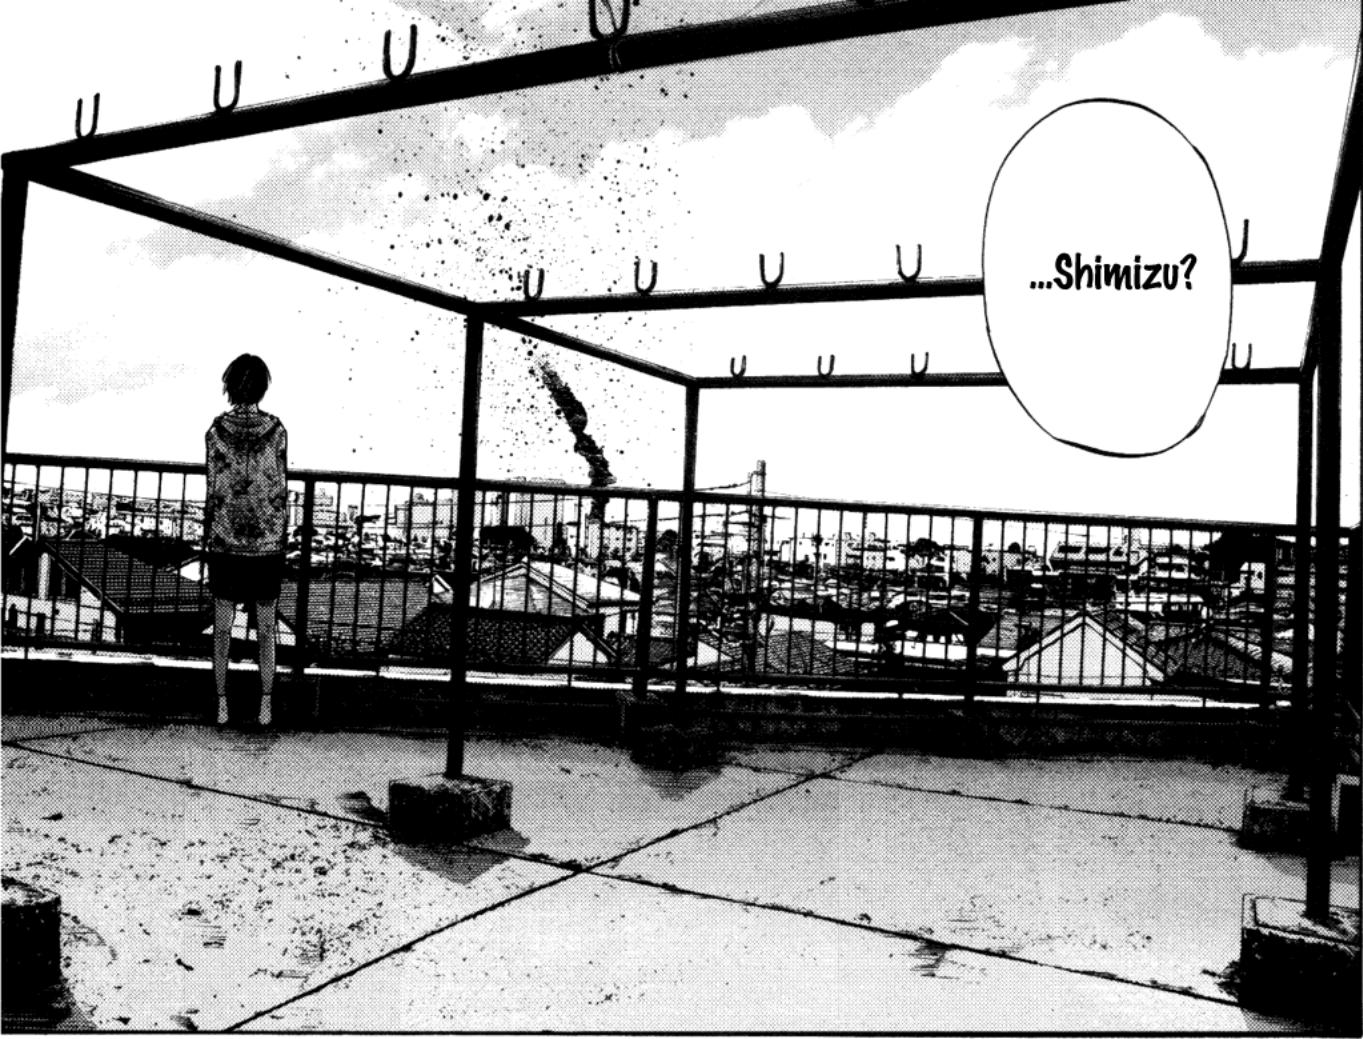

June 30, 11:30 a.m.

12

Even the
smallest spark
can become a
great flame
that can reveal
people's true
natures...

The better
a festival
is the
flashier
it is.

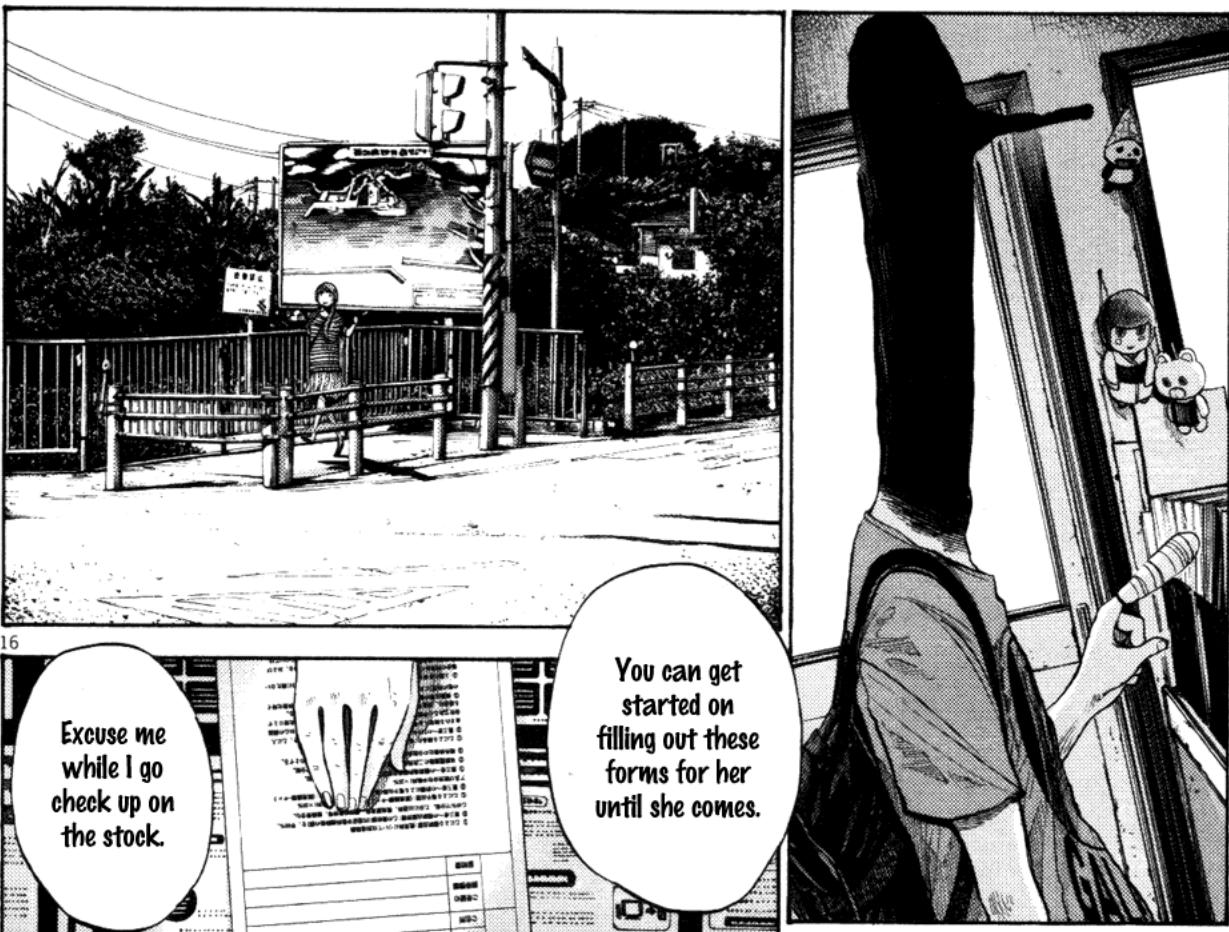

14

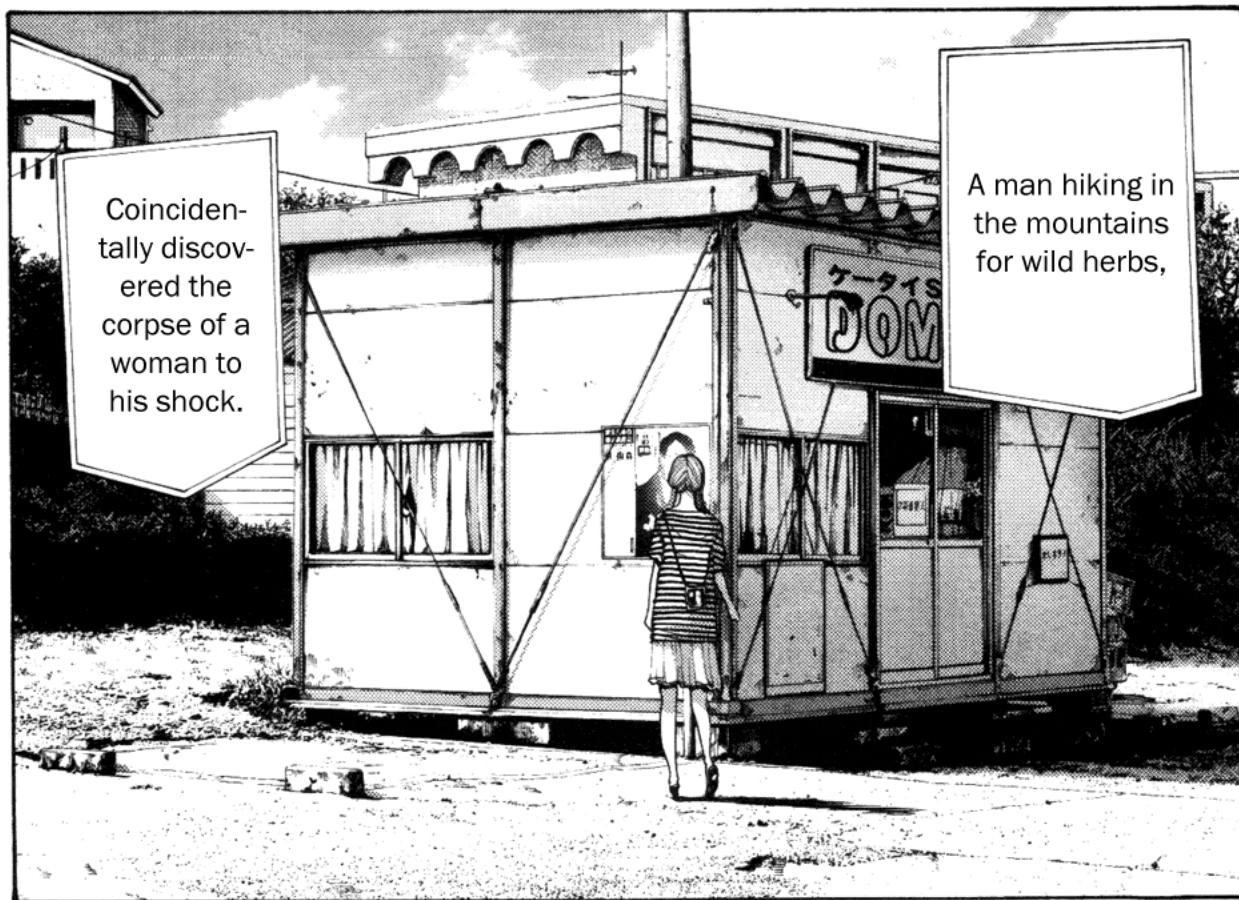

15

Along with signs of strangulation, there were several stab wounds on her abdominal region, leading police to treat it as a possible murder case.

According to the police, the discovered body is identified as the 41 year-old Tanaka Mitsuko, a resident of XXX city of the Tokyo Metropolitan Area.

18

In light of the still unknown whereabouts of Tanaka Aiko, the daughter of the deceased,

The police believe finding her will shed much light on the case and have begun their search for her.

And earlier today, the deceased's car was found abandoned in XXX city of Kagoshima prefecture.
